Riders Across The Border:

The Freedom Riders Across Borders Barbara Lüthi, 2022-08-30 *The Freedom Riders Across Borders* Contentious Mobilities provides the first comprehensive transnational historical analysis of the Freedom Rides It explores the transnational history of these social movements and the struggles for the right to mobility and other civil rights in the United States of America Australia and Palestine between 1961 and 2011 This book makes a significant contribution to the transnational studies of social movements and the burgeoning field of mobility studies by investigating the specific constellations of mobility as historically and geographically specific formations of movement as well as investigating how the images ideas and strategies of Freedom Riders were adapted translated and moved across time and space Foremost this book speaks to the pressing questions of the past and present concerning the politics and inequalities of mobilities impacting different social groups in different ways From a historical perspective it gives answers to the intensified interest and questions concerning the dynamics techniques and contentious politics of social movements in a globalized environment The book details how the question of mobility has come to constitute political conflict and protest over norms restrictions and representations It shows not only that mobility is a differentially accessed resource which shapes and is shaped by political processes but also that contestation is an equal part of forming mobility The book identifies vehicles as a mobile site of contestation and in the context of the Freedom Rides as a site of strategic political action In doing so L thi makes a persuasive case for mobility to be given a central place in the study of progressive social movements As such this book will be of great interest to researchers in a number of disciplines including history geography and sociology **She Rides** Alenka Vrecek, 2025-07-30 At fifty four Alenka was running out of time to follow through on a dream she d written down in her pocket size Rumi book just after her first marriage crumbled Years later as she slowly rebuilt her life with her second husband things started spiraling out of control The only way she knew how to heal and connect all painful parts of her life was by riding her bike and she didn t want to have regrets But was she brave enough to embark on an unknown path and risk losing everything perhaps even her own life Determined to awaken her dying spirit and heal her battered body Alenka loaded her mountain bike with 50 pounds worth of camping gear and set off on a 2 500 mile journey Starting in Lake Tahoe California she hoped to ride along the Sierra Nevada Mountain range to the tip of Mexico s Baja Peninsula following remote mountain trails Alone What followed was an irrevocably transformational journey of love hope courage and resilience and here Alenka tells that story in a voice stripped of self pity and infused with a good dose of humor *She Rides* is a galvanizing wake up call for anyone who wants to unearth and follow their own deeply buried dreams and reclaim their life

Performing Nordic Heritage Lizette Gradén, 2016-05-13 The performance of heritage takes place in prestigious institutions such as museums and archives in officially sanctioned spaces such as jubilees and public monuments but also in more mundane ephemeral and banal cultural practices such as naming of phenomena viewing exhibitions or walking in the

countryside This volume examines the performance of Nordic heritage and the shaping of the very idea of Norden in diverse contexts in North America the Baltic and the Nordic countries and examines the importance of these places as sites for creating and preserving cultural heritage Offering rich perspectives on a part of Europe which has not been the centre of discussion in the Anglophone world this volume will be of value to a wide readership including cultural historians museum practitioners policy makers and scholars of heritage ethnology and folkloristics

Motorcycle Road Trips: Riding Across Scenic Routes Georgie Rogers, Embark on an unforgettable journey with Motorcycle Road Trips Riding Across Scenic Routes the ultimate guide for motorcycling enthusiasts who crave the thrill of the open road This comprehensive volume offers an in depth exploration of the world's most iconic and breathtaking routes from the sun drenched coasts of California to the rugged landscapes of the Himalayas Learn about essential gear safety tips and the best times to ride along with detailed route descriptions and practical advice for planning your adventures Discover lesser known gems embrace the spirit of adventure motorcycling and get inspired by stories from seasoned riders Whether you're a seasoned biker or new to the world of motorcycle touring this book is your ticket to exploring the globe on two wheels
