The Spider in the Web Gabriele, 2024-02-29 A book with an alarming message we live dangerously by influencing and manipulating our neighbor under the law of sowing and reaping At the same time we are a danger for our fellow people As long as we think and act negatively we are caught up in a network that consists of egoism envy resentment lack of love and other faulty attitudes It is the web of our correspondences into which we have spun ourselves like a spider waiting for its victims This book exposes what takes place among us human beings in terms of influencing and manipulation and at the same time airs the veils that hide from our eyes what invisibly takes place on the Earth and in the realms of the souls as a result of our wrongful behavior Yet this book also shows us how we can find our way out of our human entanglements An excerpt The ego of a person can influence another only for so long until the other one no longer pays tribute to his own human ego and raises his consciousness more and more to God *MeMe the Magical Red Ant* Andrea Guice, 2023-04-05 The MeMe book is about being different for no one can help where they are born It is about the journey of life that each must embrace A story that tells of exchange expectations giving truth and unconditional acceptance It is a story that shares how each of us must face existence to know ourself and see the magic within which is love that all possess
