The Navy SEAL Art of War Rob Roy, Chris Lawson, 2015-04-28 In a groundbreaking narrative driven book for businesses managers and those who aspire to the managerial ranks and entrepreneurs a veteran Navy SEAL Chief Petty Officer shows how the skills that enable SEAL teams to achieve the impossible in the battlefield can help business executives and career minded individuals make better decisions and get the best out of their teams Anyone can make good decisions when everything is in their favor But in life as in war it is in chaotic challenging times that genuine leaders distinguish themselves As a Navy SEAL Chief Petty Officer Rob Roy learned this lesson over twenty five years of combat in which the difference between life and death was his team's ability to decode complex environments take decisive action and seize opportunities when they presented themselves In *The Navy SEAL Art of War* Roy decodes the leadership lessons of the battlefield for today's business leaders and individuals how to make good decisions under pressure how to utilize and leverage the strengths of others while minimizing the weaknesses of the individual or team and how to act instead of react anticipating events despite having minimal information and effectively communicating tasks and priorities Illustrated with countless stories from the front lines and featuring unprecedented exercises and drills from the SEALs training program The
