## **Loving More The Polyfidelity Primer:**

**Loving More** Ryam Nearing,1992      *Fifty Years of Polyamory in America* Glen W. Olson,Terry Lee Brussel-Rogers,2022-11-11 A tour of polyamory in America over the last 50 years *Fifty Years of Polyamory in America* A Guided Tour to a Growing Movement is unique among the many books about polyamory because the scope of this book is the entire history of the polyamory movement Instead of concentrating on the experiences of a few people exploring alternate lifestyles it is an exploration of two generations of Americans the people and the organizations they founded what they have chosen to do and how it has changed their lives and affected the culture as a whole Written in an entertaining and easily accessible style the authors cover the history of alternative sexual relationship styles starting with a quick peek at colonial times the Mormon and Oneida movements of the 1840s 70s and modern day influences starting in the 1950s Polyamory literally many loves challenges the relationship norm monogamy As its name suggests polyamory typically refers to emotional sexual relationships that include multiple partners Common applications of polyamory include open marriages triad three people two couple four people marriages and larger groups like intimate networks Swingers are a subset of non monogamy who often identify as poly Throughout the course of *Fifty Years of Polyamory in America* we explore the history of the polyamory movement from clinical definitions and attempts at psychiatric treatment to the advent of advocacy groups in the 1960s and 70s to contemporary practitioners and the future of the movement A wide range of personal stories from advocates and practitioners guides the narrative to the modern day highlighting the struggles and successes of the movement throughout the years      *The Lesbian Polyamory Reader* Marcia Munson,Judith Stelboum,2013-10-18 In reading *The Lesbian Polyamory Reader* Open Relationships Non Monogamy and Casual Sex you ll quickly discover that the steps toward love and happiness are as easy as 1 2 3 and maybe even 4 or 5 And you ll find that if your own lesbian relationship lies outside the traditional monogamous couple model you re definitely not alone You ll explore many multifaceted and multifarious love relationships each one applicable to your own liking if you so choose You ll find successful models of relationship styles regardless of your own orientation from cover to cover and you ll discover the pleasing polyphony in the many many female voices of authorities on love and love relationships Whereas other similar studies project the limited view of one or two authors *The Lesbian Polyamory Reader* calls upon a broad scope of writers professional women and academics alike You ll see that outside the gay rights movement that currently pushes for a traditional monogamous marriage model of gay couplehood there lies pleasing multiplicity in the arms and hearts of lesbians worldwide Specifically this collection offers first person articles stories that describe a variety of lesbian experiences relating to multiple lovers in the 1970s 80s and 90s how to articles descriptions of the various polyamorous relationship configurations including ways of dealing with jealousy theoretical pieces the history of multiple relationships the social implications of practicing a love style other than monogamous coupling and safer sex considerations Much much more than a book on personal satisfaction *The Lesbian*

Polyamory Reader also focuses on the social implications of this love phenomenon bringing it into a more inclusive circle of discussion for lesbians educators and students of sociology and sexology You ll find satisfaction in seeing the love so many lesbian women have achieved by not mimicking the marriage model of living      **Families - Beyond the Nuclear Ideal**

Daniela Cutas,Sarah Chan,2012-01-01 This book discusses the theory that alternative relationship and family structures challenge the privileged status of the nuclear family as the preferable mode of family life for all and the one to be endorsed and encouraged by society      **Affirmative Psychotherapy with Bisexual Women and Bisexual Men** Ronald C.

Fox,2014-01-14 Learn the latest practicaland bisexually affirmativeapproaches to helping bisexual clients Clinical work with bisexual clients has conceptually shifted beyond the exclusive emphasis on either straight or lesbian and gay issues There are still however too few psychotherapists who provide affirmative psychotherapy specific to bisexual concerns Affirmative Psychotherapy with Bisexual Women and Bisexual Men addresses the issues of bisexuals with an accepting and affirmative perspective providing therapists with the latest viewpoints strategies and research to effectively treat bisexual clients Leading authorities with affirmative to bisexuals perspectives discuss problems specific to bisexuals and their lifestyles with an eye toward providing practical effective therapy Unique bisexual lifestyle concerns are examined such as transgender issues polyamory older bisexual women and men and cultural differences while providing an emphasis on cultivating well being and a sense of community in bisexual clients Affirmative Psychotherapy with Bisexual Women and Bisexual Men sensitively avoids the double standard long held by therapists clinically treating heterosexual or lesbian and gay individuals showing that an affirmative viewpoint is valid and crucial for the effective treatment of bisexuals This source clearly explains practical strategies and discusses the latest research on bisexual issues such as age culture heterosexual and bisexual mixed couples and the polyamorous lifestyle with appropriate acceptance and understanding The book also explores useful ways to develop successful health and support services specific to bisexual needs Topics in Affirmative Psychotherapy with Bisexual Women and Bisexual Men include affirmative psychotherapy techniques specific to bisexual women and bisexual men need for validation of bisexuality ways for clients to come to terms with their bisexuality practical valueand shortcomings of the main therapeutic schools in providing effective psychotherapy transgender bisexuality with illustrative case studies needs and issues of African American bisexual clients bisexual aging issues counseling heterosexual spouses of bisexual women and men therapy approaches for clients who are bisexual and polyamorous recognizing and addressing the specific needs of different sub groups of bisexual people and more Affirmative Psychotherapy with Bisexual Women and Bisexual Men is a crucial addition to the literature of bisexual psychotherapy and is invaluable to counselors psychotherapists marriage and family therapists social workers psychiatrists sex therapists researchers and educators in the fields of psychology sociology anthropology sexuality sex education adolescent and adult development and community mental health      Opening Up

Tristan Taormino,2008-05-01 A practical guide to making sexually open arrangements work outlines options for transforming

monogamous relationships into effective polyamorous ones in a reference that addresses such topics as boundary setting child raising and conflict resolution Original Exploring Intimacy Suzann Panek Robins,2010-01-16 Building off the idea that when we are happier we tend to be healthier Robins explains the phenomenon of how our intuitive knowing fosters healthy relationships that contribute to our physical mental and emotional health Readers learn to utilize a variety of pathways that will change their responses to others and will produce lasting more rewarding and closer relationships in all areas of their lives This book is designed to aid readers in looking inward and experiencing how their intuitive sixth sense informs their ability to be intimate without the negative triggers of past experiences Through a considered and thoughtful approach Robins offers insight into cultivating a truly integrated self so that one may lead a more fulfilling and healthful life

*Sex, Love, and Marriage in the 21st Century* Robert T. Francoeur,Martha Cornog,Timothy Perper,1999 Love sex and marriage are changing faster than ever before in human history The current tidal wave of social changes will continue into the next century and we will have to adapt our sexual values and relationships to these accelerating changes These 22 honest authentic stories tell of the unconventional paths pioneering church leaders and spiritually aware women and men have taken in their quest to link their sexuality with their spiritual needs Some might see in these unorthodox explorations only tales of promiscuous couplings But these are not stories of wild thrill seekers These are tales told from the core of their being about their deeply felt need for genuine responsible love and intimacy within a spiritual context Their journeys do not promise paradise or instant happiness as popular magazines do with recipes for lifelong marital bliss and fiery passion These sojourners have much to teach us even when we decide that this or that path is not for us Their individual paths are not nearly as important as the simple message of God and Eros being inseparable that underlies journey God and Eros can come together in many different relationships And they must come together if we want to nourish and fulfill the divine spark at the core of our being These women and men challenge our assumptions and our willingness to adapt to our radically changing world

**The Polygamy Question** Janet Bennion,Lisa Fishbayn Joffe,2016-03-01 The practice of polygamy occupies a unique place in North American history and has had a profound effect on its legal and social development The Polygamy Question explores the ways in which indigenous and immigrant polygamy have shaped the lives of individuals communities and the broader societies that have engaged with it The book also considers how polygamy challenges our traditional notions of gender and marriage and how it might be effectively regulated to comport with contemporary notions of justice The contributors to this volume scholars of law anthropology sociology political science economics and religious studies disentangle diverse forms of polygamy and polyamory practiced among a range of religious and national backgrounds including Mormon and Muslim They chart the harms and benefits these models have on practicing women children and men whether they are independent families or members of coherent religious groups Contributors also address the complexities of evaluating this form of marriage and the ethical and legal issues surrounding regulation of the practice including the pros

and cons of legalization Plural marriage is the next frontier of North American marriage law and possibly the next civil rights battlefield Students and scholars interested in polygamy marriage and family will find much of interest in *The Polygamy Question* Contributors include Kerry Abrams Martha Bailey Lori Beaman Janet Bennion Jonathan Cowden Shoshana Grossbard Melanie Heath Debra Majeed Rose McDermott Sarah Song and Maura Irene Strassberg **Understanding Non-Monogamies** Meg Barker, Darren Langdrige, 2010-02-02 Most social scientific work on intimate relationships has assumed a monogamous structure or has considered anything other than monogamy only in the context of infidelity Yet in recent years there has been a growing interest among researchers and the public in exploring various patterns of intimacy that involve open non monogamy This volume gathers contributions from academics activists and practitioners throughout the world to explore non monogamous relationships Featuring both empirical and theoretical pieces contributors examine the history and cultural basis of various forms of non monogamy experiences of non monogamous living psychological understandings of relationship patterns language and emotion the discursive construction of mono normativity as well as issues of race class disability sexuality and gender This volume will be of interest to academics and practitioners working in the social sciences and anyone who is seeking greater insight into the intricacies of non monogamous relationships

*Bisexuality and Same-Sex Marriage* M. Paz Galupo, 2014-06-03 In our society the argument for or against same sex marriage becomes even more heated when the debate turns to bisexual women and men *Bisexuality and Same Sex Marriage* thoughtfully explores this debate from a wide range of interdisciplinary perspectives presenting respected scholars from fields as diverse as American Studies Communication Criminology Human and Organizational Systems Law and Social Policy LGBT Studies Organizational Behavior Psychology Sociology Women s Studies and Queer Studies This clear viewed volume is organized into three perspectives theoretical research and personal that frame the debate from a macro to micro level of analysis This book goes beyond the intense acrimony and divisiveness to rationally examine the issue from various viewpoints and through the latest research This informative text presents and analyzes in depth the current findings and the diverse LGBT and straight perspectives on the issue This insightful resource discusses in detail personal views the latest theories and is extensively referenced *Bisexuality and Same Sex Marriage* is an essential volume for LGBT studies professionals psychologists counselors educators students and interested general public This book was published as a special issue of the *Journal of Bisexuality* **The Jealousy Workbook** Kathy Labriola, 2013-09-13 From the initial stages of trying to agree who can do what with whom through advanced issues such as coping with logistics and seeking compersion every relationship sooner or later confronts jealousy and some relationships do not survive the confrontation Between these covers you will find forty two exercises with supporting text developed by a professional relationship counselor and refined by hundreds of clients trying to find their own paths through jealousy They range from basic Exercise Two Clarify Your Relationship Orientation through challenging Exercise Thirty Four Imagine Looking Through Their Eyes and Being In Their Shoes All can be done solo

with a partner or under the supervision of a helping professional and all can be done before a problem emerges or in the throes of a jealousy crisis Along the way you will find solutions to the issues that bedevil even the most happily open relationships

**In Defense of Plural Marriage** Ronald C. Den Otter,2015-05-28 This book outlines the constitutional argument in favor of plural marriage in the United States

**Pagan Polyamory** Raven Kaldera,2005 The term polyamory describes non monogamous relationships based on honesty and affection Presenting a fascinating peek inside the polyamorous lifestyle from a Pagan perspective Raven Kaldera offers practical insight and spiritual depth into a vastly misunderstood way of life Relating polyamory to astrology and the elements air fire water earth and spirit the author addresses all aspects of the polyamorous life including family life sexual ethics emotional issues proper etiquette relationship boundaries and the pros of cons of this lifestyle Kaldera also discusses polyamory as a path of spiritual transformation and shares spells rituals and ceremonies for affirming one s relationships and spirituality

*The Polyamorists Next Door* Elisabeth Sheff,2013-11-26 Marriage and monogamy are not what they used to be and today many couples are opting to start families before getting married or deciding not to get married at all At the same time gay couples in states that recognize same sex marriage are getting married in droves Some people prefer non monogamy and have relationships that include swinging and polyamory The landscape of American marriage and relationships is changing and a variety of family systems are developing and becoming more common The Polyamorists Next Door introduces polyamorous families in which people are free to pursue emotional romantic and sexual relationships with multiple people at the same time openly and with support from their partners sometimes forming multi partner relationships or other arrangements that allow for emotional and sexual freedom within the family system In colorful and moving details this book explores how polyamorous relationships come to be grow and change manage the ins and outs of daily family life and cope with the challenges they face both within their families and from society at large Using polyamorists own words Dr Elisabeth Sheff examines polyamorous households and reveals their advantages disadvantages and the daily lives of those living in them While polyamorous families are increasingly common fairly little is known about them outside of their own social circles or of the occasional media sensationalism This book provides information that will be useful for professionals with polyamorous clients educators who wish to understand or teach about polyamory and especially people who wish to better understand polyamory themselves or explain it to their potential partners adult children or in laws

**Bisexual Resource Guide** Robyn Ochs,2001 This guide lists 352 bi groups and 2129 bi inclusive groups in 66 countries and includes bibliographies an annotated list of recommended films advertising photos quotes cartoons and an electronic resources section

**Border Sexualities, Border Families in Schools** Maria Pallotta-Chiarolli,2010-05-16 The first book of its kind internationally Border Sexualities Border Families in Schools explores the experiences of bisexual students mixed sexual orientation families and polyamorous families in schools For the first time a book foregrounds the voices and experiences of these students and families who are falling into

the gaps or on the borders of a school's gay/straight divide in anti-homophobia policies and programs and schools recognizing families as meaning either heterosexual couples or increasingly homosexual couples. Drawing from interviews and online research with students, parents and teachers as well as providing a comprehensive overview and analysis of international educational and health research and media/popular cultural texts, this book addresses the following: what are the problematic and/or empowering experiences and strategies of bisexual students, multisexual and polyamorous families in educational systems; what could schools be doing to promote healthy sexual, emotional and social relationships for bisexual students and multisexual/polyamorous families in school communities; what recommendations/implementations do bisexual students and multisexual/polyamorous families suggest in regard to school curriculum, school policies and student welfare in order to acknowledge and support family diversity in school communities. In particular, the research findings which are reported in this book show that border sexualities and border families use three types of strategies: passing or normalization and assimilation in school settings; bordering or negotiation and navigation between the private world of home and public world of school; and polluting or non-compliance and resistance, thereby outing their sexualities and families within the school world. Within a social deconstructionist, multicultural, post-colonial, feminist, queer theoretical framework, this book spans health education, sociology, psychology, gender, family, sexuality and cultural studies.

**Philosophical Foundations of Children's and Family Law** Elizabeth Brake, Lucinda Ferguson, 2018-03-02 This volume brings together new essays in law and philosophy on a broad range of topics in children's and family law. It is the first volume to bring together essays by legal scholars and philosophers for an integrated critical analysis of key issues in this area, marking the coming of age of a comparatively new field of family law. Debates in children's and family law are at once theoretical and empirical in nature. Not only does children's and family law have significant consequences for individuals' intimate lives, the field's impact on lived experience highlights the socially constructed nature of law. Approaching this area of law often involves exploring a legal concept familiar from daily life, such as the very notion of marriage or family, and examining it within its social, economic and historical context. The normative basis for law regulating intimate personal and family life extends beyond any narrow legal philosophy or social context to its broader foundations in theories of morality or justice. The chapters included bring together a representative and broad range of pieces that engage with long-standing and contemporary debates. A wide range of perspectives is represented on topics such as same-sex marriage, polygamy and polyamory, alimony, unmarried cohabitation, gestational surrogacy and assisted reproductive technologies, child support, parental rights and responsibilities, children's rights, family immigration, religious freedom and the rights of paid caregivers. There is also philosophical discussion of concepts such as care, intimacy and the nature of family and family law itself.

**The Spectre of Promiscuity** Christian Klesse, 2016-03-03 Wide-ranging research suggests that partners in gay, male and bisexual relationships do not necessarily expect monogamy or see it as an important issue. Although the frequency of gay, male and bisexual non-monogamous

partnerships tends to be widely acknowledged in social science literature these relationships have rarely been explored in more detail By providing rich empirical data thoughtful analysis and theoretical debate this book makes a significant contribution to the sociological literature on sexual and intimate relationships More specifically it explores the diversity of gay male and bisexual relationship practices in the context of heteronormative citizenship and intra social movement conflict and highlights the complexity of power relations that circumscribe queer people s relationships and sexual lives Written in an accessible and engaging manner *The Spectre of Promiscuity* provides important insights for further studies on sexual culture discourse citizenship politics and ethics

*Relax, It's Just Sex* Leslie Spurr Ph.D., 2017-05-18 Surveying the many forms of non possessive intimate relationships this book explains how these alternative lifestyle arrangements work psychologically and describes the benefits and risks for those involved within contemporary contexts such as swinging threesomes polyamory and recreational sex clubs The thought that one could have sex with outsiders with the consent and support of your spouse or significant other and still love and make love with your primary partner is a radical notion for most men and women And yet an increasing number of married and unmarried couples are doing just this and their relationships are flourishing as a result

*Relax It s Just Sex* Understanding Non Possessive Intimate Relationships examines a relatively new form of intimate relationship that is increasingly popular among contemporary couples and singles The book introduces the term non possessive intimate relationships and shows from a psychological perspective how these arrangements work emotionally and cognitively for the individuals involved Licensed clinical psychologist and relationship therapist Leslie Spurr PhD explores the psychologically issues involved and then takes a close look at various examples of the non possessive intimate relationship style within several mostly covert contexts in which relationship partners agree to provide each other with the freedom to engage intimately with outsiders Written in a nontechnical accessible style *Relax It s Just Sex* uses humor and references to popular culture including films novels and songs to engage the reader in content that is primarily informative but also entertaining This important and eye opening book makes clear the significance and reasons for the growing popularity of the non possessive intimate relationship phenomenon and explains why and how this lovestyle may constitute a sexual revolution
