

A young woman with long, wavy brown hair is the central figure. She is wearing a grey, long-sleeved hoodie that is pulled up over her head, and olive green leggings with a dark camouflage pattern. She is looking back over her right shoulder at the camera with a slight smile. The setting is a room with a light-colored wooden plank ceiling. To her left is a window with a black frame showing green foliage outside. To her right, there is a white shelf with several green indoor plants, including a large trailing plant. A white electrical outlet with a cord plugged into it is visible on the wall below the shelf. The word "dedicated." is written in a white, serif font across the middle of the image, partially overlapping the woman's hoodie.

She's Got The Look Leslie Kelly, 2008-03-01 Echoes in the Darkness Cheryl Shoquist, 2009-07-06 Cheyenne's body suddenly without warning began turning against her with fierce and haunting attacks of ravaging pain and fear ripping through her with such vengeance that with each onslaught she thought that she was surely losing her mind It wasn't her mind that she was losing though it was her mind and memory that she was gaining as her subconscious was battling to give her

consciousness the details of a past so traumatic that her conscious couldn't deal with the reality and stored all of the horror into the subconscious memory bank away from the devastation that the knowledge would have caused her. She had been safe for many years until recently when out of nowhere a juggernaut jolted her subconscious and cracked open the contents as it struggled to come out of hiding to wreak havoc once more on the mind and soul of the quiet sullen and withdrawn Cheyenne. With the emotional storm at hand trying to crest Cheyenne began investigating her own hauntings only to find out the truth about herself and what her deceiving parents had tried to keep buried for so long. With each clue and truth others did whatever they could do to stop her from discovering her past and finding out who was responsible. Her reward at the end of this treacherous journey was a great love, the conviction of those who tried to destroy her, and a very special person enters her life. A very poignant story.

The System Bedlam Starr, 2018-01-17 Every year thousands of children are involved with the most challenging and terrifying system in existence. This system has produced some of the most prosperous well-respected highly successful adults this country has ever known. But unfortunately this same system has also produced some of the grimmest most depraved psycho and sociopathic adults to ever walk in our society. These have become murderers rapists child molesters drug and alcohol abusers pushers and prostitutes. This system known as the foster care system has been a part of our community for generations. In Georgia alone there exists over three thousand six hundred foster homes in which almost ten thousand children reside. Of these thousands have been placed in therapeutic environments due to severe emotional damage. We will explore the lives of three different families and their integration with the system. We will also expose the system for all that it is: the good, the bad, and the ugly.

People of the Streets Tony Parker, 2013-08-13 People of the streets, you become aware of them and wonder who and what they are, what kind of lives they have and what living them means. First published in 1968, *People of the Streets* was Tony Parker's sixth book for which he spent a year approaching and interviewing people in London who were living their daily lives on street corners, along gutters, or in subways. With his usual skill, he coaxed them out of their natural reticence, born of solitude, into an unfamiliar but hugely illuminating spontaneity. In Parker's books, the strength lies in the interpretive mind of the writer. He is a sociologist studying single cases in some depth and shows qualities of imagination shared by the historian and the biographer: a mixture of intelligence, sympathy, and empathy. TLS

Diamond's Pearl D. M. Cummings, 2010-08 Diamond always felt she had to have a man in her bed; it didn't matter whose, as long as they kept her sexually satisfied. Diamond had a baby at a young age, and her mother didn't allow her to do anything but take care of her daughter Nikki. Once Diamond moved out, she went "buck wild" and was sleeping with anything that looked like a stick and was given more than she bargained for. She was given several chances; she even moved to Ohio for a better life, but will she learn?
