Cullinan,Diane Goetz Person,2005-01-01 Provides articles covering children s literature from around the world as well as biographical and critical reviews of authors including Avi C S Lewis J K Rowling and Anno Mitsumasa **A to Zoo** Carolyn W. Lima,1986 A guide to over 8500 picture books classified by subject and indexed by author title and illustrator **Jabulani the elephant** Elmarie Botes,2013-03-20 Jabulani gets stuck in the mud and no matter how hard the other elephants try they cannot free him Will Jabulani be saved before he dies of hunger and thirst **Between Rhetoric and Reality** Mawere, Munyaradzi,Awuah-Nyamekye, Samuel,2015-04-02 Since time immemorial indigenous peoples around the world have developed knowledge systems to ensure their continued survival in their respective territories These knowledge systems have always been dynamic such that they could meet new challenges Yet since the so called enlightenment period these knowledges have been supplanted by the Western enlightenment science or colonial science hegemony and arrogance such that in many cases they were relegated to the periphery Some Euro centric scholars even viewed indigenous knowledge as superstitious irrational and anti development This erroneous view has since the colonial period spread like veld fire to the extent of being internalised by some political elites and Euro centric academics of Africa and elsewhere However for some time now the potential role that indigenous peoples and their knowledge can play in addressing some of the global problems haunting humanity across the world is increasingly emerging as part of international discourse This book presents an interesting and insightful discourse on the state and role that indigenous knowledge can play in addressing a tapestry of problems of the world and the challenges connected with the application of indigenous knowledge in enlightenment science dominated contexts The book is not only useful to academics and students in the fields of indigenous studies and anthropology but also those in other fields such as environmental science social and political ecology development studies policy studies economic history and African studies *The Junior Bookshelf* ,1980 **New Books for Boys & Girls** ,1980 *Growing Point* ,1979 **Seventh Book of Junior Authors & Illustrators** Sally Holmes Holtze,1996 Contains more than two hundred sketches of authors illustrators and a translator of children s books who have come to prominence since the publication of the previous book **The School Librarian** ,1989 *Joint Acquisitions List of Africana* ,1981 **Children's Book Review Index 1981 Cumulative** Gary C. Tarbert,1983-05 **Trail of an Intellectual Nomad** Brian Morris,2024-02-20 Leaving school at fifteen Brian Morris has had a and varied career in Malawi before becoming a university teacher Now Emeritus Professor of Anthropology at Goldsmiths College University of London he is the author of numerous articles and books on anthropology religion and symbolism hunter gatherer societies concepts of the individual and radical politics His most recent books are *Homage to Peasant Smallholders* Luviri Press 2022 and *Anthropology and Dialectical Naturalism* Black Rose 2022 After writing much about Anthropology

Brian Morris finally shares about his life While in his youth the academic future seemed very dim an all consuming interest in nature was already there The author does not only share the formative experiences in Malawi and India but he also shares his intellectual development to become a Dialectical Anthropologist His travel and research experiences are fascinating and it is amazing how much fits into one life

The Oxford Encyclopedia of Children's Literature: Aamu-Duan Jack Zipes, 2006 Children's literature first became a distinct body of writing and publishing in the eighteenth century Until the seventeenth century children were usually considered as smaller versions of adults As the notion of childhood as a distinct part of life emerged a distinct body of literature emerged as well designed both to entertain and edify this new class of readers But for much of its history books written for children were not seen as worthy of scholarly attention Recently this has changed with everyone from literary critics to psychologists to anthropologists to historians studying this incredibly rich outpouring The Oxford Encyclopedia of Children's Literature is the first multi volume set to document and interpret the books read by children in the English speaking world It includes brief biographies of every major author and illustrator and features essays on all genres of children's literature individual works and prominent trends and themes as well as general essays on the traditions of children's literature in many country in the world A future Oxford Digital Reference Shelf title For more information visit <http://www.oxfordonline.digitalreference>
