Riders From Nowhere

Graham Webb

Riders From Nowhere:

Riders from Nowhere Aleksandr Ivanovich Abramov, Sergeĭ Abramov, 1991 **Riders of the Night** Eugene Cunningham, 2022-08-16 Eugene Cunningham's *Riders of the Night* is a gripping tale that skillfully blends adventure with the nuanced traditions of Western genre literature. Cunningham's narrative is a testament to the timeless allure of the Old West, captured with a prose style that is both evocative and direct. As the readers traverse the rugged landscapes alongside the characters, they are immersed in a story that is attentive to the literary context of its era, settling alongside the works of contemporaneous authors who sought to depict the West's raw beauty and complexity. *Riders of the Night* is not just entertainment; it is an embodiment of narrative craftsmanship, reflective of a period that revered grand tales of courage and frontier justice. As an author, Eugene Cunningham drew from his profound understanding and personal experience of the American West. His authentic portrayal of Western life is grounded in its historical realities, capturing the trials of its people with an insider's perspective. Cunningham's reasons for writing this book can be traced back to his own journey through the landscapes that he vividly describes. This personal connection infuses his work with an authenticity that resonates with readers seeking a genuine taste of Western Americana. *Riders of the Night* comes highly recommended for aficionados of Western literature and anyone who cherishes the inheritance of human storytelling. It is more than a simple retelling of gunslinger lore; it is a carefully woven tapestry of human experience set against the vast backdrop of the American frontier. Cunningham's novel invites readers to rediscover the thrill of the Wild West, its enduring legacy, and its bearing on the American identity. DigiCat Publishing's careful reproduction honors the novel's status as a piece of world literature, making it a cherished addition to any literary collection.

The Doomsday Riders J.R. Roberts, GUNS ABLAZIN When Clint Adams steers his stallion into Easterly, Indiana, he knows this sleepy town is no place to hole up in for more than a day. But he needs some shut eye, and if his bed happens to have a warm and willing woman in it, so much the better. But it turns out the Gunsmith isn't the only one with an interest in the region. A posse calling themselves The Doomsday Riders have burned down at least a dozen towns, and now a little hamlet on the outskirts of Easterly is next on their lethal list. That is, if they can get past the famous gunslinger himself, who isn't about to let them level another town without one helluva showdown. [The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States](#) American Film Institute, 1993 The entire field of film historians awaits the AFI volumes with eagerness. Eileen Bowser, Museum of Modern Art Film Department. Comments on previous volumes: The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog. Thomas Cripps: Endlessly absorbing as an excursion into cultural history and national memory. Arthur Schlesinger Jr. **Riders from nowhere** Alexander Abramov, Sergeĭ Abramov, 1991 *Black Earth* M.S. Verish, 2014-10-31 *Black Earth: The Complete Trilogy* All Three Novels in One Volume: *Dawning Meridian* and *Nightfall*. Thief, Vagrant, Scoundrel. Words to describe a nameless Demon born of Shadow, lost in a

world of Humans The elements are his to command but for all his magic he cannot cure himself of the fatal malady that is his bane In his desperate search for a remedy he liberates a powerful immortal prince held captive inside a mountain Eraekryst s ability to read and guide the thoughts of others leaves the Demon a wary companion as they venture to Mystland the land of magic Two witches will alter their fate and cast them far from the lives they had known They decide to head north to become part of a land where the earth is cold and black and the motives of its inhabitants are just as obscure Their greatest threat watches and waits for their inevitable downfall Seranonde the Huntress a sinister immortal feared even by her own kind has her sight locked upon both Eraekryst and the Demon Only time will tell if they will fall victim to Seranonde s dark intentions or if their own destructive tendencies will be their ultimate undoing

Overcoming Your Alcohol, Drug & Recovery Habits

James DeSena,2002-09-01 Recognizing that an addiction to 12 step programs can be just as dangerous as an addiction to alcohol or drugs this book provides techniques to counter the self defeating beliefs that lead to addiction It enables those who have gone through Alcoholics Anonymous Narcotics Anonymous and formal 12 step addiction treatments to overcome the self destructive beliefs and attitudes that these programs promote These include the idea that addicts and alcoholics are powerless the belief that addiction is an incurable disease the assertion that people who slip inevitably lose control and the notion that those who reject the 12 step approach are doomed Devoted to helping individuals indoctrinated in 12 step dogma recognize their destructiveness this book provides effective psychological techniques to vanquish negative thinking and help individuals regain control of their lives

Freedom Riders

Raymond Arsenault,2006-01-15 They were black and white young and old men and women In the spring and summer of 1961 they put their lives on the line riding buses through the American South to challenge segregation in interstate transport Their story is one of the most celebrated episodes of the civil rights movement yet a full length history has never been written until now In these pages acclaimed historian Raymond Arsenault provides a gripping account of six pivotal months that jolted the consciousness of America The Freedom Riders were greeted with hostility fear and violence They were jailed and beaten their buses stoned and firebombed In Alabama police stood idly by as racist thugs battered them When Martin Luther King met the Riders in Montgomery a raging mob besieged them in a church Arsenault recreates these moments with heart stopping immediacy His tightly braided narrative reaches from the White House where the Kennedys were just awakening to the moral power of the civil rights struggle to the cells of Mississippi s infamous Parchman Prison where Riders tormented their jailers with rousing freedom anthems Along the way he offers vivid portraits of dynamic figures such as James Farmer Diane Nash John Lewis and Fred Shuttlesworth recapturing the drama of an improbable almost unbelievable saga of heroic sacrifice and unexpected triumph The Riders were widely criticized as reckless provocateurs or outside agitators But indelible images of their courage broadcast to the world by a newly awakened press galvanized the movement for racial justice across the nation Freedom Riders is a stunning achievement a masterpiece of storytelling that will stand alongside the finest works on the history of civil rights

Corral

Dust from Across the Big Divide Richard Bird Baker, 2011-03-23 Will Rogers wrote CHARLIE RUSSELL is the only western artist a true cowboy cant find fault with Rogers also considered Charlie Americas best storyteller cowboy humorist and sagebrush philosopher Though Charlie was under schooled and semi literate his salty Rawhide Rawlins yarns still delight readers eight decades after he crossed the big divide Richard Bird Baker has long striven to bring Russells wit humor cynicism and horse sense back to life In this collection of western yarns Mr Baker utilizes Charlie Russell as his early twentieth century styled narrator He depicts Russell telling yarns in Charlies personal style utilizing ample dry humor expressed in colorful cowboy lingo These yarns convey many facets of late nineteenth century cowboy life the good times and the hardships the joys and sorrows and above all the humor and good nature of the western folk icon the American cowboy This book is a must for fans of cowboy humor salty western metaphors and sagebrush philosophy

Encyclopedia of American Short Films, 1926-1959 Graham Webb, 2020-07-27 Short subject films have a long history in American cinemas These could be anywhere from 2 to 40 minutes long and were used as a filler in a picture show that would include a cartoon a newsreel possibly a serial and a short before launching into the feature film Shorts could tackle any topic of interest an unusual travelogue a comedy musical revues sports nature or popular vaudeville acts With the advent of sound on film in the mid to late 1920s makers of earlier silent short subjects began experimenting with the short films using them as a testing ground for the use of sound in feature movies After the Second World War and the rising popularity of television short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s
