Plague Of The Invigilare:

Plague of the Invigilare Joseph DeMarco, 2003-10 This book is meant to be used as a motivational tool for pre teens and teens The author incorporates her own experiences in the book to inspire her readers to reach success in their own unique way

At Play in the Killing Fields Joseph DeMarco, 2007-02-22 **JOE KAYE** 1976 2031 The False Prophet of Fennimore Place Joe Kaye was an American poet philosopher schoolteacher and author of 11 books Born in New York City Joe taught in New York Hawaii and Michigan In Hawaii he started writing and by the age of 25 he published his first manuscript He later moved to Michigan and then to Wisconsin where he developed a tumor which began to give him delusions His delusions led him to construct a giant labyrinth on a tropical island He also had an obsession with looking for a message he believed he had left for himself in a past life in the form of a poem song or story He went insane with paranoia and believed the karma police were coming to take him away He also became obsessed with cheating death practicing a religion called Voodoo Botany believing it would make him a god On a late night talk show he made a prophecy about the extinction of the human race He was sent to rest at Fennimore Place Institute The maze was never finished He died broke and penniless

Blind Savior, False Prophet Joseph DeMarco, 2008-08 This is a real life espionage story The author of this biography was lucky to live very unruly times in his country of origin Cuba during the last 71 years He was able to see the history of those years from a different point of view from his fight as a revolutionary to becoming a master spy As a young man he experience the passion of making a revolution and as a mature man he felt the moral depression that cause him the realization that the deaths of his comrades were in vain In the process he discovered new beautiful and rich countries and became homesick for many years He saw himself as a hero loved and admired by his family and his fellow citizens at the beginning of his adult life and now sees himself as an old man waiting for death as a loner and deserter of his youth s ideals This is a real life story about a human being trapped sometimes by his own decisions and in other occasions by the ironies of destiny a person fighting to survive and at the same time loving and taking care of his family the best he could This is a real life story about political deceive and human miseries about how one can fool oneself in life regarding what is right or wrong But it is also the confirmation that at times one can achieve a goal if one does try hard

The 4 Hundred and 20 Assassins Joe DeMarco, 2014-02-25 Warning Philosophical Content Explicit Ideas May offend those easily offended The legend of the Hassan El Sabbah is not as famous as his garden Sabbah was an entrepreneur of sorts using the assassin as a tool to gain political influence throughout the Middle East He would use young men by making them smoke hash then allowing them to enter his Garden of Earthly Delights The young men were told they had entered paradise and would be expelled if they did not carry out Sabbah s wishes which were usually to kill someone of relative importance This tale is not only a fictional look at Sabbah but also a mind altering look into America s drug culture and the idea of paradise Told by a stoner set over a thousand years ago with an Arabian Nights feel to it the story centers around Emir Abdullah Harazins Sabbah and his
