Sinha,2012-03-12 What happens when the political drama that unfolds in the country s corridors of power spills over to a complicated personal bond between three young people Aditya like the Congress party he belongs to tends to be elitist and aristocratic Brajesh Ranjan like his party the BJP swears by an overtly nationalist agenda and Chaitali Sen like the CPI M she represents swears by the underpowered In this page turning book set in the thick of political party manoeuvring and against the backdrop of India s nuclear deal the author writes a riveting story about love and relationships that are made and broken by the ideologies of the political parties that each of these three protagonists represent It takes a horrific incident like 26 11 to make each of them realize the shortcomings of the parties they swear by and to look at the larger picture Wallis in Love Andrew Morton,2018-02-13 For fans of the Netflix series *The Crown* and from the author of the New York Times bestseller *17 Carnations* comes a captivating biography of Wallis Simpson the notorious woman for whom Edward VIII gave up the throne You have no idea how hard it is to live out a great romance Wallis Simpson Before she became known as the woman who enticed a king from his throne and birthright Bessie

Wallis Warfield was a prudish and particular girl from Baltimore At turns imaginative ambitious and spoiled Wallis s first words as recalled by her family were me me From that young age she was in want of nothing but stability status and social acceptance as she fought to climb the social ladder and take her place in London society As irony would have it she would gain the love and devotion of a king but only at the cost of his throne and her reputation In Wallis in Love acclaimed biographer Andrew Morton offers a fresh portrait of Wallis Simpson in all her vibrancy and brazenness as she transformed from a hard nosed gold digger to charming chatelaine Using diary entries letters and other never before seen records Morton takes us through Wallis s romantic adventures in Washington China and her entrance into the strange wonderland that is London society During her journey we meet an extraordinary array of characters many of whom smoothed the way for her dalliance with the king of England Edward VIII Wallis in Love goes beyond Wallis s infamous persona and reveals a complex domineering woman striving to determine her own fate and grapple with matters of the heart *Tears of Love* Wilfred Oyem,2022-05-30 Everybody wants freedom Every nation wants freedom Every organisation wants freedom The press wants freedom From the Garden of Eden to the present day the quest for freedom continues unabated Yet no one has been able to define what freedom really is That makes freedom subjective to individual or societal perception The British Press one of the freest and most powerful in the world has its own perception of freedom And when professed press freedom colludes with perceived society freedom in the climate of political correctness there can only be one result The result is what this book is all about and makes it a must read book for everyone because the British media has the power to influence and alter your perception We know that today s world thrives on information And the speed of information flow is what makes today s world a global village The British media has been at the forefront of global information and has its tentacles spread all over the world However its world view is solely a reflection of British society Thus a globalised world is cocooned into British societal values and norms So somehow you are affected by the freedom experiment originating from Britain *Love on the Vine* Roxanne Smith,2017-07-18 Love is in bloom Straightforward Kay Bing has never been one for subterfuge although she did embellish her resume just a bit to land a design job at Free Leaf Concepts a cutting edge botanicals firm Determined to make a good first impression she s exploring the highly secure company greenhouse when her assistant the much too attractive Oliver Pierce confides that he s actually working undercover to investigate whether Free Leaf has created a potent new street drug Kay doesn t believe it for a minute until someone plants designer mushrooms in her salad Suddenly she and her sexy colleague are teaming up to unearth the roots of a dangerous operation Oliver not only has a personal stake in the investigation his entire career in law enforcement is on the line Stubborn sensible Kay is a distraction he can t afford but as they dig deeper into the case they discover a chemistry that s too heated to deny When even one wrong move could be deadly Oliver may have to risk it all to keep Kay from harm and convince her they should be partners for good **Twisted Forms of Love** Sarah Salem,2014-08-27 Can you imagine being part of a big dysfunctional family and having absolutely no one to

nightmarish families and oppressed factory workers his claustrophobic narratives depict a spiritually bankrupt society periodically rocked by spasms of uncontrolled violence For example *I Love Dollars* a story about casual sex in a provincial city whose caustic portrayal of numb disillusionment and cynicism caused an immediate sensation in the Chinese literary establishment when it was first published The novella's loose colloquial voice and sharp focus on the indignity and iniquity of a society trapped between communism and capitalism showcase Zhu Wen's exceptional ability to make literary sense of the bizarre ideologically confused amalgam that is contemporary China Julia Lovell's fluent translation deftly reproduces Zhu Wen's wry sense of humor and powerful command of detail and atmosphere The first book length publication of Zhu Wen's fiction in English *I Love Dollars and Other Stories of China* offers readers access to a trailblazing author and marks a major contribution to Chinese literature in English
