Patrick Miller,2011-11-23 This comprehensive introduction to the grassroots phenomenon A Course in Miracles covers the book s role in America s changing spiritual landscape investigates its origins and history and explains

its principal tenets and philosophies Weaving together extensive research and student perspectives journalist D Patrick Miller sheds light on the provocative and oft misunderstood text An examination of the teachings and influence of A Course in Miracles one of the most popular and controversial texts in contemporary spirituality With a new foreword by Iyanla Vanzant Covers common questions such as What exactly is the Course Is it Christian Buddhist New Age or something else entirely How did the author channel the message More than two million copies of A Course in Miracles available worldwide in 19 languages with thousands of study groups devoted to it From the Trade Paperback edition     *Ordinary Miracles* Angela Dudley,2011-10-31 We walk to God how wondrous our task Simple truth no questions left to ask We walk to God an awesome holy thing Our open hearts are all were asked to bring Ordinary Miracles is an oxymoron in a world where peace seems unreliable and prayers seem unanswered But what if the real world exists where miracles are the norm Miracles of joy and forgiveness always occur within our minds and their external form may or may not be apparent to us However since miracles always come from love they always offer an inner experience of bliss The love that causes miracles is only ordinary because it is always present within us Miracles are ordinary because they are our true nature not a bonus that was earned by someone extra ordinary No matter how successfully weve hidden our inner spark of love it remains with us always the truth of who we are always awaiting our consent to offer miracles The poetry of Ordinary Miracles is the authors response to the inner Voice for God what she calls the Holy Spirit Inspired by A COURSE in MIRACLES these poems celebrate the truth that we always have a choice to invest ourselves in thoughts of kindness rather than criticism happiness rather than sorrow But whatever we choose we cannot change the magnificent reality of what we are The poems are written as an acknowledgment that the Voice for God offers a very personal relationship with each of us The Voice for God is always patient always answers always loves us and to our little effort adds the strength of God In the COURSE Jesus reminds us Love waits on welcome not on time Text chapter 13 The most profound journey we each make is to that place within where God patiently awaits our certain return
