The Real Jesus Myth Rev. Bill Musselwhite,2013-12-13 The Real Jesus Myth is what happens when a retired but still cynical journalist who is also a retired but still cynical Anglican priest decides to answer some of the questions tossed at him about the Christian Faith Many people don t know enough about the nuts and bolts of Christian belief doctrine to use an unpopular word This isn t their fault most mainline churches put social justice issues front and centre while doctrine evangelism and apologetics gather dust in the rear pews This may be one reason so many mainline churches are scrambling to stay afloat and if so why it s long past time to re emphasize the fundamentals of the Faith The Real Jesus Myth is a fairly orthodox look at the Christian Faith centered around the Nicene Creed and bookended by comments on everything from why the bible is God s word to why orthodoxy isn t as scary as you may think It is written both for Christians and for the curious non Christian but one caution the author is an ex columnist and police reporter not a theologian so don t expect this to read like a textbook
