Rose Of Sharon:

I Am His: He Is My Rose of Sharon Deborah Malone Ralph, 2015-04-28 *I Am His He Is My Rose of Sharon* describes Jesus as the Rose of Sharon mentioned in the Old Testament of the Bible This book also tells the story of the Rose of Sharon as the church the Bride of Christ and her close relationship with Jesus the Savior of the World Jesus is also revealed as the Bridegroom who has given his life for his Bride because of his uncompromising love for her As his bride learns more about him as a Prophet Savior and Son of God her love grows stronger for Him This love story reveals to the reader the process of growth and maturation of the bride as she learns who she is in her relationship to Jesus This bride is now able to grow in confidence in discovering her purpose on earth As the reader is drawn to the title and content of this written work he or she will desire to know Jesus on a personal level because the love of Jesus is so sweet to ones soul and spirit The author shares the beauty and colorful splendor of the traditional American rose However the Rose of Sharon as a flower has another name and a special beauty and fragrance The reader will begin a journey of discovery love and power as they read this account of the Rose of Sharon

The Moral Philosophy of John Steinbeck Stephen K. George, 2005-03-23 More than any other author of the Modern period of American literature John Steinbeck evidenced a serious interest and background in moral philosophy His personal reading collection included works ranging from Kant and Spinoza to Taoism and the Bible Critics also consistently identify Steinbeck as an author whose work promotes serious moral reflection and whose characters undergo profound moral growth Yet to date there has been no sustained examination of either John Steinbeck s personal moral philosophy or the ethical features and content of his major works This critical neglect is remedied by a collection of highly readable essays exploring the philosophy and work of one of America s few Nobel Prize winning authors These thirteen essays written by experts both within philosophy and Steinbeck studies examine almost all of Steinbeck s major works Included in the compilation are five general essays examining Steinbeck s own moral philosophy and eight specific essays analyzing the ethics of various major works
