natives King Solomon's Mines even includes an interracial romance Haggard penned several popular novels while traveling to various parts of the Empire in the cause of land reform and like many Victorians dabbled in spiritualism and the paranormal Haggard's most enduring characters Allan Quatermain and Ayesha were brought together in She and Allan Haggard's last major work **King Solomon's Mines Annotated** Henry Rider Haggard, 2021-05-22 King Solomon's Mines 1885 is a popular novel by the English Victorian adventure writer and fabulist Sir H Rider Haggard It tells of a search of an unexplored region of Africa by a group of adventurers led by Allan Quatermain for the missing brother of one of the party It is one of the first English adventure novels set in Africa and is considered to be the genesis of the lost world literary genre
