Gilroy, 1991 *Sharing the Unshared...* Banani Das Chowdhury, 2025-06-05 Turn to the pages of this heart if you are feeling lost and wish to return home This is the space where I inked those words all in that notepad of mine from hurt to heart over some periods of my metamorphosis These poetries carry the raw and real extracts of acknowledging my shadows and embracing the light making a silhouette of motivation to survive through thick and thin These words became the saviour to reconnect the dots to cross the crossroads ahead Sharing these unshared parts of despair and hope to remind that you shall overcome this This isn't alone my journey from searching the way back to rebuild the home within This is your way ahead as well in processing what's unprocessed yet in yours to find the way back Take to heart Sharing The Unshared Read Feel And Heal

Ponton, 2023-07-14 What Dying Taught Me About Living I was dead for 20 minutes this is what I saw Scott Drummond Check out my video on YouTube It has been named Most Watched Near Death Experience of All Time with over 21 million views The glory of the Lord appeared in the cloud Exodus 16 10 It was like the twinkling of an eye Suddenly I was standing in an open field of waist high grass It was unique in that the field didn't behave like a normal field of grass It didn't blow with the wind In fact there was no wind to blow the grass not even a breeze Instead it was as if each separate blade was its own entity with its own personality or soul that chose to flow toward me I remember reaching my arms out to my sides running my hands along the tops of the grass and feeling something so special It was like each gold tipped blade was full of love I could feel the love coming from the grass While standing in the field the guide who had taken me there admonished me to never look back It was okay to look to the left and to the right but I couldn't look back The view in front of me was panoramic I could see far to the left and far to the right but the things in front of me were close as if I was standing inside a panoramic photograph On my far left were trees giant pillars with huge trunks that seemed to lead me toward what was in front of me There were no branches going up the trunk but I could see lots of leaves at the top beautiful leaves They were in brilliant greens reds and yellows Each leaf had a sort of iridescent gold underside And the trunk wasn't the sort of dirty brown we see here either It was a beautiful brown color edged in gold Between me and the forest were tall wildflowers Normally to see each bloom of a rose bush you'd need to walk around it but in this case each colorful flower and its leaves faced toward me The flowers came up to about my waist and their faces followed me as I progressed through the field I have never experienced love come from flowers plants or trees But I felt like all of it was alive Alive with love And it gave me so much peace It was like each individual living thing imparted energy charged with unconditional love support and encouragement Directly in front of me were clouds against a vibrant blue sky When I saw bioluminescence for the first time I felt it was the closest thing to what I saw Then leading me up to the clouds was a sort of mist or fog just like stairs leading to the stoop of a house None of the clouds moved as there wasn't any wind Directly in front of me was a huge beautiful cloud that was unique to the rest Rays from behind the cloud shot toward me just like the grass and flowers The cloud itself was a pearly iridescent color that I can only describe as pure and extremely bright In this place there was no fear no judgment and no pain Only love Pure unconditional love My life before this was fraught with selfishness greed and a relentless drive for success in business What I

learned most from my experience is to not look back Don't look back at what you've done in your life Take a good look at your life as it is today right now And start looking toward the future We can change if we want to If you want to make a difference just be kind to somebody be kind to a friend a fellow worker or a neighbor Discover the reaction you get by being kind to them Most people are very defensive but there's something about love that calms people down This life isn't about how much we make It isn't about prestige or power It's about the One It's about each life we can affect with love A Daily Walk with

**Spiritual Direction: A Guide for Sharing the Father's Love** Fr. Boniface Hicks,Fr. Thomas Acklin,2017 The need for spiritual direction or the accompaniment of a spiritual guide is becoming more prominent in a world where so many are suffering from so many wounds With a harmonious integration of both timeless spiritual wisdom from the Catholic Church's tradition of prayer and direction and the insight of the psychological sciences Fathers Thomas Acklin and Boniface Hicks offer a comprehensive guide for all who provide or seek spiritual direction Spiritual Direction A Guide for Sharing the Father's Love fortifies priests religious and lay faithful who embrace the ministry of spiritual direction and accompany the wounded assist men and women in hearing the voice of God and model the love and mercy of the Father for the many who are seeking Him but do not know Him or have false images of Him This book also shows how various aspects of the spiritual life can

emerge from and be fostered by a one on one relationship with a spiritual director Together with concrete guidelines and numerous examples from personal experience this book refers extensively to Sacred Scripture as the foundation for spiritual direction Furthermore since the practice of spiritual direction goes back to the first centuries of the Church the authors turn for guidance to the Doctors of the Church the writings of the saints and the papal magisterium in developing and supporting their insights Spiritual Direction will call spiritual directors to deeper holiness even as they assist others in growing closer to the Father through His loving gaze of mercy      *Sharing Your Story and God's Story* Doug Fields, Brett Eastman, 2003
