Styx ,2017 **Finsternis** Jenifer Schindovski,2021-06-09 Eclipse poem collection This dark tent of shadows Let s dance through the night Until the shadows of the night break in on themselves Until a new day dawns I awake again but in which world A dark tent of shadows surrounds me what awaits me in the darkness Shadow Genesis Ricky Thomas Jr.,2010-04-23 Welcome to the Shadow Realm a realm of eternal night Now under the new and graceful order of Malice Khan the dawn of a new era now emerges Daughter of former king Darkerage a powerful and tyrannical king all of Shadow Realm knows the dangers that come to those who act against her However while there are those who swear allegiance to her every will there are others willing to defy and overthrow her from birthright Sensing the coming change as Malice Khan brings her people solace throughout a once chaotic and darker than dark world enemies of old and new rise from the deepest of shadows in hopes to end her reign and bring back the darkness that Malice has fought hard to renew This may be a much more easier task for her unyielding foes for a devious entity awaits in a world which ties have once entwined with the world of Shadow Realm itself *Briardark* S.A. very entrance of madness itself What begins as a search for warmth will see this old man face the horrors of a night he will never forget Told between the lines of truth and fiction this book dives into the origins of a person who will change the way the entire world thinks unless the world changes them first while making the reader wonder if a person can truly be haunted or if the haunting is truly made up in a person's head Throughout a single night the old man is terrorized and haunted by the house as it pulls him into the madness of the doors that stand before him Or is something taunting the old man from the other side of those doors Memories are often said to be the doorways of our lives back to the days of our younger days but for this old man these memories are reliving themselves through the very house itself Literal ghosts taunt and take their wrath against the man as he relives memories once more However not everything is as what it seems as he is reliving those memories from different lifetimes in a sequence of non stop nightmares Or is he In a world where things are not as they seem what seems to be the truth isn't always what is seen Especially in a house that throws your body through doors and against walls Especially with a man who is more than what he seems So why is he finding himself living in a nightmare Even more so why are the nightmares reawakening spirits that only this man knows about Do the demons within the old abandoned farmhouse know him or does he recognize them When the night and the farmhouse are finished with the man an ending will be shown but so will a new beginning Not everything you see is as it appears to be With JP Raley's voice Ogmios Rising merges the lines of fiction and nonfiction with a mystery that leaves readers guessing what is genuinely going on leaving a trail that will lead directly into the next book currently being written In a world where we need to focus more on mental health this book asks you the question what is it that you are truly seeing Begin the journey of a new trilogy of tales that questions what we know by offering new and alternative ideas on what we really know about the world around us *Throne Challenge* Eihab Eltayeb Mustafa Ahmad, 2024-10-28 Prepare for an exhilarating adventure with *The Throne Challenge* by the dynamic new fantasy author Eihab El Tayeb This spellbinding novel catapults you into a breathtaking world of high fantasy where you meet the extraordinary young hero Yazan Destined for greatness he is the bearer of an astonishing secret the legendary Stones of Truth These enchanted gems are the lifeblood of every kingdom harboring unimaginable power capable of reshaping the very fabric of history As Yazan embarks on his epic quest he finds himself plunged into a realm teeming with secrets and peril Dark forces are at play including the ruthless King of the Kingdom of Dajna and the enigmatic Servant of the Crown both vying for the very power Yazan seeks With stakes higher than ever the battle for truth and authority escalates into a heart pounding confrontation that will keep you on the edge of your seat This riveting tale explores profound themes about the nature of truth the weight of power and the essence of sacrifice Will Yazan surrender his fate to the cunning Vandem the Servant of the Crown or will he rise up to forge his own destiny What is the hidden truth behind the selection of kings for the thrones and what sacrifices must be made to uncover it Ihab Al Tayeb weaves a rich tapestry of fantasy and reality with electrifying prose crafting vivid worlds brimming with adventure and intrigue His masterful
