## **Plan B For The Middle Class Stories:**

*Plan B for the Middle Class: Stories* Ron Carlson, 1992-08-17 In *The News of the World* Ron Carlson's celebrated last collection it was widely noted that the news was good Here as everybody goes to Plan B the news is stronger edgy and bittersweet Here are men and women in the middle of life of relationships There is a difference between what they set out for and what they get A single mother keeps house on an aircraft carrier A new father finds himself seduced by a motorcycle A lonely professor is forced to face a few truths Braced by honesty and lifted by affection for the world these stories are a stunning showcase for a writer tackling universal themes in new ways Get ready when Plan A breaks down Ron Carlson is here

Contemporary American Fiction Kenneth Millard, 2000-09-21 Contemporary American Fiction provides an introduction to American fiction since 1970 Offering substantial and detailed interpretations of more than thirty texts by thirty different writers Millard combines them in an innovative critical structure designed to promote debates on cultural politics and aesthetic value The book is the first of its kind to offer a wide ranging survey of recent developments in the fiction of the United States Recent novels by established writers such as John Updike and Philip Roth are analysed alongside the fiction of younger writers such as Gish Jen and Sherman Alexie The book's innovative structure encourages new ways of thinking about how American writers might be configured in relation to each other while providing an analysis of how contemporary fiction has responded to changes in central areas of American life such as the family the media technology and consumerism Contemporary American Fiction is a substantial critical introduction to some of the most exciting fiction of the last thirty years an eclectic and thorough advertisement for the extraordinary vitality of American fiction at the end of the twentieth century This is an excellent introduction to the subject for undergraduate students of modern American literature

**El Palacio**, 1992 The Signal Ron Carlson, 2009-05-28 The Signal accelerates like an avalanche If men can't be brought back to fiction by books as fine as this one it's their own damn fault The Washington Post Ron Carlson author of the critically acclaimed *Five Skies* is an award winning writer beloved by booksellers reviewers and readers alike His most thrilling book to date The Signal follows the story of Mack and Vonnie a married couple who after ten years together are taking their last hike in the mountains of Wyoming to say goodbye to their relationship and to each other As the troubled and tragic elements of their past gradually come to light over the course of their journey Mack keeps a secret he is tracking a signal sent via a beacon that has fallen from the sky that will lead them both into a wood far darker than they have ever imagined Five Skies Ron Carlson, 2007-05-17 Beloved story writer Ron Carlson's first novel in thirty years Five Skies is the story of three men gathered high in the Rocky Mountains for a construction project that is to last the summer Having participated in a spectacular betrayal in Los Angeles the giant silent Arthur Key drifts into work as a carpenter in southern Idaho Here he is hired along with the shiftless and charming Ronnie Panelli to build a stunt ramp beside a cavernous void The two will be led by Darwin Gallegos the foreman of the local ranch who is filled with a primeval rage at God at man at life

As they endeavor upon this simple grand project the three reveal themselves in cautiously resonant profound ways And in a voice of striking intimacy and grace Carlson s novel reveals itself as a story of biblical almost spiritual force A bellwether return from one of our greatest craftsmen Five Skies is sure to be one of the most praised and cherished novels of the year

*A Kind of Flying* Ron Carlson,2025-04-25 These stories are full of surprises jolts and lightning strikes of recognition Do yourself a favor and read Ron Carlson Stephen King Ron Carlson s stories sometimes wicked or bittersweet often zany are rich with a hard earned hopefulness frequently absent in contemporary fiction In this generous gathering from collections no longer available longtime fans and new readers alike can savor the development of a master of idiosyncrasy Properly celebrated for his range Carlson offers us a rural sheriff who s wary of UFOs Phenomena a lawyer on a mission in remote Alaska Blazo a baseball player turned killer by accident Zanduce at Second and a nineteen year old who experiences an unsettling sexual awakening during an Arizona summer Oxygen Here also is a man accusing Bigfoot of stealing his wife followed by Bigfoot s incomparable response Not least of the treasures is The H Street Sledding Record a story perfect for family holiday reading in which a young father creates the magic of Santa by throwing manure on his roof on Christmas Eve This book proves Carlson s axiom that a short story is not a single thing done a single way and it offers us finally a full view of his remarkable talents Short Story Index ,2004

*Knight's Gambit* William Faulkner,2024-03-12 Faulkner s six detective stories feature attorney Gavin Stevens a recurring character from Faulkner s novels as he investigates violent crimes This newly restored edition presents the stories the way Faulkner intended them Originally published in 1949 Knight s Gambit is a collection of six stories written in the 1930s and 1940s that focus on the criminal investigations of Gavin Stevens the county attorney of Faulkner s fictional Yoknapatawpha County Mississippi where so many of his famous novels are set These stories originally appeared in magazines where editors made substantial changes to Faulkner s manuscripts before publishing them Some of these changes seem to have been intended to make the stories conform to prevailing styles some were made for concision or propriety and some to remove the regional Southernness of Faulkner s tales Scholar John N Duvall uncovered edited typescripts that revealed the deletions and changes and allowed him to restore these six stories to their original Faulknerian glory **Illuminating Fiction** Sherry Ellis,2009
