

Rio Grande To Cape Horn

Lloyd's Register Foundation

Rio Grande To Cape Horn:

Rio Grande to Cape Horn Carleton Beals, 1943 **Lands of the Dawning Morrow** Carleton Beals, 1948 **The Rebel Scribe** Christopher Neal, 2022-01-27 Carleton Beals was among America's most distinctive foreign correspondents. His colorful combatively critical reporting of U.S. intervention in Latin America had a fearless energy and authority that won him millions of readers. He interviewed the Nicaraguan rebel leader Sandino in the camp from which he fought thousands of U.S. marines in 1928, covered two revolutions in Cuba in 1933 and 1959 and interpreted the Mexican Revolution for American readers. Beals's dispatches and features appeared regularly in the *Nation*, *New Republic*, *Current History* and the *Progressive* and often in the *New York Times*. *Time* magazine called him the best informed and the most awkward living writer on Latin America. Forty books including chronicles, political analysis and novels drawn mostly from his travels and wide ranging contacts in what he called America South made that characterization apt. But Beals was also an eyewitness reporter on Mussolini's rise in Italy. He wrote on U.S. topics too such as Louisiana's Huey Long and the environmental damage and rural migration in the 1930s caused by emerging agribusiness in America's South and West. Many of his books were best sellers, their evidence based assessments earning at least grudging respect even among those who took issue with his indictments of U.S. economic and government elites. At once biography and analytical history, *The Rebel Scribe* tells the story of a fiercely independent non conformist. It probes Beals's interactions with political leaders, democrats, demagogues, populists and revolutionaries and reveals how his ability to immerse himself in their societies gave his accounts a palpable authenticity and time has shown a prescience that is almost prophetic. Christopher Neal's layered narrative traces how Beals identified patterns of political behavior and concepts that later became fully fledged schools of thought such as the idea of a Third World dependency theory, U.S. neo imperialism and aspects of critical theory. His story sheds light on the evolution of U.S. foreign policy and intervention from Mexico and Nicaragua in the 1920s to Cuba and Vietnam in the 1960s. It reveals the fraught trail that faced and still faces contrarian journalists who challenge conventional assumptions while also showing how probing journalism drives change.

International Shipping and Shipbuilding Directory, 1917 **The "Shipping World" Year Book** Evan Rowland Jones, James Thomas Findlay, Archibald Hurd, 1889 **International Shipping & Shipbuilding Directory**, 1891 **International Shipping & Shipbuilding Directory** Evan Rowland Jones, James Thomas Findlay, Sir Archibald Hurd, 1916 **The new sailing directory for the Ethiopic or southern Atlantic ocean** John Purdy, 1844

The Ships Atlas 1994 Lloyd's Register Foundation, 1994-01-01 The *Ships Atlas* was first produced in 1984 and has since become a valuable tool for the shipping industry. The books provide the exact location of ports as well as a system of map symbols which indicate basic information like cargoes handled, dry dock availability and size. The comprehensive port index lists data such as the maximum size of vessel handled, access to fuel and medical facilities and the nearest airport. The books also contain a selection of regional and global maps including World Political Time Zones, MARPOL 7L3/78 Sensitivity Sea
