have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas. These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures, acknowledge the work of Christ alone as sufficient for redemption, recognize that salvation is by grace alone through faith alone, and seek to do all things for God's glory. The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them, leading to a more profound theological vision of our lives and callings as Christians and churches.

The Restoration of God's Dwelling and Kingdom Peter Nyende, 2023-03-31

The church in Africa is thriving both numerically and in its boldness and fervour. Yet the challenge of African folk Christianity, a Christianity shaped more by traditional beliefs than the Bible, continues to loom large, and there remains an acute need for life and faith to be biblically informed. In this introduction to biblical theology, Prof. Peter Nyende draws from nearly two decades of experience teaching the next generation of African church leaders. Maintaining the vital importance of a holistic understanding of Scripture and its unified nature, he presents the central story of both Old and New Testaments as the restoration of God's dwelling and kingdom in the world. He traces this narrative through its many stages of development: creation and fall, God's covenants with Israel, exile to its ultimate fulfilment in Jesus, the church, and the new Jerusalem. Though written with pastors and theological students in mind, this book is accessible to any who desire to increase their biblical literacy and partner more fully with the work of God and his kingdom.
