## **Shattered Covenants:**

**Broken Covenants** Hubert L. Tomlin, 2021-10-07 Broken Covenants Broken Covenants seeks to highlight the love of God for man and the things the Lord had been doing to bring man back into fellowship with Him since mankind fell from grace because of sin Sin has corrupted the entire world and it started when Adam and Eve were deceived by Satan in the garden of Eden Satan had since that time gained control over the earth from Adam whom God had given this charge Everything being corrupted by sin including man faces the curse of death Satan having taken control of the earth had access to heaven where he was a continuous accuser of man before God God is determined to destroy this corrupted earth and Satan with it to get rid of sin altogether but He is also determined to restore man and save man from His wrath and the destruction to come God sent a flood to destroy sinful man from the earth but as man multiplied again in the earth so did sin The Lord then chose a people of Israel to be His chosen people He blessed and prospered them to make the rest of the world be jealous of the God of Israel that they would forsake their gods and seek after the God of Israel Israel however turned to the gods of these nations instead that God had to reject His people God then sent His own Son Who never sinned and therefore death had no control over Him Having conquered sin and death Jesus has taken back control of the earth and the devil is cast out of heaven and have no more access to heaven Man is therefore restored but he had to trust in Jesus and what He has done to be redeemed back to God This is the way of salvation and God now has accomplished that which was His desire since Adam

Miroslav Volf,2010-03-01 Life at the end of the twentieth century presents us with a disturbing reality Otherness the simple fact of being different in some way has come to be defined as in and of itself evil Miroslav Volf contends that if the healing word of the gospel is to be heard today Christian theology must find ways of speaking that address the hatred of the other Reaching back to the New Testament metaphor of salvation as reconciliation Volf proposes the idea of embrace as a theological response to the problem of exclusion Increasingly we see that exclusion has become the primary sin skewing our perceptions of reality and causing us to react out of fear and anger to all those who are not within our ever narrowing circle In light of this Christians must learn that salvation comes not only as we are reconciled to God and not only as we learn to

live with one another but as we take the dangerous and costly step of opening ourselves to the other of enfolding him or her in the same embrace with which we have been enfolded by God     *The Covenants of Promise* Dr. David L. Perry, Th.D.,2011-09-16 Of those that even start at Church Most start at a Sunday Church of some kind Some start out at a Sabbath Church Some go on to explore the Hebrew roots of the Christian faith You will soon find that there s a mix everywhere you go the recipes are different but it s a mix nonetheless The Church Sunday Sabbath tend to ignore the OT specifically Torah in favor of the NT But they keep Sunday and Holidays a resemblance of the law ref Lev 23 as if it was the law Most Sabbath Churches keep the Sunday style calender religious Holidays just the same justifying to ignore Yahweh s mow edim The Judeao Christian Church in general has divorced itself from its Hebrew roots And those that do explore the Hebrew roots are faced with another set of un discerned truth and errors Most Messianics are enamored by anything Jewish In this book you will discover the Truth about the Covenant to go forward in your quest for it     **Covenant and Grace: or, a Few thoughts**
