wrestled with in the past persuaded me to read the material more slowly and watch for evidence of timing My over all impression was a growing sense of the presence of Jesus as I made my way through the sequences of the scripture I believe serious bible students and pastors will find your book delightfully informative and inspiring It will prove to be a valuable addition to their libraries and their lives Dr Stanley M Horton Th D Distinguished Professor Emeritus Bible and Theology of Assemblies of God Theological Seminary and Central Bible College Springfield Mo These chapters in the Gospels are prominent and extremely important Your comments and arrangement of the parallel chapters are helpful and very well done Dr Russell K Pier President Emeritus and Founder of Faith School of Theology and presently the Founder and Administrator of Pentecostal Conservative School of the Bible This is an amazing work of detailed research that would intrigue any serious student of the Bible I have read many of the harmonies of the Gospels but nothing that was so focused on these last 10 days in the life of Christ I recommend this to everyone Dr Charles Crabtree President of Zion Bible College Haverhill Ma former Assistant Superintendent of the General Council Assemblies of God It was my privilege to receive a copy of the book The Ten Last Days of Jesus by David Levandusky In my opinion any student of God s Word would benefit from this remarkable tool It clarifies the final days of Christ in a very simple graphic and profound way I believe many will use this special gift to the church of Jesus Christ Pastor Barry Warren Pastor of the Greenfield Missionary and Alliance Church Greenfield Ma Imagine your family sitting in your living room sharing stories of a loved one who had passed away Each memory shared would be accurate but told through the lens of the individual telling it and as each person shares a whole picture of the loved one emerges more complete than any one individual s picture Similarly each Gospel writer gives a unique snapshot of Jesus Pastor Levandusky has done us a great favor by putting the Gospel stories of the most important ten days of the life of Jesus into such a perspective Pastor Larry Riddle Pastor of Moores Corner Church North Leverett Ma for 32 years 1978 Present My dear brother has written an intricate and detailed book of the Last Ten Days of Jesus life that will be a most welcome addition to all Pastors libraries and to the serious student of its word It is an exhaustive work that required much time and labor and I commend my brother in this fine work

The Gospel of Matthew John Nolland, 2005-11-01 Having devoted the past ten years of his life to research for this major new work John Nolland gives us a commentary on the Gospel of Matthew that engages with a notable range of Matthean scholarship and offers fresh interpretations of the dominant Gospel in the history of the church Without neglecting the Gospel s sources or historical background Nolland places his central focus on the content and method of Matthew s story His work explores Matthew s narrative technique and the inner logic of the unfolding text giving full weight to the Jewish character of the book and its differences from Mark s presentation of parallel material While finding it unlikely that the apostle Matthew himself composed the book Nolland does argue that Matthew s Gospel reflects the historical ministry of Jesus with considerable accuracy and he brings to the table new evidence for an early date of composition Including accurate translations based on the latest Greek text detailed verse by verse comments

thorough bibliographies for each section and an array of insightful critical approaches Nolland's Gospel of Matthew will stimulate students preachers and scholars seeking to understand more fully Matthew's presentation of the gospel narrative
