Messages in a Bottle B. Krigstein, 2013-03-20 Bernard Krigstein began his career as an unremarkable journeyman cartoonist during the 1940s and finished it as a respected fine artist and illustrator but comics historians know him for his explosively creative 1950s during which he applied all the craft intelligence and ambition of a burgeoning serious artist to his comics work with results that remain stunning to this day Krigstein's legend rests mostly on the 30 or so stories he created for the EC Comics but dozens of stories drawn for other lesser publishers such as Rae Herman Hillman and Atlas which would become Marvel showcase his skills and radical reinterpretation of the comics page in particular his groundbreaking slicing and dicing of time lapses through a series of narrow nearly animated panels Greg Sadowski who has previously written and designed a Harvey Award winning biography of Krigstein has assembled the very best of Krigstein's comics work starting with his earliest creative rumblings through his glory days at EC to his final even more brilliantly radical stories for Atlas Comics running through every genre popular at the time be it horror science fiction war western or romance but no super heroes

**Honey Cut** Sierra Simone, 2024-06-18 I have one job in this arranged marriage and that's to seduce my husband It should be easy I'm the heiress to a transatlantic fortune bred and raised to make a good match I've spent a lifetime building up my endurance my discipline my dedication to my god and my church The danger lies in falling for the devil who put his ring on my finger a mistake I made years ago and can't afford to make again There is one more danger handsome and green-eyed emotionally wounded Tristan Thomas former soldier and my new husband's bodyguard A hero who stole my heart with salt-soaked kisses on the sea But Lyonesse is not like other places and this isn't like other marriages Soon Tristan Mark and I are tangled in a knot of vicious jealousy and gorgeous wickedness where suspicion is an aphrodisiac and secrets and vows are one and the same And there is something far darker at play than my real purpose than the machinations of the Church I serve Darker even than the twisted longings of my own heart Because my husband has secrets of his own and the reason he'll stop at nothing to possess me could slice my soul deeper than the honeysuckle-hilted knife he gave me once upon a time Because when it comes to Mark Trevena and his games the first cut is more than the deepest it's the sweetest And he always leaves you begging for more Honey Cut is the second book in the Lyonesse Trilogy
