

# Act 1 Scene 1

We'll now watch and read the first scene of Richard III.

**Challenge:** What sort of a person is Richard III shown to be in this part of the play?

**Extra Challenge:** Is this different to how you expected him to be? Why? Why not?

**Mega Challenge:** Evaluate the reasons why Shakespeare may have shown Richard III like this.

**Shakespeares Henry Vi Richard Iii With An Introduction**

## **Shakespeare's Henry VI Richard III With An Introduction By Alfred W Pollard:**

**Shakespeare's Henry VI and Richard III. With an Intro. by Alfred W. Pollard** Peter Alexander,1970

Shakespeare's Henry VI and Richard III Peter Alexander,1929

**Northrop Frye's Writings on Shakespeare and the**

**Renaissance** Northrop Frye,2018-08-08 This collection of Northrop Frye's writings on Shakespeare and the Renaissance spans forty years of his career as a university teacher, public critic, and major theorist of literature and its cultural functions. Extensive annotations and an in-depth critical introduction demonstrate Frye's wide-ranging knowledge of Renaissance culture, the pivotal place of the Renaissance in his oeuvre, his impact on Renaissance criticism, and on the Stratford Festival and his continuing importance as a literary theorist. This volume brings together Frye's extensive writings on Shakespeare and other Renaissance writers, excluding Milton, who is featured in other volumes, and includes major articles, introductions, public lectures, and four previously published books on Shakespeare. Frye's insightful analyses offer not just a formidable knowledge of Renaissance culture but also a transformative experience, moving the reader imaginatively towards an experience of created reality.

**Shakespeare Problems**, **Early Shakespeare, 1588-1594** Rory Loughnane, Andrew J.

Power,2020-04-30 **Early Shakespeare 1588-1594** draws together leading scholars of text, performance, and theatre history to offer a rigorous re-appraisal of Shakespeare's early career. The contributors offer rich, new critical insights into the theatrical and poetic context in which Shakespeare first wrote and his emergence as an author of note while challenging traditional readings of his beginnings in the burgeoning theatre industry. Shakespeare's earliest works are treated on their own merit and in their own time, without looking forward to Shakespeare's later achievements. Contributors situate Shakespeare in his twenties in a very specific time, place, and cultural moment. The volume features essays about Shakespeare's early style, characterisation, and dramaturgy, together with analysis of his early co-authors, rivals, and influences, including Lyly, Spenser, and Marlowe. This collection provides essential entry points to and original readings of the poet-dramatist's earliest extant writings and shines new light on his first activities as a professional author.

Shakespeare Problems, 1929 Plagiarism and Imitation During the English Renaissance Harold Ogden White,2013-10-28 This book defines the attitude of English writers between 1500 and 1625 toward the question of literary property rights of imitation of what today is called plagiarism.

**The Oxford Handbook of Shakespeare and Early Modern Authorship**,2025-09-09 The Oxford Handbook of Shakespeare and Early Modern Authorship draws together leading and emerging scholars of Shakespeare and early modern literature to consider anew how authorship worked in the time in which Shakespeare wrote and to interrogate the construction of the Shakespeare as author figure. Composed of four main sections, it offers fresh analysis of the literary and cultural influences and forces that formed authors in the period, the mechanics of early modern authorship, the mediation of Shakespeare and others' works in performance, manuscript, and print, and the critical and popular reimagining across times of Shakespeare as an author figure. Diving into modern debates about early modern authorship, authority, and identity politics.

contributors supply rich new accounts of the wider scene of professional authorship in early modern England of how Shakespeare's writings contributed to it and of what made him distinctive within it Looking beyond Shakespeare the Handbook seeks to provide a vital testing ground for new research into early modern literature and culture more broadly

**Catalogue** Bernard Quaritch (Firm),1922      **Library Bulletin** University of Aberdeen,1928      **The London Shakespeare: The comedies** William Shakespeare,1957      **Shakespeare Survey: Volume 55, King Lear and Its Afterlife** Peter Holland,2002-10-24 Shakespeare Survey is a yearbook of Shakespeare studies and production Each volume is devoted to a theme or play or group of plays each also contains a section of reviews of criticism and performance For the first time numbers 1-50 are being reissued in paperback      **The comedies.-v.3. The histories.-v. 4. The histories. The poems.-v.5-6.
