Reflecting The Glory Meditations For Living Christs Life In The World:

Reflecting the Glory N. T. Wright, 1998 Fifty three devotional readings based on key New Testament passages including the Gospel of John

Subversive Spirituality L Paul Jensen, 2011-06-30 Subversive Spirituality links the practice and study of Christian spirituality with Christian mission It develops a twofold thesis grace spiritual disciplines and mission practices are inseparably linked in the mission of Jesus of the early church and of several historical renewal movements as well as in a contemporary field research sample and amidst the collapse of space and time evidenced by our culture s increasingly hurried pace of life more time and space are needed for regular solitary and communal spiritual practices in church mission and leadership structures if Christian mission is to transform people and culture in our time This requires a subversion of the collapsed spatial and temporal codes that have infected our Christian institutions Jensen employs methods and approaches from a variety of academic disciplines to explore both spirituality in terms of space and time and mission in terms of deed and word Specifically Jensen examines the spirituality and mission of Jesus the early church the apostolic fathers Origen the Devotio Moderna the early Jesuits David Brainerd and several women in 19th century Protestant missions He considers the spirituality and mission that have arisen within the postmodern generations born after 1960 Based on the theological historical cultural and field analyses of this study a model for spirituality and mission is proposed The model addresses the contemporary collapse of space and time and appears to have widespread applicability to diverse cultures and eras Jensen s model is applied to the pluralistic and postmodern milieu of North America with recommendations for spirituality and mission in church mission and educational structures A derivative model for teaching and practicing spirituality and mission in the academy which also has application for non formal leadership development structures is also proposed

The Righteousness of God Charles Lee Irons, 2015-03-10 Advocates of the New Perspective on Paul appeal to the view that righteousness in biblical theology is a *Verhältnisbegriff* relational concept This is the view that righteousness does not mean conformity to a norm nor is it an essentially legal concept rather righteousness denotes the fulfillment of the demands of a relationship since the relationship itself is the norm This relational interpretation of righteousness was first put forward by Hermann Cremer in 1899 and exercised a profound influence in biblical scholarship throughout the 20th century It lies at the root of the New Perspective claim that the righteousness of God in Paul is a cipher for God s saving faithfulness to his covenant a view defended by N T Wright among others Charles Lee Irons provides a critical examination of Cremer s chief arguments for the relational covenant faithfulness interpretation The author argues instead for the view that the righteousness of God in Rom 1 17 3 21 22 10 3 2 Cor 5 21 and Phil 3 9 is the status of

righteousness that comes from God as a gift *Cherish* Gary Thomas,2017-01-10 Gary Thomas pastor and bestselling author of *Sacred Marriage* believes that one simple word can bring hope light and life into any marriage *Cherish* Most marriages survive by gritting teeth and holding on But what if surviving marriage wasn't the goal What if we aimed to thrive instead In *Cherish* Thomas teaches us that although there are a countless number of marriages consisting of two people just going through the motions there are real ways this pattern can be reversed when husbands and wives learn to cherish one another in their everyday actions and words The way we treat something acknowledges whether we cherish it or hold it with indifference or contempt To truly cherish something is to go out of our way to show it off protect it and honor it We want others to see and recognize and affirm the value that we see Thomas reminds us that in a world desperate for marriage redemption the act of cherishing is needed now more than ever Cherishing your spouse will elevate your marriage relationally emotionally spiritually and even physically You will set different goals for your relationship and you'll see your marriage with fresh eyes Through personal stories real world examples and timeless biblical truths Thomas shares the tools you need to turn your marriage around including Using your mind to change your heart Sacrificing for your spouse Praying with intentionality Prioritizing your life partner Through the biblical act of cherishing we can empower our spouses to become who they are called by God to be and in the process to become more of who we are called to be creating a marriage that feels more precious more connected and more satisfying If you're ready to revolutionize your relationship it's time to learn how to truly Cherish it

The Dusty Ones A. J. Swoboda,2016-02-23 Through every turn of the biblical story God's people are a wandering people When they are rescued from slavery in Egypt God sends them into the desert where they wander for a generation Jesus and his disciples wander from town to town In fact some of God's most important truths are imparted to people with dusty feet as they travel on the road With his trademark thoughtful introspection A J Swoboda boldly suggests that wandering is not an absence of faith but a central component of faith In *The Dusty Ones* he leads the restless the frustrated and the curious on a spiritual journey to uncover the answers to questions like Do I wander because I'm failing or because God has left me Is the desert something I can overcome Why is God sometimes hidden in the Bible What do I do when the end seems nowhere in sight This compassionate and contemplative book offers hope and peace to Christians and seekers alike as they make their way down the winding road of faith *Visions of Vocation* Steven Garber,2014-01-27

Vocation is more than a job It is our relationships and responsibilities woven into the work of God In following our calling to seek the welfare of our world we find that it flourishes and so do we Garber offers here a book for parents artists students public servants and businesspeople for all who want to discover the virtue of vocation **A Daybook of Prayer** Thomas

Osborne,2016-05-06 Being a pastor has its rewards and pleasures But churches can be unsafe places They are filled with broken imperfect people Many ministers of the gospel walk into a church naive about the potential hazards of their vocation They are vulnerable to difficult people unresolved conflict incompatible visions hidden agendas mission drift and sin their own and that of others Other pastors feel trapped in a ministry hurricane and don t know what to do They feel like failures They re thinking about leaving the ministry They are looking for help and hope not from an expert detached from the real world of ministry but from someone who has suffered through church hurricanes and lived to share the story Moreover they need to know they are not alone *Surviving Ministry How to Weather the Storms of Church Leadership* includes the author s own story as well as true stories from other pastors who have been in the eye of the hurricane Discouraged ministers looking for biblical practical gospel centered advice for storm proofing their churches homes and hearts have found a friend *Surviving Ministry* will equip them to stay resilient before during and after seasons of difficulty **Saints Herald** ,1883
