Nuggets of Gold from the Ash Pit Michael Howard, 2018-02-26 We all experience adversity in our lives but how we deal with the trouble that inevitably shows up is a part of the Christian experience The book of Job is generally not a popular book due to the subject matter but if we want to be prepared for the complete Christian journey we must nevertheless commit ourselves to understanding its value In Nuggets of Gold from the Ash Pit author Michael Howard explains how the book of Job known for its harrowing and difficult story of Jobs fall at the hands of the devil is in fact filled with golden nuggets of encouragement right from the throne of God if only we are willing to dig for them In the face of the death destruction lamentation and accusation in the book of Job we can also find hopeful loving lessons from God that speak to his compassion for all of his children regardless of the circumstances And it is also a lesson for us one meant to lift us up into Gods presence and bring us into communion with him Job was a man who had it all and then he had it all taken away But from him we can learn how to deal with adversity when it comes choosing to bless God and persevere When it comes to the book of Job we have to dig a little deeper in the ash pit to find encouragement It is there though and we can find it **Wonderful Wire**
