Pivotal Praying John Hull,Tim Elmore,2002-09-01 We all face critical forks in the road marriage the death of a loved one the birth of a child or a personal health crisis How are we to pray at these junctures Perhaps our instinct is to send up a quick 911 prayer but authors John Hull and Tim Elmore demonstrate how by praying the right prayer at the right time we can see the incredible impact of what God can do Scripture offers countless examples of men and women who prayed strategically and saw results Remember Solomon s prayer for wisdom He received it and wealth beyond his imagination as well And how about Hannah s desire for a child God honored her prayer her son Samuel became the greatest judge in Israel s history Pivotal Praying uses these examples and others to illustrate the power of effective and ineffective praying For those seeking to enlarge their prayer vision and alter their circumstances for God s glory Pivotal Praying is an ideal resource

Praying Tim Elmore, John Hull, **How I Learned to Let God Find Me in the Good Times and the Bad** Jan Weel, 2018-08-06 What do you do when God disappears off your radar just when you need him most and when the advice of even your wisest friends no longer helps This was the question Jan Weel faced thirty four years ago as a young Christian woman of thirty five Jan put many tough questions to her God Over the next seventeen months he answered each one of them in amazing and unexpected ways and taught her several tools she could use for her ongoing journey with him Twelve years later Jan faced a more prolonged exacting trial These same answers and tools enabled her not only to survive it but to thrive in its midst She emerged even more alive loving anchored joyful free strong and faith filled Jans questions may be yours too This book helps Christians who are looking urgently to connect or reconnect with someone bigger than themselves in order to find solid actionable answers to daunting life problems or challenges You learn that the key to letting God find you in times of crisis is to learn how to enter directly into Gods presence and once there to experience firsthand for yourself his love God is hiding right smack in the middle of whatever situation you might be experiencing not somewhere outside of it God wants to find you far more than you want to find him there are specific steps you can take to let God find you there are amazing
