Pratt, 2025-08-15 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *The Millennium: and Other Poems: to Which Is Annexed a Treatise on the Regeneration and Eternal Duration of Matter* Parley Parker Pratt, 2024-06-12 Reprint of the original first published in 1840 Questioning the Millennium Stephen Jay Gould, 1999 The noted naturalist sheds new light on humankind s fascination with the approaching millennium offering a collection of scientific and historical essays on the millennium and its significance The millennium, a poem, to which are added Reasons from prophesy why the second coming of Christ is to be expected Millennium, 1838 **Questioning the Millennium** Stephen Jay Gould, 2012-01-04 In this new edition of Questioning the Millennium best selling author Stephen Jay Gould applies his wit and erudition to one of today s most pressing subjects the significance of the millennium In 1950 at age eight prompted by an issue of Life magazine marking the century s midpoint Stephen Jay Gould started thinking about the approaching turn of the millennium In this beautiful inquiry into time and its milestones he shares his interest and insights with his readers Refreshingly reasoned and absorbing the book asks and answers the three major questions that define the approaching calendrical event First what exactly is this concept of a millennium and how has its meaning shifted How did the name for a future thousand year reign of Jesus Christ on earth get transferred to the passage of a secular period of a thousand years in current human history When does the new millennium really begin January 1 2000 or January 1 2001 Although seemingly trivial the debate over this issue tells an intriguing story about the cultural history of the twentieth century And why must our calendars be so complex leading to our search for arbitrary regularity including a fascination with millennia This revised edition begins with a new and extensive preface on a key subject not treated in the original version As always Gould brings into his essays a wide range of compelling historical and scientific fact including a brief history of millennial fevers calendrical traditions and idiosyncrasies from around the world the story of a sixth century monk whose errors in chronology plague us even today and the heroism of a young autistic man who has developed the extraordinary ability to calculate dates deep into the past and the future Ranging over a wide terrain of phenomena from the arbitrary regularities of human calendars to the unpredictability of nature from the vagaries of pop culture to the birth of Christ Stephen Jay Gould holds up the mirror to our millennial passions to reveal our foibles absurdities and uniqueness in other words our humanity The Millennium M. R. DeHaan, 2018 The Bible teaches that the glorious and imminent return of Jesus will usher in a one thousand year kingdom reign on the earth In this study the late Dr M R DeHaan explores many Old and New Testament prophecies concerning this fascinating future period As followers of Jesus we await this time of no more poverty tears sickness or death as well as the restoration of Creation and the future reign
