Crazy Mistakes We Pastors Make and How to Learn from Them Tunde Babalola, 2015-01-29 Spirituality is for those seeking understanding religion is for those seeking reward Unknown I have to admire the courage Pastor Tunde Babalola has demonstrated in writing this book especially at his time in our history and in the church where so much is done in the name of Jesus that has done more harm than good More so as we are battling to remain relevant in a fast changing technological world filled with reality shows while we continue to pretend that this is all God is to a confused and dying world Scripture tells us in Romans 8:19 NKJV For the earnest expectation of the creation eagerly waits for the revealing of the sons of God If there is ever a time this scripture is real and needs to be fulfilled it is now

The Path to Being a Pastor Bobby Jamieson,2021-08-04 A man who s been transformed by Christ and desires to preach the gospel might say he feels called to be a pastor This personal conviction while heartfelt doesn t acknowledge important challenging steps necessary to be a qualified leader So where should full time ministry begin In The Path to Being a Pastor Bobby Jamieson explains why it s better to emphasize aspiration over calling as men pursue the office of elder and encourages readers to make sure they are pastorally gifted before considering the role He shares from his own eleven year experience preparing to be a pastor by walking potential leaders through different stages of ministry training from practical steps such as cultivating godly ambition and leadership observing healthy churches and mastering Scripture to personal advice on building a strong family and succeeding in seminary Emphasizing the importance of prayer godly counsel and immersion in the local church Jamieson encourages men to ask Am I qualified instead of Am I called when considering a life in ministry Pastor's Musings Rev. Mario Perez,2021-07-28 According to most dictionaries Musings are periods of reflection or thought After so many years of living a lot of years I ve been able to experience God in so many incredible ways In my Family my Marriage my Kids and Grandkids my Ministry and my Music Call me simple but I look for God in all activity in my life From my greatest victories to the most horrible failures God has been right there in the mix Nothing happens to me without Him knowing about it There are still plenty of things I cannot figure out Why does the creator of the universe who named all the stars think about me and why so often Why does He lavish such love on me Why is He working behind the scenes orchestrating all things for my own good I just don t get it You There I go again Musing That s the story of my life Enjoy my Musings hopefully they will bring a smile an LOL or a tear as you read some of my most intimate moments with God

perspectives **Pastor** William H. Willimon, 2010-09-01 Ordained ministry says Willimon is a gift of God to the church but that doesn't mean that it is easy Always a difficult vocation changes in society and the church in recent years have made the ordained life all the more complex and challenging Is the pastor primarily a preacher a professional caregiver an administrator Given the call of all Christians to be ministers to the world what is the distinctive ministry of the ordained When does one's ministry take on the character of prophet and when does it become that of priest What are the special ethical obligations and disciplines of the ordained In this book Willimon explores these and other central questions about the vocation of ordained ministry He begins with a discussion of who pastors are asking about the theological underpinnings of ordained ministry and then moves on to what pastors do looking at the distinctive roles the pastor must fulfill The book also draws on great teachers of the Christian tradition to demonstrate that while much about Christian ministry has changed its core concerns preaching the word the care of souls the sacramental life of congregations remains the same Ordained ministry is a vocation to which we are called not a profession that we choose To answer that call is to open oneself to heartache and sometimes hardship yet given the one who calls it is to make oneself available to deep and profound joy as well *Teaching for a Culturally Diverse and Racially Just World* Eleazar S. Fernandez, 2014-02-25 Cultural and ethnic diversity is the reality of our world and much more so in this age of heightened globalization Yet do our ways of doing theological education match with our current reality and hopes for a colorful and just tomorrow How shall we do theological formation so it helps give birth to a culturally diverse racially just and hospitable world This edited volume gathers the voices of minoritized scholars and their white allies in the profession in response to the above questions More particularly this volume gathers the responses of these scholars to the questions What is the plight of theological education Who are the teachers Who are our students What shall we teach How shall we teach How shall we form and lead theological institutions It is the hope of this volume to contribute to the making of theological education that is hospitably just to difference s and welcoming of our diverse population which is our only viable future When we embody this vision in our daily educational practices particularly in the training of our future religious leaders we may help usher in a new colorful and just world A Pastoral Theology of Childlessness Emma Nash, 2021-05-31 The experiences of infertility and childlessness while not worse than other griefs and disappointments people experience are nevertheless distinctive in a number of important respects Unlike other griefs they often take place in private with no body no funeral and no public acknowledgement of the loss In her profound and wise theology of childlessness Emma Nash takes her own story as a starting point examining several distinctive features of this painful human experience She asks what biblical and theological resources offer consolation and what liberative action individuals and churches might take to make an appropriate response Weaving trauma theology together with personal experience Nash offers a profound and heartfelt theological reflection which breaks the barriers between pastoral resource and carefully constructed theology *Five Ministry Killers and How to Defeat Them* Charles
