*Signature Shoes* Ryan Trembath, 2020-11-28 Just about everyone is familiar with the Nike Air Jordan shoe but just when did the practice of attaching an athlete's name to a shoe become common practice This text takes you from the beginning of the signature shoe industry and through the 1980s when the popularity of signature shoes accelerated At the start of the 90s just about every footwear company was producing a signature shoe and looking for the next charismatic spokesperson when they saw the dollars Nike was making with the

Jordan's Eventually signature shoes entered all facets of popular culture and were taken for granted by the public. Before long it wasn't just the most well known and marketable athletes getting their own shoe. Athletes in Major League Baseball, the Women's National Basketball Association, National Association for Stock Car Auto Racing, Formula One, the Professional Golfers Association, the National Football League, musicians, and even the National Hockey League had their own footwear to go along with the mainstays of the NBA and professional tennis circuits.

*The Prostate Monologues* Jack McCallum, 2013-08-20 Recently diagnosed with prostate cancer and approaching surgery, Jack McCallum wanted to tackle the confusion, misconceptions, and conflicting medical advice that so many men struggle with when thinking about the disease. So he got to work writing *The Prostate Monologues*. Through the lens of his own experience, McCallum attacks the nitty gritty questions about prostate cancer that men think about but may be too bashful to ask their doctors with honesty and humor. For example: When is it safe to attempt intercourse or at least self-inflicted orgasm? Or if you have surgery: What's it like the first time you shop for adult diapers? With wry humor, McCallum decodes the sometimes confusing jargon of medical professionals so that it is understandable and relatable to regular men. Prostate cancer is the second most common cancer among men and the second most fatal. Worse than the obvious commonality and mortality of the disease, though, is the fact that prostate cancer can rob a man of his manhood. Accordingly, McCallum handles the subject not only with care and knowledge but also with good cheer. Through the honest telling of his own story and drawing on the latest research, McCallum shares insight into what's worked for him and

what's proven to work in surviving cancer with your sense of humor intact

*Endorsements in Advertising* Kerry Segrave, 2015-01-24 The use of endorsements and testimonials to sell anything imaginable is a modern development though the technique is centuries old Before World War I endorsement ads were tied to patent medicine and were left with a bad reputation when that industry was exposed as quackery The reputation was well earned claims of a product's curative powers sometimes ran opposite the endorser's obituary and Lillian Russell once testified that a certain compound had made her feel like a new man Distrusted by the public banished from mainstream publications endorsements languished until around 1920 but returned with a vengeance with the growth of consumerism and modern media Despite its questionable effectiveness endorsement advertising is now ubiquitous costing advertisers and consequently consumers hundreds of millions of dollars annually This exploration of modern endorsement advertising paid or unsolicited testimonials endorsing a product follows its evolution from a marginalized mistrusted technique to a multibillion dollar industry Chapters recount endorsement advertising's changing form and fortunes from Lux Soap's co-opting of early Hollywood to today's lucrative industry dependent largely on athletes The social history of endorsement advertising is examined in terms of changing ethical and governmental views shifting business trends and its relationship to the growth of modern media while the money involved and the question of effectiveness are scrutinized The illustrated text includes five appendices that focus on companies celebrities athletes and celebrity endorsements
