

THE SHARED EXPERIENCE OF ILLNESS

STORIES OF PATIENTS,
FAMILIES, AND THEIR THERAPISTS

"This markedly personal book is not just a revelation but an inspiration."
—FRANK PITTMAN, M.D., author of *Man Enough*

Edited by
SUSAN H. McDANIEL, JERI HEPWORTH,
AND WILLIAM J. DOHERTY

Shared Experience Of Illness

Veronica M. F. Adamson

Shared Experience Of Illness:

The Shared Experience Of Illness Susan H. McDaniel, Jeri Hepworth, William J. Doherty, H McDaniel, 2009-08-05 In the narrative of every human life and family illness is a prominent character Even if we have avoided serious illness ourselves we cannot escape its reach into our circle of family and friends Illness brings us closer to one another through caregiving and separates us through disability and death yet little attention has been paid to personal and family illness in psychotherapy Rather therapists tend to focus on the psychosocial realm leaving the biological realm to other physicians and nurses Susan H McDaniel Jeri Hepworth and William J Doherty invited therapists who work with individuals and families experiencing chronic illness and disability to describe clinical cases that illustrate their approach to medical family therapy Contributors then were asked to share a personal story about their experiences with illness and to explain how those experiences affect the way they work with their clients Vivid case studies dealing with a range of illnesses including cancer infertility schizophrenia AIDS heart disease diabetes asthma and multiple sclerosis show how the therapists own experiences of illness are relevant to their care of others and how these experiences can be used to form a healing bond in therapy Poignant honest and illuminating The Shared Experience of Illness allows us to understand more fully the relationship between the personal and the professional

The Shared Experience of Illness Susan H. McDaniel, Jeri Hepworth, William Joseph Doherty, 1997 This volume shows the powerful benefits that can emerge when therapists acknowledge illness as a vital part of everyone's psychology Susan H McDaniel Jeri Hepworth and William J Doherty invited therapists who work with individuals and families experiencing chronic illness and disability to describe clinical cases that illustrate their approach to medical family therapy Contributors then were asked to share a personal story about their experiences with illness and to explain how those experiences affect the way they work with their clients Vivid case studies dealing with a range of illnesses including cancer infertility schizophrenia AIDS heart disease diabetes asthma and multiple sclerosis show how the therapists own experiences of illness are relevant to their care of others and how these experiences can be used to form a healing bond in therapy

Shared Experience of Illness: stories of Patients, families sw; doherty mcdaniel (wj, (eds)), 1997 **A Multi-Perspective Approach to Narratives in Health Communication** Julie E. Volkman, 2025-07-10 This edited volume offers an accessible avenue for improving health and well being by demonstrating the power of narrative in advocating for yourself your family and your community Leading scholars of health communication draw on a variety of perspectives theories and methodologies and incorporate their own personal experiences of narratives to demonstrate the compelling reasons why narratives should be studied and applied in a wide range of health contexts Each chapter contains future directions for advancing research and applying narratives to encourage readers to explore what narratives for health mean for themselves and others Gender and the Language of Illness J. Charteris-Black, C. Seale, 2010-07-07 An investigation of the influence of gender social class age and illness type in the language of people talking about their experiences of illness It shows evidence of both conformity with

and resistance to gender stereotypes **Healing and Humans: Rethinking the Body and the Self** Pasquale De Marco, 2025-03-17 In a world where scientific medicine often dominates our understanding of illness and healing this book invites us on a journey to explore the profound relationship between culture and healing practices Drawing on diverse anthropological research and case studies the book delves into the ways in which cultural beliefs values and practices shape our experiences of illness healing and the body itself Through vivid storytelling and insightful analysis the author reveals the intricate tapestry of cultural influences that shape our perceptions of illness our pathways to healing and our relationships with our bodies From traditional healing rituals to modern medical practices the book explores the diverse ways in which cultures construct meaning around illness and healing The book also examines the role of healers and the patient healer relationship in different cultural contexts It highlights the importance of cultural sensitivity and understanding in providing effective healthcare emphasizing the need to bridge the gap between scientific medicine and traditional healing practices Furthermore the book explores the impact of illness and healing on individuals families and communities It delves into the social emotional and psychological dimensions of illness shedding light on the ways in which illness can disrupt social relationships strain family dynamics and challenge societal norms Ultimately the book invites readers to reflect on the complex interplay between culture healing and the human experience It challenges us to question our assumptions about illness healing and the body leading us to a deeper understanding of what it means to be human and how we can navigate the challenges of illness and pursue healing in a culturally sensitive and holistic manner If you like this book write a review

Helping Couples and Families Navigate Illness and Disability John S. Rolland, 2018-04-20 Couples and families face daunting challenges as they cope with serious illness and disability This book gives clinicians a roadmap for helping affected individuals and their loved ones live well with a wide range of child adult and later life conditions John S Rolland describes ways to intervene with emerging challenges over the course of long term or life threatening disorders Using vivid case examples he illustrates how clinicians can help families harness their strengths for positive adaptation and relational growth Rolland's integrated systemic approach is useful for preventive screening consultations brief counseling more intensive therapy and multifamily groups across health care settings and disciplines This book significantly advances the clinical utility of Rolland's earlier landmark volume Families Illness and Disability Affectivity and Learning Pablo Fossa, Cristian Cortés-Rivera, 2023-07-27 This book presents an interdisciplinary approach to the study of affectivity and human learning by bridging the gap between neuroscience cultural and cognitive psychology It brings together studies that go beyond the focus on cognitive intellectual variables involved in learning processes and incorporate the study of the role played by affectivity and emotions in learning not only at educational settings but in all processes of transformation and human development thus presenting affectivity as a catalyst and mediator of all daily learning processes Chapters brought together in this contributed volume present both theoretical contributions and results of empirical research from different disciplines such as

neuroscience cognitive psychology cultural psychology educational psychology developmental psychology and philosophy and are grouped into five thematic sections The first part of the book brings together chapters discussing different aspects of the role played by affectivity in learning processes from the perspectives of cultural educational and developmental psychology The second part is dedicated to the role of affectivity for teachers during their training as educators and during their pedagogical practice in diverse contexts The third part focuses on the relationship between affectivity and learning from a neuroscientific point of view The fourth part discusses affectivity and learning in therapeutic and clinical contexts Finally the fifth part brings together chapters about affectivity and learning in everyday life By bringing together this rich interdisciplinary collection of studies *Affectivity and Learning Bridging the Gap Between Neurosciences Cultural and Cognitive Psychology* will be a valuable resource for researchers in the fields of psychology neuroscience and education as well as for educators and teachers interested in knowing more about the relationship between affectivity and human learning

The Aesthetic Experience of Dying Veronica M. F. Adamson, 2017-09-07 Structured around a personal account of the illness and death of the author's partner Jane this book explores how something hard to bear became a threshold to a world of insight and discovery Drawing on German Idealism and Jane's own research in the area *The Aesthetic Experience of Dying* looks at the notion of life as a binary synthesis or a return enhanced as a way of coming to understand death Binary synthesis describes the interplay between dynamically opposing pairs of concepts such as life and death resulting in an enhanced version of one of them to move forward in a new cycle of the process Yet what relevance does this elegant word game have to the shocking diagnosis of serious illness Struggling to balance reason with sense thought with feeling this book examines the experience of caring for someone from diagnosis to death and is illustrated with examples of the return enhanced The concluding chapter outlines how the tension of Jane's dying has been resolved as the rhythmic patterns of the lifeworld have been understood through the process of reflecting on the experience This creative and insightful book will appeal to those interested in the medical humanities It will also be an important reference for practising and student health professionals

The Therapist's Notebook for Family Health Care Deanna Linville, Katherine M. Hertlein, 2014-05-01 Effective interventions to help your clients deal with illness disability grief and loss *The Therapist's Notebook for Family Health Care* presents creative interventions for working with individuals couples and families dealing with illness loss and disability This book offers creative resources like homework handouts and activities and effective field tested interventions to provide counselors with useful information on specific family dynamics and topics It equips mental health clinicians with practical therapeutic activities to use in their work with clients struggling with health care or grief issues The effects of illness disability and loss in everyday life can be profound Besides the individual repercussions these challenges also affect the lives of the family and social networks of those individuals experiencing them *The Therapist's Notebook for Family Health Care* brings together the knowledge and experience of over 30 experts in the field for a unique collection that therapists and

A Shared Experience Laura Mccall,Donald

Yacovone,1998-08 For decades women s history has been one of the most dynamic fields in all of American history More recently the study of manhood has drawn the attention of scholars students and general readers Despite the obvious intersections of female and male gender roles the nineteenth century doctrine of separate spheres has dominated historical inquiry The shared experiences and complementary lives of men and women have rarely been considered This important new anthology reflecting recent trends in the history of men and women calls for the reintegration of the study of gender Only by focusing on the similarities as well as the differences in the lives of men and women can we achieve a fully representative portrait The essays in this exciting collection most commissioned exclusively for this book cover American history from colonial times to the present representing multicultural and interdisciplinary scholarship at its most persuasive Combining compelling subjects and thorough research the contributors represent an appealing mix of established authors and new scholars A lively blend of experience and innovation A Shared Experiencemarks an important step in the development of American history and the burgeoning field of gender studies

Cardiac Nursing E-Book Debra K. Moser,Barbara

Riegel,2007-08-08 Cardiac Nursing A Companion to Braunwald s Heart Disease is the only comprehensive text available for cardiac nurses This brand new reference emphasizes both evidence based practice and hands on care in a high tech high touch approach that meets the high stakes needs of cardiac and critical care nurses What s more the book makes the material easily accessible by using clear language straightforward text and plenty of illustrations lists and tables This book is the third in a series of companion texts for Braunwald s Heart Disease and the first specifically for nurses Authored by the

Clinical Ethics and the Necessity of Stories Osborne P. Wiggins, Annette C. Allen, 2011-02-02 This collection of articles honors the work of Richard Zaner a distinguished philosopher who has worked for over twenty years as an ethics consultant at Vanderbilt University Medical Center His work in the clinical setting especially the use of narrative in understanding what is going on in this setting is the focus of some of the papers others relate his methodology and phenomenological approach to the more standard bioethical problemata and approaches The essential questions what then is the role of the philosopher turned medical ethicists Is medical ethics a form of applied philosophy or is it also a form of therapy distinguish Zaner's phenomenology from hermeneutical philosophy Internet Research Annual Mia

Consalvo, Nancy Baym, Jeremy Hunsinger, Klaus Bruhn Jensen, 2004 Internet Research Annual offers a selection of the best work presented at the first three conferences of the Association of Internet Researchers and provides a useful overview of the cutting edge in Internet studies Established scholars and new researchers address issues such as communities on off line the Internet as a methodological tool and space for research and the places politics and policies of the Internet creating a volume that comprehensively covers the field of Internet research Also included are a brief history of the organization a list of previously published papers from the conferences and works by several of the keynote speakers including Phil Agre Barbara Warnick Bill Dutton Sheizaf Rafaeli Susan Herring Robin Mansell and much more **Introducing Social Work**

Jonathan Parker, 2023-04-05 Everything you need to succeed in your social work degree Written by subject experts this essential guide will introduce you to all the core areas of your course helping you develop the knowledge and skills you need to practice with confidence Since launching in 2003 Transforming Social Work Practice has become the market leading series for social work students These books use activities and case studies to build critical thinking and reflection skills and will help social work students to develop good practice through learning These books are Affordable Written to the

Professional Capabilities Framework Mapped to the social work curriculum Practical with clear links between theory and practice Maternal-Child Nursing Care Optimizing Outcomes for Mothers, Children, & Families Susan Ward, Shelton Hisley, 2015-06-03 It offers the perfect balance of maternal and child nursing care with the right depth and breadth of coverage for students in today's maternity pediatric courses A unique emphasis on optimizing outcomes evidence based practice and research supports the goal of caring for women families and children not only in traditional hospital settings but also wherever they live work study or play Clear concise and easy to follow the content is organized around four major themes holistic care critical thinking validating practice and tools for care that help students to learn and apply the material

Concordance in Medical Consultations Kristian Pollock, 2016-07-06 Learning is most powerful when it is both hard work and fun This usually means that it is interactive and based on experience challenging but at the same time possible This book presents a wide variety of games activities and techniques that any teacher tutor or team leader can use to help others learn Each of the chapters has a short introduction followed by several exercises that are interactive fun and will reinforce learning in knowledge skills and attitudes The tools provided describe not only how to do an exercise but also when with whom what will make it work well what can go wrong and give insights into the impact it might make The authors are experienced in leading teams planning and providing education and the tools are tried and tested in real teaching and learning situations The ideas can be used in and across all disciplines and settings *Communication in Palliative Nursing* Elaine Wittenberg-Lyles, 2013 This book unites complementary work in communication studies and nursing research to present a theoretically grounded curriculum for teaching palliative care communication to nurses The chapters outline the COMFORT curriculum Central to this curriculum is the need for nurses to practice self care *A Cultural History of Disability in the Long Nineteenth Century* Joyce L. Huff, Martha Stoddard Holmes, 2023-05-17 The long 19th century stretching from the start of the American Revolution in 1776 to the end of World War I in 1918 was a pivotal period in the history of disability for the Western world and the cultures under its imperial sway Industrialization was a major factor in the changing landscape of disability providing new adaptive technologies and means of access while simultaneously contributing to the creation of a mass produced environment hostile to bodies and minds that did not adhere to emerging norms In defining disability medical views which framed disabilities as problems to be solved competed with discourses from such diverse realms as religion entertainment education and literature Disabled writers and activists generated important counternarratives made increasingly available through the spread of print culture An essential resource for researchers scholars and students of history literature culture and education *A Cultural History of Disability in the Long Nineteenth Century* includes chapters on atypical bodies mobility impairment chronic pain and illness blindness deafness speech dysfluencies learning difficulties and mental health with 37 illustrations drawn from period sources

Decoding **Shared Experience Of Illness**: Revealing the Captivating Potential of Verbal Expression

Shared Experience Of Illness Introduction

In the digital age, access to information has become easier than ever before. The ability to download Shared Experience Of Illness has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Shared Experience Of Illness has opened up a world of possibilities. Downloading Shared Experience Of Illness provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Shared Experience Of Illness has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Shared Experience Of Illness. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Shared Experience Of Illness. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Shared Experience Of Illness, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Shared Experience

Of Illness has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Shared Experience Of Illness Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Shared Experience Of Illness is one of the best book in our library for free trial. We provide copy of Shared Experience Of Illness in digital format, so the resources that you find are reliable.
