First Phil McGraw, 2013-01-29 Do you feel that your family is not what it used to be or what it has the potential to be Do you worry that the parenting decisions you re making today may be scarring your child for life Do you sometimes feel you are in a tug of war with the world over who will shape your child s values and beliefs With Family First Your Step by Step Plan for Creating a Phenomenal Family Dr Phil offers a new classic on family life and gives parents real answers and a plan for being the most positive and effective parents possible Starting right now you can begin to make realistic choices and take day to day actions that can make your family phenomenal You must decide that you will lead your family with strength and love and that peace and joy are not just for the people next door or on TV They re for your family In Family First Dr Phil gives it to parents straight even in this fast paced world your family should be the center of your life and your child s life Parenting is the most important and noble act you will ever undertake yet American families are threatened like never before from the inside as well as the outside many of us fight too much don t get involved enough in our children s lives or get bogged down in life s daily struggles instead of keeping our eye on the big picture of our family s well being Dr Phil has been working with families for over twenty five years to help them repair the fissures that have fractured their home lives In Family First he provides a proven action plan to help parents determine the strengths and weaknesses of their parenting style His seven tools for purposeful parenting cover the most important elements for any parent parenting for success for the purpose of raising cooperative caring and competent children Exercises scripts assessments solutions for specific problems and precise directions for implementing the steps you need to take are all included in this landmark work Dr Phil shows parents how to make changes now how to put a stop to your children s tantrums talk to them about peer pressure or self esteem instill values like integrity honesty and respect for other people and bring order back to your house If you want your child to have a happy fulfilled life you must open your eyes to the crucial role you play in his or her development Most importantly Dr Phil s new book offers you and your family hope for a phenomenal home life now and a productive fulfilling future for your children As Dr Phil says you are not just raising children you are also raising adults and everything you do today impacts what kind of adult your child will become You are building the future “*I Want to Join Your Club*” Norah L. Lewis, 2010-10-30 I am a girl 13 years old and a proper broncho buster I can cook and do housework but I just love to ride In letters written to the children s pages of newspapers we hear the clear and authentic voices of real children who lived in rural Canada and Newfoundland between 1900 and 1920 Children tell us about their families their schools jobs and communities and the suffering caused by the terrible costs of World War I We read of shared common experiences of isolation hard work few amenities limited educational opportunities restricted social life and heavy responsibilities but also of satisfaction over skills mastered and work performed Though often hard children s lives reflected a hopeful and expanding future and their letters recount their skills and determination as well as family lore and community histories Children both make and participate in history but until recently their role has been largely ignored In *I Want to Join Your Club* Lewis provides direct evidence that children s

lives like adults have both continuity and change and form part of the warp and woof of the social fabric      **Love Is Not Enough - to Prepare Your Child for Life's Challenges** Halim Ozkaptan,2010-03-21 This book describes the parental techniques necessary to develop their child's self confidence and courage to maintain a moral balance in view of today's media drug and internet onslaught The constraints of family and community have been loosened at the same time the child needs discipline and boundaries to withstand temptation and negative pressures It is designed to help a child overcome his or her self doubt and fear when faced by life's challenges and peer pressure The key developmental needs of a child self realization and fellowship are described Principles techniques and illustrative examples are also given to help a parent train a child to become a confident and self assured good person      Fearlessly Feminine Jani Ortlund,2011-02-02 Women today seek encouragement and affirmation as they confront their own questions doubts and fears about womanhood In Fearlessly Feminine author Jani Ortlund supplies much needed answers calling Christian women to be joyfully confident in who they are before God to welcome the privilege of womanhood and to show the world the beauty of Christian femininity for God's glory Tackling such sensitive subjects as submission and materialism feminism and beauty motherhood and marriage Ortlund leads women to a deeper understanding of scriptural teaching and helps them fearlessly embrace all that God would have them become      # Don't Be A Dumb Pigeon Dr. Riccha Dhawan Sarin,2021-03-17 Every ordinary has the power to become extraordinary Covid 19 pushed the entire human race to limits way beyond they had ever imagined The entire world faced a situation like nothing else we had ever experienced before This book is the extraordinary and emotion filled roller coaster day to day journey of one such ordinary doctor who each day trudged on endlessly tirelessly bravely on a path during the times of covid without once letting the fear of death or sickness hinder her spirit While the whole world shut down completely and people sat protected huddled in their homes this corona warrior was out there Wrapped in protective equipment bearing the heat beating all odds and standing strong This is a collection of real time experiences in those times of turmoil and her attempt to continually write motivational articles each day in order to instill positivity and hope and faith in many around and boost the morale of innumerable people Her simple and humble writings try to bring light in these times of darkness
