The Tao of Asian American Belonging Hertig, Young Lee, 2019-08-29 This book expresses a quest for inclusion amid feminist womanist and mujerista discourses Hertig's yinist spirituality is a novel attempt to lift up the voices of female Asian American voices in Christian ecological theology She coined the term yinist in the 1990s to name the nameless Asian American feminism The term yin refers to the feminine energy of Taoism in contrast to the male yang This book will be a valuable resource for the academy churches and denominational leaders

The Sabbath Recorder, 1922 The Collected (Almost) Works of Michael Timko Michael

Timko,2007-10-30 The Collected Almost Works of Michael Timko Volume II consists of a number of essays written over the past 50 or so years These essays some scholarly some not so scholarly reflect his interests in various subjects some scholarly some not so Their publication in this volume is chiefly for the benefit of immediate family and dear friends The author hopes that those who dip into the book will immerse themselves completely in other words get wet In the words of that famous philosopher Enjoy *The Bonhoeffer Reader* Clifford J. Green,Michael P. DeJonge,2014-04-17 For the first time the essential theological writings of Dietrich Bonhoeffer have been drawn together in a helpful one volume format The Bonhoeffer Reader brings the best English translation to students and provides a ready made introduction to the thought of this essential thinker

Inventions of the Imagination Richard T. Gray,Nicholas Halmi,Gary J. Handwerk,Michael A. Rosenthal,Klaus Vieweg,2011-10-17 The dialectic between reason and imagination forms a key element in Romantic and post Romantic philosophy science literature and art Inventions of the Imagination explores the diverse theories and assessments of this dialectic in essays by philosophers and literary and cultural critics By the end of the eighteenth century reason as the predominant human faculty had run its course and imagination emerged as another force whose contributions to human intellectual existence and productivity had to be newly calculated and constantly recalibrated The attempt to establish a universal form of reason alongside a plurality of imaginative capacities describes the ideological program of modernism from the end of the eighteenth century to the present day This collection chronicles some of the vicissitudes in the conceptualization and evaluation of the imagination across time and in various disciplines **Foundations of Enterprise**

Governance and Enterprise Engineering Jan A.P. Hoogervorst,2018-03-23 This book outlines the important foundational insights for enterprise governance and enterprise engineering which are obviously provided by the social and organization sciences but also by other sciences such as philosophy and information technology It presents an employee centric theory of organization in order to secure enterprise performance and also to comply with moral considerations about society and human individuals This is necessary as prescriptions based on best practices or the best managed companies are often merely anecdotal faddish or controversial and based on unsubstantiated pseudo theories The book consists of four main chapters the first of which summarizes the importance of foundational insights for enterprises and explains the mutual relationships between the basic elements of enterprise governance and enterprise engineering Next chapter 2 explains the necessary philosophical foundations concerning knowledge truth language and human existence Subsequently chapter 3 describes the ontological foundation and the nature of society and enterprises as understanding their characteristics is a prerequisite for understanding and designing enterprises Finally chapter 4 approaches ideological foundations as beliefs and convictions as they create specific requirements for the design of enterprises In this way the book covers all the cornerstones of the employee centric theory of organization drawing on foundational insights The book is mainly intended for students specializing in areas such as business administration management and organization science governance and enterprise and

information systems design However professionals working in these areas will also benefit from the book as it allows them to gain a deeper understanding of the theoretical foundations of their work and will thus help them to avoid strategic failures due to a lack of coherence and consistency between the various parts of their organization *Studies on the science of general history* Gustavus George Zerffi, 1889 Reformed Dogmatics Herman Bavinck, John Bolt, John Vriend, 2004-10 This classic work of Reformed theology is the second of four volumes now available in English **Barcelona, Berlin, New York** Dietrich Bonhoeffer, Clifford J.
