Me And My Mummy

Percy Grainger

Me And My Mummy:

Me, My Mother, My Life Ayomide Adeniola, 2012 *Me My Mother My Life* is a poetic journey through the trials of a young woman who longed to break free of the burden of an oppressive family legacy. Beautifully narrated, the author unblinkingly examines her life experiences, telling her story in a way that only one who has deeply experienced life, love, and God could portray. Born in London to Nigerian parents, Ayomide spent her childhood and young adulthood in the country of her parent's origin, where life for this young British girl was to be grabbed by both hands with spirit, good humour, and great resolve. When she returned to England, her faith in God led her on an odyssey to heal the generational issues with which she had long been faced. Beyond its value as a beautifully constructed and gripping memoir, this book leads the readers into their own private journey of reflection on their personal relationships, containing the wisdom of emotional and spiritual healing, as well as personal growth. Not for the faint-hearted, *Me My Mother My Life* will deepen your understanding of life, love, and the value of forgiveness. A well-written personal tale of a woman's trials of the spirit and her passage to healing, Kirkus Adeniola writes well and is a sensitive observer. The trajectory of her life from her student days in Nigeria to her professional life in England is genuinely interesting. Her writing is informed by her Christian faith but not in a way that puts off more secular readers. BlueInk Culture clash meets generation gap in this memoir by Ayomide Adeniola. Adeniola's memoir remains compelling because of the strong family bond that comes through no matter how contentious the conversation. With *Me My Mother My Life*, Adeniola uncovers the basic truth of many family arguments: we wouldn't fight so much if we didn't care so deeply.

ForeWord Clarion *Mummy's Boy* JA Andrews, 2020-04-01 Amazing! I was absolutely blown away. Twists and turns and so much suspense. Reader Review: No one can love a son like his mother. Patricia Mullner is trapped in a nightmare; no parent should ever experience this. Three years ago, 17-year-old son Andrew vanished without trace. There was no note, no goodbye, and no body has ever been found, and now her days are spent in a fog of heartache and alcohol, crying to husband Thomas about their lost boy. But Patricia is more than just a grieving mother, and as Andrew's disappearance starts to unravel the perfect family she's built with Thomas, it seems that the actions of her past may be back to haunt her. Because someone is watching from the shadows, someone who knows exactly what Patricia is hiding. Someone who will stop at nothing to take revenge and might just hold the key to Andrew's disappearance. An absolutely gripping psychological thriller with a shocking twist in the tale. Clairvoyance - My 35 True Predictions

A K Francis, 2021-05-22 The author is a Clairvoyant by a very early age of six years He has all the time felt the presence of God and angelic forces in his life He had made it his habit to refer every small and big problem in life to God This habit became so strong that as a child when he felt like having some toys or like eating some fruit he would pray to God instead of asking it from his parents Whenever he asked anything from God it was promptly given to him through mysterious means This further reinforced his belief and faith in God As a result of this strong faith he started praying to God for protection from illnesses and calamities From his adolescence he developed the habit of bed time prayer wherein he would thank God for the day and surrender all his problems and prayers into God s hands The author experienced that his prayers started being answered at the right time It so happened that he started getting favors from God for which he had not even prayed Just his wishing for something would suffice whatever he wished would come to him through someone or by some means Later on he started getting prior intimation from God with regard to good or bad events that were to happen either in his own life or in the lives of his family or friends He would mostly

keep quiet and not share these things with them for fear of ridicule However most of these premonitions started coming true Hence he started sharing premonitions regarding impending calamities or negative events Most of those with whom he shared made mockery of him and ridiculed him However when they saw the predicted events coming true they started distancing themselves from him fearing that he had an evil tongue When something good happened they would say that it was just a coincidence Due to his clairvoyance the author has lost many friends and some relatives have distanced themselves from him However they have stopped taking his predictions and advice lightly The author had long felt the need to share these incidents of clairvoyance with the larger world This book is the fulfillment of that desire to share The author has shared just thirty of his experiences in clairvoyance however there are many more which he could have kept back as they were either of very personal nature or not so important to be shared Moreover the author would like to state that anyone can develop their clairvoyant abilities by connecting properly with God One has to develop a very active conscience and make it a habit of listening to the intuitions that come to us through our conscience Our conscience Is the medium through which God conveys messages to us Hope this book will help the reader to start establish and develop a close relationship with God and listen to his prodding in our lives You may check the author's other books by visiting his blog at the link below <https://akfrancisauthor.blogspot.com> The readers are welcome to give their feedback to the author by writing to him at the email address given below Best Regards Be Blessed A K Francis Email akfrancis372@gmail.com *Red Dust Road* Jackie Kay, 2011-04-13
