years ago little Johnny asked his aunt a very important question How does Santa know Jesus It's the age old question asked by child and adult alike As we walk the malls seeing Santa workshops all about us and we go to church to hear of Christ's birth we ask how they fit together The man known by many names but most common as Santa Claus has found himself merged into one of the most powerful and beautiful holiday celebrations known to man There has been much speculation as to whom he really was or how he came about but in fact nobody really knows until now This is the story of a young Norseman named Kris Kringle His journey across the Ice sea and foreign lands as he follows a star that shows bright in the sky A man of faith and virtue Kris is guided by God angels elves and that beautiful star to meet a child who is to be born in a stable Being called by God to witness this miraculous event is not the only tale to be told in young Kris's story He must meet strange people learn of different cultures stand face to face with his past and find mystical creatures really do exist He must discover what he believes and does not believe In the end all he can hope is you hear his story feel the love poured into the pages before you and share that love When Christmas day comes and you see the presents under the tree perhaps your first thought will be of one September night long ago when a young toy maker witnessed the birth of the son of God **The Love of Women**
