Shaking Of The Foundations:

The Shaking of the Foundations Paul Tillich, 2012-05-16 Author Biography Paul Tillich 1886 1965 an early critic of Hitler was barred from teaching in Germany in 1933 He emigrated to the United States holding teaching positions at Union Theological Seminary New York 1933 1955 Harvard Divinity School 1955 1962 and the University of Chicago Divinity School 1962 1965 Among his many books are *Theology of Culture* *Dynamics of Faith* and the three volumes of *Systematic Theology*

The Shaking of the Foundations Paul Tillich, 1949 **The Shaking of the Foundations [sermons] [sound Recording]** Paul Tillich, 1989 **The Shaking of the Foundations** Paul Johannes Oskar Tillich, 1963 **The Shaking of the Foundations**, 1966 *Marriage and the Family* John Prickett, 1985 A presentation of attitudes to marriage and the family in each of the major religious faiths each article written by a member of the respective faith Suitable for GCSE students **Paul Tillich : The shaking of the foundations** Paul Tillich, 1948 *What Does the Lord Require?* James L. Killen, 2004 Contemporary life is filled with a host of contentious moral and social issues There are many thorny topics both personal and political which bring out a cacophony of opinions that can overwhelm us While we are inundated with questions there often seem to be no clear answers So how should we respond As Christians we must constantly ask ourselves What does the Lord require of me In this outstanding collection of meditations James Killen examines many of today's hot button issues with an eye toward helping readers think through their beliefs and responsibilities Mindful of our call to live in faithfulness to God's purpose each essay draws on the Bible and the Christian faith to discern how God would have us respond to the emerging situations of our world's history *What Does The Lord Require* is topical inspiring reading and with thoughtful discussion questions at the end of each meditation it's an excellent resource for adult classes or study groups as well as for a sermon series that is sure to connect with congregations Among the issues addressed are religious pluralism economic justice materialism environmental stewardship gender roles suicide abortion personal integrity homosexuality AIDS race relations war The timid pulpit is too often the platform of pastors who choose not to unsettle their parishioners As a result words that address the critical social and moral issues of our day go unspoken The messages of this book inspire the reader to new heights of courage as these difficult issues are presented with clear forthright challenges You will be informed and motivated as the cost of discipleship awakens your Christian journey in the 21st century Joe A Wilson United Methodist bishop James Killen does a remarkable job of reminding us that being a Christian is more than individual religiosity Rather it encompasses every facet of our existence personal and corporate These meditations explore issues that Christians cannot afford to ignore A must read Brig Gen Hiram Doc Jones USAF retired Former Deputy Chief Air Force Chaplain Service James L Killen has pastored a variety of congregations during a 45 year career in the ministry ranging from a small open country parish in northeast Texas to Trinity United Methodist Church in Beaumont Texas a 2 000 member church with a television ministry serving all of southeast Texas and southwestern Louisiana A graduate of the University of Houston and Perkins

School of Theology at Southern Methodist University Killen's work has appeared in several publications including *Preaching Pulpit Digest* *Circuit Rider* *The Upper Room* and the *Abingdon Preaching Annual* He is also the author of *Who Do You Say That I Am* *Recollections on a Road Between* Edward J. Dupuy, 2024-12-19 Autobiographers typically mine memory to write of a struggle for place For some that place is wealth fame or power For others it's overcoming the wounds of addiction or an abusive past to find a place of stability As compelling as those stories can be this autobiography is different Dupuy comes from a large intact Catholic family in which he was well cared for While he explores memory and writes of a struggle for place he finds place and person not necessarily within but between established boundaries He restlessly explores spaces between and among narratives of family nation career religion and culture And he finds glimpses of an elusive and wounded subject himself A strong sense of longing a sense of not quite being at home a type of woundedness pervades his story Such places reveal themselves to him not as deficits not something to be corrected and set straight instead he sees them as a sort of home despite their shaky between nature In these spaces new contours of self others and world have opened to him
