Kessler, 2002-10 The WritersNet Anthology of Prose reverses the trend of the publishing industry expanding onto the Internet What began as an on line evaluation and editing workshop on the WritersNet website turned this trend on its head when the best of the material submitted by writers across four continents both published and unpublished both previous best sellers and those seeking their first appearance in print was published in this two volume anthology This project not only showcases the widely diverse talent of new and established writers and has established a new common purpose dimension of community among the writers participating in WritersNet but it also serves the community at large as all profits above production costs are being donated to the Salvation Army in remembrance of the events of 9 11 The resulting fiction collection of sixty short stories by fifty three separate authors provided in this volume one of the anthology WritersNet Anthology of Prose Fiction is much more eclectic than is normal with such works These stories defy the normal common thread in content rule You can find something here to entertain you and to make you ponder no matter what your reading pleasure Explore and enjoy

Universal Angel Star Phyllis Charity, 2014 I am thirty eight years

old and the mother of three lovely boys I had my first major spiritual awakening in 2004 when I started to see orbs I then made a connection with my angels and spirit guides and my spiritual journey has progressed and deepened over the years I write inspirational poem s from people s Angels and loved ones in spirit I am a Reiki Master and offer Reiki workshops This work has been an amazing journey for me on many levels I am now offering spiritual awareness workshops with a goal of helping others to connect more with their earth and spiritual journeys and to help them breakthrough the illusion of life The gift that I am always so grateful for is the energy shift photos I work on the same principle as a trance Medium and use a normal digital camera When doing readings or workshops the client allows his or her loved one s energy to come through them and we see the loved one s face in the photo This is very magical and blows me away every time I do these photos I can never 100% guarantee we will get a result but normally we are very lucky and the universe gifts us with some magical and memorable experiences Again my job is to help people break through the illusion of death which is projected on planet Earth The photos have helped many people deal with the grieving process and helped them heal on their journey It will never replace their loved one but many find peace and comfort in knowing their loved one is safe and well sending them love and will always be by their side in spirit From doing the workshops we sometimes get photos of spirit guides and other Universal Energies which is also a magical experience What the people have experienced in their meditations throughout the day come through on the camera at the end of the workshop This gives them more confidence and belief as others can see the magic as well in the photos All of my work is based on my own life experiences

Machine Gods of the Eternal Sea Terry Lee Smith Jr,2012-02 In a time of uncertainty humanity has touched the stars and claimed vast worlds under the unified Nations of Earth Yet beneath the heels of the Mother World the colonists grow too strong Soon after a war unlike any seen before would last for twenty years wherever independence had a voice Towering machines known as Unit Fighters were piloted by the brave as historic battles were fought And after nine years of peace between the newly established Pride Systems of Devoir Con passed the scars of such a mad war were not only left on the worlds they shed blood on but on the soldiers and soon to be combatants of Devoir These are just a few of their stories as once again the torn and gritty flag of Devoir Con will be raised among the controversies of war peace love struggle and innocents lost
