K.H. Wolff, 2012-12-06 Surrender and catch give so you can receive where the giving is your whole self in a total experience This is scarcely new on the American scene and it is ancient knowledge East and West The fears of total surrender the fears of self revelation and of total abandon although genuine are likewise not new Yet Kurt H Wolff does attempt something new here an epistemological essay with the help of this old idea his subtitle is experience and inquiry today He tries to formulate an integrated view which incorporates in the theory of total experience not only the accepted component esthetics religion the recent American experience but also a metaphysics a phenomenology a theory of perception a social philosophy and a methodology of the social sciences even a philosophy of history and psychopathology Phenomenology especially Alfred Schutz the critical Frankfurt school especially Adorno and Marcuse sociology especially Georg Simmel and existentialism

especially Camus are tied in together It all looks topsy turvy at first We have here scraps of a diary fragments of correspondence a stray adolescent love letter notes on notes on field work and notes and comments on tutorial seminars plus long excerpts from students essays a stray paper in a learned journal summarizing the core of the book comments piled on comments and a web of self references literary criticisms and pieces of poetry plus a rich scholarly apparatus

Bonhoeffer and Christology Matthias Grebe,Nadine Hamilton,Christian Schlenker,2023-05-18 The key question this volume addresses is how does Bonhoeffer s thought help to re dis cover the doctrine of Christ s two natures and one person and understand and renew it in its significance for a modern post metaphysical and secular world The volume takes a fresh look at Dietrich Bonhoeffer s Christology and brings it into a fruitful dialogue with current Christological debates In a multi perspectival pluralistic world Bonhoeffer s thinking offers a productive basis for conceptually incorporating the openness required for this task into academic theology Bonhoeffer s theology offers a starting point for the recovery of a productive Christology that reflects the plurality of the globalized world as Bonhoeffer s Christology begins precisely with this integration into worldly reality whereby the world is understood in its plurality and polyphony In this way he characterizes his enterprise as follows What keeps gnawing at me is the question what is Christianity or who is Christ actually for us today DBWE 8 362 Accordingly it opens itself up not only to inner Christian discussion but also to non Christian worldviews from which a basic ethical demand follows

Surrendered Sexuality Juli Slaterry,2025-07-01 The purpose of our sexuality is not self discovery but to understand God s love Christians are confused about God s views on sex and intimacy We don t know what to do with our temptation shame brokenness longings or desires Even Christian churches and families are divided in the nuances of sexuality neglecting Jesus call to be unified as His body Surrendered Sexuality provides a clear biblical understanding of our sexuality and the transformational power of Christ Readers discover how Jesus gave His life not primarily to change behavior but to renew our identity which is rooted in our union with Christ not our wounds feelings desires past or present sins or purity We re living amid tremendous cultural

confusion and pain But we won't be able to offer life and hope without the fire of God's love first passing through us Juli provides the biblical wisdom and encouragement we all need *Redeemed in the Name of Love* Leonard D.

Lister,2010-05-28 Every day is a blessing Even when a storm approaches life takes a turn but as God promised we will always see the rainbow after the storm stretched out through the clouds God knows what we can handle but sometimes we forget what God can handle As a father to a son and a mother to a daughter love and faith is so strong and merciful God is mercy and love gentle but strong he brings joy and correction and he comforts the soul and gives correction I feel that God has brought me through the trails and walked with me through many storms to see who I was before I could see that which is ahead Love From Above Hear My Cry and now Redeem In the Name of Love has centered my heart even more towards God and His Son Jesus Christ As much as we try to find love as we try to live a perfect life and as we try to become that perfect christian we find that we need God even more God has blessed me with so much but I still fall short of His glory my heart burns with the desire to love Him that loved me first God told me to keep my eyes on him I pray that God continues to use me and these poems to touch your heart as they have touched mine *Love Yourself Lightly* Kristen Barrett

Mattern,2017-09-06 While receiving messages from deceased loved ones angels and guides Kristen worried that she might be judged or criticized for departing from her accepted childhood beliefs But soon she was comforted and healed and began to recognize the loving nature that the messages brought forth as the truth of who we are After meeting her Spirit Guides she learned that the messages of self love would be essential in these changing times Kristen was raised in a religious group that focused heavily on a pending apocalypse She wondered if she was pleasing to the god that was looking for obedient followers to save in the end times Unworthiness plagued her into her adult years as she longed to find love in others Love Yourself Lightly is a series of channeled prayers that warm the heart and honor our physical non physical existence These brief but powerful messages will take you on a journey into the real you **Die to Love** Unmani Liza Hyde,2011-06-16 This is book is for those who have been genuinely searching and longing for awakening or the truth Die to Love directly points the reader to the end of the spiritual search once and for all I am not trying to help you If you read this book I will simply destroy you And who am I I am you I am Life itself Die to Love explores the desperate longing for love and surrender that so many people feel But are we willing to lose everything that is familiar and safe in order to know that love that we long for Are we willing to die for love This is the death not of the body but of the identity called me Unmani looks at what it is to fall in love and how in moments of intimacy there is no separation Two merge and become one Two separate individuals know that they can never be separate There are also chapters on relationships and the madness of love as well as unconditional and conditional love and what compassion really is *The Heart Sutra* Osho,2014-09-09 The Heart Sutra originally a very short set of verses was given in privacy It was a message to one of Buddha's close disciples Sariputra and was specifically addressed to him Over time the Heart Sutra became one of Buddhism's core teachings In these ten talks Osho presents the

powerful message of these ancient words and brings them to a modern audience one with different minds and needs than the original audiences of Buddha more than 2 500 years ago Osho s message is not about Buddha the historical figure instead he addresses his readers and listeners and encourages them to discover their own inner reality their own buddhahood Like Buddha s Osho s message is about meditation and meditation alone rely only on your meditation and nothing else Osho also speaks on the seven chakras the energy centers of the human body and their corresponding relationships to the physical psychosomatic psychological psychospiritual spiritual spiritual transcendental and transcendental aspects of human growth and consciousness
