Ancestral Voices Etienne van Heerden, 2012-09-27 In the wild night hours or during the heat of the day whenever man s thoughts whirl feverishly then truth and fantasy the past and the future life and death are indiscriminately mingled on Toorberg home of the Moolman family So the magistrate is to learn as he investigates the strange circumstances of the death of little Noah child of grief who was not entirely of this world Every day the case becomes more complex until it challenges the very foundations of the law It seems as if the magistrate will have to judge an entire dynasty both the living and the dead Everyone s guilt has to be affirmed or denied and this means he will have to rip open the lives of all The Moolmans are a tribe who have long since learned how to deal with their own Parents cut children out of their lives shunt them aside to live as stepchildren scrag ends of the clan or as city dwellers whose names are never uttered The Moolmans cannot forgive not when their tribal blood is betrayed

Hidden Karoo Patricia Kramer, 2021-03-01 The Karoo is big sky country a land of vast open plains punctuated by flat topped mountains conical hills and secluded valleys a land of scrubby bushes and hardy trees where pioneers carved roads out of rock to set down roots in an unforgiving environment Here dreams are born legends are made and outcasts find sanctuary It is also an ancient place whose story is revealed through geology fossils and artefacts and whose human lineage predates any written history Today the people who inhabit it must manifest the same fortitude that sustained those who left their footprints in the primieval mud In Hidden Karoo you will find all this and more Through a series of superb photo essays

this majestic place is revealed as a land where conservation and neglect are seldom far apart where one town boasts splendidly restored buildings while along a dusty back road lie forgotten villages waiting for something Could it be a renewal or a slow death There s nothing novel about the movement of people from country to city and the Karoo mimics other parts of the world where rural areas become derelict as they are depopulated Hidden Karoo presents a snapshot of the region as it is now offering a glimpse into towns and villages farmsteads and churches important buildings and humble homes all against a backdrop of awe inspiring landscapes Through words and pictures it prompts us to consider what was what is and perhaps what might be One constant about the Karoo is change A book can do no more than capture a moment in time or depict fragments of a place but in doing so it bears witness to the past and offers the hope that there may yet be a future for this unparalleled part of our country
