She Is Worthy Encounters With Biblical Women:

She is Worthy Marjorie L. Kimbrough,1994 **The Female Prophets of the Bible** The Rev. Debra Moody Bass PH.D,2018-01-18 This book highlights five female prophets that have prophesied in both the Old Testament and New Testament The book encourages women to accept their calling from God at whatever level God appoints them Too often the female characters in the Bible have all been lumped together under the category women in the Bible This has diminished the role women like Deborah and Anna have played in Gods plan for salvation God is no respecter of persons God uses whom God chooses no matter the gender **A Feminist Companion to Luke** Amy-Jill Levine,Marianne Blickenstaff,2002-07-15 The third volume in this series deals with Lukan themes in feminist perspectives The fourteen essays from an international authorship cover a range of issues including Imperial Masculinity Mary and Asceticism Martha in the Kitchen and Reading Luke 15 with Arab Chistian Women The list of contributors includes Robert Karris Mary Rose D Angelo Brigitte Kahl Turd Karlsen Seim Barbara Reid Teresa Hornsby Ben Witherington III Esther DeBoer Veronica Koperski Loveday Alexander Warren Carter Pamela Thimmes Carol Schersten Lahurd and Maris Luisa Rigato The volume also includes an introduction by the editor and a bibloigraphy **Women Who Knew Jesus** Rev. Dr. Bonnie Ring,2017-08-31 As you come to know each of the women that Jesus knew you may be surprised to discover how quickly your own stories are evoked by hearing theirs and how similar you are to some of them so they become role models for your own journey of faith and witness In each of these encounters you will meet Jesus and come to know him as they did perhaps for the first time To enrich your experience there are questions to ponder and memories of your own to recover These Bible stories help us see parts of ourselves both the parts we like and the parts we would prefer to deny hide or eliminate As you proceed two attitudes will be helpful a willingness to let these biblical women speak with their own voices and an openness to hearing what you may not have heard before These stories can help us uncover the richness of our own stories and see them for the sacred wonder that they are First century mores barred women from interacting with men outside their family or marriage yet Jesus appears to have been unafraid to approach women to listen to them heal them and affirm God s love and acceptance of them Often without a name these women had convictions about Jesus and a sense of security with him that surpassed that of his male disciples Their stories show us that social equality existed among Jesus male and female followers Each woman who met him went away from him changed The existence of so many Biblical stories about women is a sign that the history of God s salvation cannot be told without women s active participation and the life of Jesus cannot be told accurately without the women who encountered him **Women of Destiny** Lisa Tait,2008-05 The purpose of this book is to assist you in discovering your true identity and awaken you to the reality that you are a Woman of Destiny You have been endowed with God given talents and gifts that make you unique and rare It is this uniqueness that blesses the world and enriches the lives of those around you Prepare to tap into your potential and birth the promise that God has placed within you This book is a journey that will

educate and empower you allowing you to respond and fulfill God's destiny for your life Postcolonial Perspectives in African Biblical Interpretations Musa W. Dube, Andrew M. Mbuvi, Dora R. Mbuwayesango, 2024-01-30 This volume foregrounds biblical interpretation within the African history of colonial contact from North Atlantic slavery to the current era of globalization. It reads of the prolonged struggle for justice and of hybrid identities from multifaceted contexts where the Bible co-exists with African Indigenous Religions, Islam, and other religions. Showcasing the dynamic and creative approaches of an emerging and thriving community of biblical scholarship from the African continent and African diaspora, the volume critically examines the interaction of biblical texts with African people and their cultures within a postcolonial framework. While employing feminist, womanist, postcolonial, Afrocentric, social engagement, creative writing, reconstruction, and HIV/AIDS perspectives, the authors all engage with empire in their own ways in specific times, forms, and geography. This volume is an important addition to postcolonial and empires studies in biblical scholarship. The contributors are David Tuesday Adamo, Lynn Darden, H. J. M. Hans van Deventer, Musa W. Dube, John D. K. Ekem, Ernest M. Ezeogu, Elelwani B. Farisani, Sylvester A. Johnson, Emmanuel Katongole, Malebogo Kgalemang Temba, L. J. Mafico, Madipoane Masenya, ngwan a Mphahlele, Andrew M. 365 Meditations for Mothers of Teens Garlinda M. Burton, Sally Sharpe, 1996 Daily encouragement for mothers of teenagers. Twelve Christian writers who contribute: M. Garlinda Burton, Pamela Crosby, Lisa Flinn, Kay C. Gray, Margaret Anne Huffman, Pam Kidd, Anne Killinger, Marjorie L. Kimbrough, LaDonna Meinders, Mary Catharine Neal, Anne Wilcox, and Mary Zimmer Gender and Mission Encounters in Korea Hyaeweol Choi, 2009-11-15 Pathbreaking Approaches: the transcultural and religious encounters of Korean and American women with a remarkable degree of sensitivity and nuance, as well as with judicious use of feminist and postcolonial theory. Its rich and diverse historical examples and illustrations are both engaging to read and meticulously documented. Namhee Lee, UCLA **Deborah's Daughters** Joy A. Schroeder, 2014 Joy A. Schroeder offers the first in-depth exploration of the biblical story of Deborah, an authoritative judge, prophet, and war leader. For centuries, Deborah's story has challenged readers' traditional assumptions about the place of women in society. Schroeder shows how Deborah's story has fueled gender debates throughout history. An examination of the prophetess's journey through nearly two thousand years of Jewish and Christian interpretation reveals how the biblical account of Deborah was deployed against women for women and by women who aspired to leadership roles in religious communities and society. Numerous women and men who supported women's aspirations to leadership used Deborah's narrative to justify female claims to political and religious authority. Opponents to women's public leadership endeavored to define Deborah's role as private or argued that she was a divinely authorized exception not to be emulated by future generations of women. Deborah's Daughters provides crucial new insight into the history of women in Judaism and Christianity and into women's past and

present roles in the church synagogue and society

The Isolated Heart: A Christian Women's Fiction Novel Kayla Lowe, To everyone else Cynthia Bell is living a dream married to a protective charming man in a beautiful countryside farmhouse But dreams can become cages At first Trevor s attention felt like love His concern for her safety his desire for privacy even his control over the little things she mistook it all for devotion But gradually the walls began to close in One by one her connections were severed her church her friends her family And somewhere along the way Cynthia disappeared too Now isolated and silenced she s forgotten what her own voice sounds like Until one dusty afternoon she stumbles across an old Bible in their attic and the words inside awaken something long dormant A whisper of who she used to be A flicker of a God who still sees her In the silence of isolation Cynthia begins to hear truth louder than lies But finding freedom means facing the man who controls every step she takes and trusting the One who never stopped pursuing her heart *The Isolated Heart* is a raw redemptive story about psychological abuse the slow unraveling of identity and the God who reaches into even the most hidden corners to bring His daughters home **A**

Kimbrough,2004 In this companion volume to *She Is Worthy Encounters with Biblical Women* Marjorie Kimbrough examines men in the Bible who in her view demonstrate true strength of character through their acts of selfless compassion In a world where power is typically defined by dominance and self centeredness these biblical men testify to a radically different kind of power and strength In their ability to reach beyond themselves to consider the needs of others and to act on the behalf of others these biblical men demonstrate that their true strength lies in their compassion Suitable for individual reflection or group study each reflection is composed of a brief introduction to the figure key biblical references and reflection questions Each of these fifty character sketches not only introduces you to the lives of these biblical men but also helps you imaginatively put yourself in the characters situations and examine your own capacity for compassion Book jacket *Marriage in Every Book of the Bible* Karen F. Norton,2023-01-25 Marriage must be on your mind Otherwise why would you be reading this back cover Perhaps you re engaged or a newlywed or a marriage pro regardless God s Word contains all the information you need about how to have a godly and successful marriage Do you know that every single book in the Bible has something to say to us today about marriage Most of us know the familiar passages like 1 Corinthians 7 and Ephesians 5 But in every book Yes instructions for a godly marriage abound from cover to cover And why does God put such great emphasis on marriage Because He uses the metaphor of marriage to illustrate His boundless love for the children of Israel in the Old Testament This intense love moves into the New Testament personified in the heavenly bridegroom s unconditional love for His bride the church From the moment God created the institution of marriage in Genesis 2:24 to the ultimate consummation in Revelation 19:7 we sense His exceedingly abundant love and concern for marriage Since marriage originated with God and was ordained by Him as a good thing for mankind it is imperative that we listen to His words more than anyone else s *Marriage in Every Book of the Bible* is excellent for personal study or can be used in a classroom or group
