Lp Dark Melody:

The Cambridge Companion to the Beatles Kenneth Womack, 2009-11-12 From Please Please Me to Abbey Road this collection of essays tells the fascinating story of the Beatles the creation of the band their musical influences and their cultural significance with emphasis on their genesis and practices as musicians songwriters and recording artists Through detailed biographical and album analyses the book uncovers the background of each band member and provides expansive readings of the band's music Traces the group's creative output from their earliest recordings through their career Pays particular attention to the social and historical factors which contributed to the creation of the band Investigates the Beatles' unique enduring musical legacy and cultural power Clearly organized into three sections covering Background Works and History and Influence the Companion is ideal for course usage and is also a must read for all Beatles fans [Pink Floyd- Uncensored on the Record](#) , **Dark Horse Records** Aaron Badgley, 2024-11-06 In 1974 with Apple winding down George Harrison still aspired to help new artists so rather than trying to salvage Apple he set up his own label Dark Horse Records on a much smaller scale His plan was to release records from new artists as well as some of his old friends with an eye to eventually releasing his own music While Dark Horse had an encouraging beginning with a hit single from Splinter the label suffered increasing problems failing to establish itself in the way Harrison hoped However some incredible and varied music was created from 1974 to 1977 including some of Harrison's best solo material Towards the end of its initial life Dark Horse dropped most of its artists and released mainly Harrison's solo work Thankfully since 2020 Dhani Harrison has taken the reins and has made Dark Horse viable once again signing Cat Stevens and Billy Idol and releasing music from Joe Strummer and Leon Russell Finally in 2023 it was announced that Harrison's entire solo catalog was going to be re-released on Dark Horse This book tells the story of the label from the beginning through its struggles and on to its exciting renaissance in the new millennium At a very young age Aaron Badgley developed a profound love of The Beatles and music in general also developing a fascination with record labels At the age of 19 he started working in radio and by the age of 20 he was a production manager for a number of stations in Canada In 2005 he debuted his syndicated radio show The Beatles Universe which ran for six years Currently he is the host of Here Today and Backwards Traveller radio shows and co-hosts From Memphis To Merseyside and The Way Back Music Machine with Tony Stuart He writes for Spill Magazine and Immersive Audio Album He has also contributed to the All Music Guide Aaron resides in Toronto Canada [The Quest for the Melodic Electric Bass](#) Per Elias Drabløs, 2016-03-03 The double bass the preferred bass instrument in popular music during the 1960s was challenged and subsequently superseded by the advent of a new electric bass instrument From the mid 1960s and throughout the 1970s a melismatic and inconsistent approach towards the bass role ensued which contributed to a major change in how the electric bass was used in performance and perceived in the sonic landscape of mainstream popular music Investigating the performance practice of the new melodic role of the electric bass as it appeared and disappeared in the

1960s and 1970s the book turns to the number one songs of the American Billboard Hot 100 charts between 1951 and 1982 as a prime source Through interviews with players from this era numerous transcriptions elaborations of twenty bass related features are presented These are juxtaposed with a critical study of four key players who provide the case studies for examining the performance practice of the melodic electric bass This highly original book will be of interest not only to bass players but also to popular musicologists looking for a way to instigate methodological and theoretical discussions on how to develop popular music analysis Reinventing Pink Floyd Bill Kopp,2018-02-09 In celebration of the 45th anniversary of The Dark Side of the Moon Bill Kopp explores the ingenuity with which Pink Floyd rebranded itself following the 1968 departure of Syd Barrett Not only did the band survive Barrett s departure but it went on to release landmark albums that continue to influence generations of musicians and fans Reinventing Pink Floyd follows the path taken by the remaining band members to establish a musical identity develop a songwriting style and create a new template for the manner in which albums are made and even enjoyed by listeners As veteran music journalist Bill Kopp illustrates that path was filled with failed experiments creative blind alleys one off musical excursions abortive collaborations general restlessness and most importantly a dedicated search for a distinctive musical personality This exciting guide to the works of 1968 through 1973 highlights key innovations and musical breakthroughs of lasting influence Kopp places Pink Floyd in its historical cultural and musical contexts while celebrating the test of fire that took the band from the brink of demise to enduring superstardom

Vinyl: A History of the Analogue Record Richard Osborne,2016-02-17 Vinyl A History of the Analogue Record is the first in depth study of the vinyl record Richard Osborne traces the evolution of the recording format from its roots in the first sound recording experiments to its survival in the world of digital technologies This book addresses the record s relationship with music the analogue record was shaped by and helped to shape the music of the twentieth century It also looks at the cult of vinyl records Why are users so passionate about this format Why has it become the subject of artworks and advertisements Why are vinyl records still being produced This book explores its subject using a distinctive approach the author takes the vinyl record apart and historicizes its construction Each chapter explores a different element the groove the disc shape the label vinyl itself the album the single the b side and the 12 single and the sleeve By anatomizing vinyl in this manner the author shines new light on its impact and appeal LIFE ,1961-09-15 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use Maximum Rocknroll ,2006 **Dark Waves** Neil O'Connor,2023-02-13 Between 1977 and 1980 Britain was a country and culture in flux The threat of nuclear war mass unemployment and strikes made it a particularly gloomy period historically Within this a growing number of electronic music acts were using technology and the synthesizer to soundtrack changing times Dark Waves The Synthesizer and the Dystopian

Sound of Britain 1977 80 is the first musicological collection of essays on acts that include Throbbing Gristle Cabaret Voltaire and The Human League mapping how the synthesizer spurred toward a fundamental shift in the mechanisms of electronic musicmaking in late 1970s The volume traces how along with the musical aesthetics established by both the Punk and Post Punk movements the synthesizer led to new and innovative effects ideas processes and musical genres Dark Waves explores the background influences and use of technology and how such developments would result in the more commercial electronically produced sound of 1980s synth pop which in turn shaped the sound of electronic music today All Music Guide Required Listening Chris Woodstra, John Bush, Stephen Thomas Erlewine, 2007 Collects reviews for one thousand enduring classic rock albums ranging from the extremely popular to more obscure works Media Narratives in Popular Music Chris Anderton, Martin James, 2021-12-16 The historical significance of music makers music scenes and music genres has long been mediated through academic and popular press publications such as magazines films and television documentaries Media Narratives in Popular Music examines these various publications and questions how and why they are constructed It considers the typically linear narratives that are based on simplifications exaggerations and omissions and the histories they construct an approach that leads to totalizing official histories that reduce otherwise messy narratives to one dimensional interpretations of a heroic and celebratory nature This book questions the basis on which these mediated histories are constructed highlights other hidden histories that have otherwise been neglected and explores a range of topics including consumerism the production pressure behind documentaries punk fanzines Rolling Stones covers and more

Black Sabbath: UK Vinyl Discography 1970-1980 Neil Priddey, 2016-03-07 Details of every Black Sabbath UK release on the Vertigo swirl and Vertigo spaceship WWA and NEMS labels from 1970 to 1980 with full colour high quality photography throughout of labels sleeves and inserts along with detailed analysis and identification of the crucial 1st pressing details of every album and single Essential reading for collectors of Black Sabbath UK 1st pressings The only book of its kind with this information for vinyl record collectors of rare UK first pressing Black Sabbath albums and singles

Pure-bred Dogs, American Kennel Gazette , 1968-12 The New Rolling Stone Album Guide Nathan Brackett, Christian David Hoard, 2004 Publisher Description SPIN , 1991-02 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks **Billboard** , 1978-08-12 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **LIFE** , 1961-11-24 LIFE Magazine is the treasured photographic magazine that

chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use

The Ultimate Guide to Vinyl and More Dave Thompson,2024-03-26 An in depth and comprehensive guide to and history of music collecting The Ultimate Guide to Vinyl and More traces the hobby from its beginnings over a century ago The book features informative and entertaining sections on every significant format in which recorded music has been released and some that are now almost completely forgotten Based on Dave Thompson s original Backbeat classic The Music Lover s Guide to Record Collecting this revamped colorful expanded edition takes readers from the early days of cylinders 78s and Edison records on through 45s LPs 8 tracks cassettes bootlegs CDs MiniDiscs MP3s LPs and other formats Landmark labels collectable artists specialist themes and more are explored across a series of essays while dozens of color images bring the most obscure corners of the hobby to life Unlike other volumes that focus exclusively on vinyl this book caters to the audiophile whose obsession for music welcomes all formats Through it all the joy and fascination of music collecting in all its guises comes alive

White Light/White Heat Richie Unterberger,2009-06 A comprehensive history of the influential cult band draws on dozens of new interviews and previously undiscovered archive sources tracing their initial lack of success before they inspired and were championed by such artists as David Bowie Original

A K Dolven A K Dolven,2015-02-16 Since the 1990s acclaimed London based Norwegian artist A K Dolven has produced a substantial body of work exploring the relationship between individuals and the perception of their environment the connections that bind inner and outer realities and the representation of sublime natural forces Using a diverse range of media including painting film sound and large scale sculptural installation she combines seemingly simple almost minimalistic elements to create complex responses to a particular locale especially the frozen landscapes of the Arctic Circle in her native Norway while maintaining a universal voice that resonates far beyond the specifics of the place Frequently immersive in nature her works investigate but also induce feelings of discomfort and disorientation in the eye body and mind of the viewer an impression of forever being at odds with one s surroundings as encountered through the various senses Coinciding with a solo exhibition at the Ikon Gallery this compelling book presents the past decade of the artist s practice In five themed chapters each artwork is shown in a series of large scale installation shots and details that replicate the spatial and physical impact of the piece itself Texts by five internationally renowned writers and thinkers illuminate various aspects of the artist s work addressing among other things its political significance emotional intensity and philosophical depth An introduction by Gaby Hartel considers the importance of A K Dolven s sketchbooks to the genesis of her ideas while an illustrated guide to the works presents the artist s own detailed description of each one with supporting installation notes and background source material
