*The American Shakespeare Theatre, Stratford 1955-1985* Roberta K. Cooper, 1986-12      **Shakespeare, Sex and the Print Revolution** Gordon Williams, 2000-12-01 This book investigates how the sexual element in Shakespeare's works is complicated and compromised by the impact of print Whether the issue is one of censorship and evasion or sexual redefinition the fact that Shakespeare wrote in the first century of popular print is crucial Out of the newly accessible classical canon he creates a reconstituted idea of the sexual temptress and out of the Counter Reformation propaganda he fashions his own complex thinking about the prostitute Shakespeare's theatrical scripts meeting ground from the spoken and written word contribute powerfully to those socio sexual debates which had been re energized by print      Shakespeare Survey Allardyce Nicoll, 2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback      **Shakespearian Tarot Deck for Pack** Dolores Ashcroft-Nowicki, 1990-12-01      The History of the Occult Tarot Ronald Decker, Michael Dummett, 2013-07-18 An essential volume for the libraries of all serious students of the Tarot When the Tarot was invented in Italy during the early fifteenth century it was simply a pack of cards used for playing games Esoteric interpretations of the pack date from late eighteenth century France and were confined to that country for a hundred years But today the cards are used throughout the world and not only for fortune telling for true believers they are the key to secret knowledge and the meaning of life A History of the Occult Tarot is the classic work on the history of the Tarot deck and its use in occult circles Starting with the late nineteenth century the Decker and Dummett examine how the Tarot became the favoured divination tool of occultists a bridge to the spirit world and a map of the unconscious From Theosophical to Aleister Crowley to the Order of the Golden Dawn and P D Ouspensky this compelling survey of the Tarot's history describes the many fascinating decks imagined over time as well as the secret histories of mystics      **Shakespeare Survey: Volume 57, Macbeth and Its Afterlife** Peter Holland, 2008-01-31 Shakespeare Survey is a yearbook of Shakespeare studies and production Since 1948 Survey has published the best international scholarship in English and many of its essays have become classics of Shakespeare criticism Each volume is devoted to a theme or play or group of plays each also contains a section of reviews of that year's textual and critical studies and of the year's major British performances The books are illustrated with a variety of Shakespearean images and production photographs The virtues of accessible scholarship and a keen interest in performance from Shakespeare's time to our own have characterised the journal from the start Most volumes of Survey have long been out of print Backnumbers are gradually being reissued in paperback      **Tarot and Other Meditation Decks** Emily E.
