Pinkham,2019-07-26 One God or one with several forms Or maybe two three or perhaps many separate Gods If you seriously study all the Christian religions you will find that each of these possibilities is claimed That is one trouble with the Trinity there are just too many possibilities Which if any is right Which view does the Bible support And if it supports one view how strongly and in exactly what way The Trouble with the Trinity attempts to study every verse in God's Word that links a name for one or more members of the Godhead with a nearby word or concept for God Nearly a thousand verses meet this condition Collating them into logical categories reveals the eight and only eight possible ways and combinations that could help us understand that the Father Son and Holy Spirit is Three in One Moreover when the verses in each of these eight ways are further organized they provide deep insights into the nature of God And when the eight ways are woven together they reveal a startling symbol with relevance to Judaism Christianity Islam geometry and our neural network Furthermore these insights are reinforced through the symbolism of the colors used in the tabernacle when these colors are properly applied to the eight parts of the symbol The book incorporates mathematics and science especially the biological sciences written with plain language into the discussions of the Trinity Some of the proposed connections have never been posited elsewhere It also considers other symbols and icons of the Trinity for their ability to reflect aspects of the Triune Godhead The Trouble with the Trinity is not written for the theologian although it includes a section that presents a theological discussion of the Trinity Rather it is written for those who are curious about or confused by the Trinity For more information and to view Images About the book Appendixes and more as well as contact information please go to <https://www.thetwtt.com> You can also visit the author's Facebook page https://www.facebook.com/TTWTTrinity/view_public for 100820838002256 **NKJV Bible Concordance** Thomas Nelson Publishers,2005-08-30 The NKJV Bible Concordance places the references that are the most theologically doctrinally and practically relevant to spiritual growth at the reader's fingertips The NKJV Bible Concordance is compact portable and the type is readable It is based on the New King James Version of the Bible the best translation for Bible study and the key references were chosen by noted Bible scholar Ronald F Youngblood Features Provides quick access to the Bible's key references central doctrines familiar verses and passages Identifies the references scholars consider most important and useful Much more extensive than the concordance included in Nelson's NKJV Study Bible Compact and portable Easy to read type **I've Been a Fool, Now What?** Dr. Wendy VanHosen,2020-12-16 There is nothing that someone can say or do to you that will change who you are to God Our response

to the challenges of life is much more important than the challenge itself If you have found that your responses to life s challenges have not always been healthy or reflective of who you are in God or if your choices have taken you down some paths of foolishness this book will speak words of hope truth and assurance You will be challenged to live beyond your errors to see yourself beyond your mistakes and to take a step towards your potential in God There is nothing about God that is mediocre including you Learn what it means to live as an heir to the inheritance made available through Jesus Christ Dr VanHosen shares with readers how with God you can live your best life yet This book will engage you spiritually and emotionally and is complete with reflection questions for practical application The Crimson Path Robert D.

nothing less than the abolition of religion But we have taken a supernatural message and turned it into a mere natural one and the result is a spiritually immature church that sees strength primarily in natural terms and church growth as being about congregation sizes and resources rather than revelation When the glitter of religious performance what we can achieve for God is peddled in the church as real gold for long enough then we raise a generation of believers who know how to do things for God but not how to be the children of a joyful Father We raise a nation of holy orphans who not knowing their Fathers righteousness as their spiritual DNA live constantly trying to prove their parentage through their performance The result is a church so sin conscious and self conscious that she is like a bride so insecure in her identity that she has buried the likeness of her Father beneath layers of makeup In this book the author begins to peel back that makeup to reveal the simple beauty of the gospel Christ in us Minutes of the ...
