Folly Laurie R. King, 2009-07-22 An acclaimed master of suspense creates a heroine you will never forget in this superbly chilling novel of a woman who begins a desperate undertaking that may transform her life or end it What happens if your worst fears aren't all in your mind Rae Newborn is a woman on the edge on the edge of sanity on the edge of tragedy and now on the edge of the world She has moved to an island at the far reaches of the continent to restore the house of an equally haunted figure her mysterious great uncle but as her life begins to rebuild itself along with the house his story starts to wrap around hers Powerful forces are stirring but Rae cannot see where her reality leaves off and his fate begins Fifty two years old Rae must battle the feelings that have long tormented her panic melancholy and a skin crawling sense of watchers behind the trees Before she came here she believed that most of the things she feared existed only in her mind And who can say as disturbing incidents multiply if any of the watchers on Folly Island might be real Is Rae paranoid as her family and the police believe or is the threat real Is the island alive with promise or with dangers With Folly award winning author Laurie R King once again powerfully redefines psychological suspense on a sophisticated and harrowing new level and proves why legions of readers and reviewers have named her a master of the genre Rosemary C.
