Leonard Bernstein Burton

Bernstein,Barbara Haws,2023-11-21 Interspersed with a wealth of well considered commentary are the smart and affectionate recollections of Burton Bernstein A flat out wonderful book Booklist starred review One of the most gifted celebrated scrutinized and criticized musicians of the twentieth century Leonard Bernstein made his legendary conducting debut at the New York Philharmonic in 1943 at age twenty five A year later he became a sensation on Broadway with the premiere of *On the Town* Throughout the 1950s his Broadway fame only grew with *Wonderful Town* *Candide* and *West Side*

Story And in 1958 the Philharmonic appointed him the first American Music Director of a major symphony orchestra a signal historical event He was adored as a quintessential celebrity but one who could do it all embracing both popular and classical music a born teacher writer and speaker as well as a political activist In 1976 having conducted the Philharmonic for more than one thousand concerts he took his orchestra on tour to Europe for the last time The essays within this book do not simply retell the Bernstein story instead Leonard Bernstein s brother Burton Bernstein and New York Philharmonic archivist and historian Barbara B Haws have brought together a distinguished group of contributors to examine Leonard Bernstein s historic relationship with New York City and its celebrated orchestra Composer John Adams American historians Paul Boyer and Jonathan Rosenberg music historians James Keller and Joseph Horowitz conductor and radio commentator Bill McGlaughlin musicologist Carol Oja and music critics Tim Page and Alan Rich have written incisive essays which are enhanced by personal reminiscences from Burton Bernstein A visual treasure trove chock full of black and white photographs
