

Sharpe's **TRAFALGAR**

A detailed illustration of the HMS Victory, a British first-rate ship of the line, during the Battle of Trafalgar. The ship is shown from a side-on perspective, sailing on a dark, choppy sea. It has three masts and is fully rigged with sails. The ship's hull is dark, and it features a prominent red and white striped funnel. In the background, other ships are visible, and a large plume of smoke or fire rises from the sea, suggesting the intensity of the battle. The overall scene is dramatic and captures the historical significance of the event.
