Coco De Young, 2004-07-01 Setting aside a quiet time each day to be with God and your child is a practical way to teach your little one about the importance of God in our lives Read aloud the comforting words while your child enjoys the tag figures on each page *Easter Mealtime Prayers for the Family* Leo-Martin Angelo R Ocampo, 2021-01-15 2022 Catholic Media Association second place award in best book E edition only The Easter season comprises the most important weeks of the liturgical year but observance of the season in parishes and homes often doesn t reflect its significance *Easter Mealtime Prayers for the Family* brings Easter from the altar table to the family table an easy effective step for family observance This simple prayer resource provides the domestic Church with a means to cherish together the living faith we celebrate throughout the Easter season [A Companion to Hrotsvit of Gandersheim \(fl. 960\)](#) , 2012-10-12 Hrotsvit a canoness in the German convent Gandersheim wrote Latin poems stories plays and histories during the reign of Emperor Otto the Great 962 973 She expresses a strong sense of authorial mission in letters prefaces and dedications These personal writings as well as her full literary corpus are studied in twelve original essays by scholars from Europe and North America who bring several perspectives to bear Her historical roots are shown both in her use of Christian literary tradition e g the legend and in her understanding of political forces shaping her time Her strong spirituality emerges from vivid portraits not only of martyrs but also of men and women who question and doubt the Lord while her openness to problems of sexuality and of the need for women to realize their individuality and particular gifts is surprisingly modern Contributors include Walter Berscin Katrinette Bodarw Jay Lees Gary Macy Linda McMillin Florence Newman and Lisa Weston **Thought Contagion** Aaron Lynch, 2008-08-06 Fans of Douglas Hofstadter Daniel Bennet and Richard Dawkins as well as science buffs and readers of Wired Magazine will revel in Aaron Lynch s groundbreaking examination of memetics the new study of how ideas and beliefs spread What characterizes a meme is its capacity for displacing rival ideas and beliefs in an evolutionary drama that determines and changes the way people think Exactly how do ideas spread and what are the factors that make them genuine thought contagions Why for instance do some beliefs spread throughout society while others dwindle to extinction What drives those intensely held beliefs that spawn ideological and political debates such as views on abortion and opinions about sex and sexuality By drawing on examples from everyday life Lynch develops a conceptual basis for understanding memetics Memes evolve by natural selection in a process similar to that of Genes in evolutionary biology What makes an idea a potent meme is how effectively it out propagates other ideas In memetic evolution the fittest ideas are not always the truest or the most helpful but the ones best at self replication Thus crash diets spread not because of lasting benefit but by alternating

episodes of dramatic weight loss and slow regain Each sudden thinning provokes onlookers to ask How did you do it thereby manipulating them to experiment with the diet and in turn spread it again The faster the pounds return the more often these people enter that disseminating phase all of which favors outbreaks of the most pathogenic diets Like a software virus traveling on the Internet or a flu strain passing through a city thought contagions proliferate by programming for their own propagation Lynch argues that certain beliefs spread like viruses and evolve like microbes as mutant strains vie for more adherents and more hosts In its most revolutionary aspect memetics asks not how people accumulate ideas but how ideas accumulate people Readers of this intriguing theory will be amazed to discover that many popular beliefs about family sex politics religion health and war have succeeded by their fitness as thought contagions

Just Walk Across the Room Bill Hybels, 2008-09-09 What if you knew that by simply crossing the room and saying hello to someone you could change that person s forever Just a few steps to make an eternal difference It has nothing to do with methods and everything to do with taking a genuine interest in another human being All you need is a heart that s in tune with the Holy Spirit and a willingness to venture out of your Circle of Comfort and into another person s life Just Walk Across the Room brings personal evangelism into the twenty first century Building on the solid foundation laid in Becoming a Contagious Christian Bill Hybels shows how you can participate in the model first set by Jesus who stepped down from heaven 2 000 years ago to bring hope and redemption to broken people living in a fallen world Now it s your turn Your journey may not be as dramatic but it can have a life changing impact for someone standing a few steps away from you and for you as well as you learn the power of extending care compassion and inclusiveness under the guidance of the Holy Spirit The highest value in personal evangelism is cooperating with the Spirit says Hybels This means playing only the role you re meant to play walking when the Spirit says to walk talking when he says to talk and falling silent when he suggests that you ve said enough Hybels encourages you to live in 3D Developing friendships Discovering stories Discerning appropriate next steps as a means of learning to understand the Holy Spirit s promptings With fresh perspectives from his own reflections and experiences collected during his most recent decade of ministry Bill Hybels shows with convincing and inspiring clarity the power of this personal richly relational approach to evangelism The stakes are high The implications are eternal And you may be only a conversation away from having an eternal impact on someone s life if you will just walk across the room
