Rider On A White Horse:

Who is the Rider on the White Horse?. Jack Armstrong,1988 **The Rider on the White Horse** Theodor Storm,2012-11-01 The Rider of the White Horse is a classic German novella in which the individual wrestles with the mass the man with the most elementary forces of nature The scene of the novella is characterized with vividness in its setting of marsh and sea it glorifies love and at the same time it touches themes which deeply occupied Storm such as the problem of heredity or the relation between father and son Happiness is won but it ends in tragedy It is a man of sober intellect who tells the whole story and yet like human life itself it stands out against a mystic background Remembrance of long ago has clarified everything It is Storm s last complete work **The Rider on the White Horse** Theodor Storm,1964 The Book of Revelation Leonard L. Thompson,1997-02-13 About seventy years after the death of Jesus John of Patmos sent visionary messages to Christians in seven cities of western Asia Minor These messages would eventually become part of the New Testament canon as The Book of Revelation What was John s message What was its literary form Did he write to a persecuted minority or to Christians enjoying the social and material benefits of the Roman Empire In search of answers to these penetrating questions Thompson critically examines the language literature history and social setting of the Book of the Apocalypse Following a discussion of the importance of the genre apocalypse he closely analyzes the form and structure of the Revelation its narrative and metaphoric unity the world created through John s visions and the social conditions of the empire in which John wrote He offers an unprecedented interpretation of the role of boundaries in Revelation a reassessment of the reign of the Emperor Domitian and a view of tribulation that integrates the literary vision of Revelation with the reality of the lives of ordinary people in a Roman province Throughout his study Thompson argues that the language of Revelation joins the ordinary to the extra ordinary earth to heaven and local conditions to supra human processes **Rider's Resolve** Alessandra Clarke, She avenged her father She saved the tribes Now she just wants to be left alone in her misery to mourn those she s lost But Aran the new Daliph of the Toreem Daliphate has other plans He wants access to the Hidden City and the objects of power stored there And whether she wants to or not K lrsa is the only one powerful enough to stand against him In this thrilling conclusion to the Rider s Revenge Trilogy K lrsa must once again defend her people and defeat an evil that threatens their very existence But can she do so without succumbing to her own inner darkness Revelation Judith Kovacs,Christopher Rowland,2013-04-01 This ground breaking commentary on The Revelation to John the Apocalypse reveals its far reaching influence on society and culture and its impact on the church through the ages Explores the far reaching influence of the Apocalypse on society and culture Shows the book s impact on the Christian church through the ages Looks at interpretations of the Apocalypse by theologians ranging from Augustine to late twentieth century liberation theologians Considers the book s effects on writers artists musicians political figures visionaries and others including Dante Hildegard of Bingen Milton Newton the English Civil war radicals Turner Blake Handel and Franz Schmidt Provides access to material not

readily available elsewhere Will appeal to students and scholars across a wide range of disciplines as well as to general readers More information about this series is available from the Blackwell Bible Commentaries website at <http://www.bbibcomm.net> **Revelation for the Layman** Harold Cox, 2008 In his new book *Revelation for the Layman* Rev Harold Cox's readers will find many answers to their questions Cox not only uses in depth scripture references to back up his claims he connects to his readers on a personal level using a practical yet very engaging voice As a minister Cox realizes that The Book of Revelations is perhaps the most mysterious book in the Bible throughout the ages Cox wrote *Layman* with the word objectivity in mind in that he be factual true and stay accurate to scripture I have endeavored to be honest unto all men

A Better Understanding (Vol. 2) G. Ancel Killion, 2010-03-25 The information that I have presented in these writings is possibly controversial to the belief of others In my search for Bible truth I have derived from others many of the conclusions found within these Biblical subjects With each subject I have insisted on positive proof by finding supporting scriptures that prove their meaning By doing extensive search of the scriptures I believe the things written here are closer to Bible truth than what others have found I was prompted to get a better understanding of the scriptures by the fact that there are so many different beliefs being taught in the Christian churches I have tried to keep an open mind about those things that I have heard from the many ministers of the churches that I have attended I have always been with the idea that if one just accepts what you are being told in these churches there is a danger because you are putting your salvation in another's hands I have come to believe there are many false ideas being taught by those ministers of the Christian belief I believe those ministers are sincere with their teaching but I also believe they in many ways have it wrong I have considered the old saying if you are being led by a blind man and he falls into the ditch you also will fall into that ditch I feel strongly that each one of us is responsible for our own salvation by hopefully getting it right The things I have written are my opinion and one must decide upon reading if it agrees with your understanding For many years I have done extensive study of the scriptures and believe I have found a more truthful understanding of those scriptures I believe in what I have found so strongly that I feel I must tell others *My Journey With Christ* Bob Francis, 2025-11-23 Christianity is declining in the West in stark contrast to other countries particularly in the East where it faces suppression Yet many are turning to our Lord In Iran it is claimed that hundreds of thousands of Christians have secretly joined the Body of Christ at great peril and churches are growing daily In contrast here in the West Christianity is rapidly becoming a minority religion During the Reformation Bible critics planted the seeds that transformed the Church into a lukewarm entity However nineteenth century missionaries brought God's grace particularly to the United Kingdom which initiated a significant event in the early twentieth century The Bible is filled with prophecies that leaders of our assemblies do not regularly teach Prophecy aims to give the Church hope and encourages us to look forward to our Lord's return This account describes the unravelling of a crimson cord from Genesis to Revelation The creation narrative is not just about how God created the heavens and the earth but also outlines God's plan for redemption

The pattern of creation by design is connected to the first Passover Lamb Jesus crucifixion and resurrection illustrating how Jesus is the First Fruits and took paradise to Heaven In short Genesis chapter 1 is both enlightening and prophetic We will explore the possibility of a hidden day in the creation narrative Prophecy is also linked to the Last Supper which established a New Covenant and a Betrothal It foreshadows the reality of the Church s rapture Framing this within culture context and audience enhances its prophetic nature Drama of the Age John Carroll Brown,2005-10 Drama of the Age a fresh look at Revelation Beginning with the initial vision and letters it presents both the preparation and action of the divine drama A must read
