Blood Brothers B. Lintner, 2016-04-30 From pirates singing Ricky Martin to mob hits carried out with samurai swords Bertil Lintner offers a fascinating look at organized crime in the Asia Pacific Both Western and Asian pundits assert that shady deals are an Asian way of life Some argue that corruption and illicit business ventures gambling prostitution drug trafficking gun running oil smuggling are entrenched parts of the Asian value system Yet many Asian leaders maintain that their cities are safer than Sydney Amsterdam New York and Los Angeles Making use of expertise gained from twenty years of living in Asia Lintner exposes the role crime plays in the countries of the Far East In *Blood Brothers* he takes you inside the criminal fraternities of Asia examining these networks and their past histories in order to answer one question How are civil societies all over the world to be protected from the worst excesses of increasingly globalised mobsters **Feeding Ghosts** Tessa Hulls, 2024-03-05 Winner of the 2025 Pulitzer Prize for Memoir the National Book Critics Circle Prize for Best First Book the Anisfield Wolf Prize for Memoir and the Libby Award for Best Graphic Novel Finalist for the 2024 Nonfiction Kirkus Prize Longlisted for the Andrew Carnegie Medal for Excellence in Nonfiction Named a Best Book of 2024 by Kirkus Reviews The Guardian NPR and Indigo One of Kobo CA s Top Graphic Novel Ebooks of 2024 *Persepolis* meets *Crying in H Mart* in this astonishing deeply moving graphic memoir of three generations of women exploring love grief exile identity and forgiveness In her evocative genre defying graphic memoir Tessa Hulls tells the story of three generations of women her grandmother Sun Yi her mother Rose and herself Sun Yi was a Shanghai journalist caught in the political crosshairs of the 1949 Communist victory in China After fleeing to Hong Kong with her young daughter Sun Yi wrote a bestselling memoir about her persecution and survival then promptly had a breakdown that left her committed to a mental institution Growing up Tessa watches her mother care for Sun Yi both of them struggling under the weight of Sun Yi s unexamined trauma and mental illness Vowing to escape her mother s smothering fear Tessa leaves home and travels to the farthest most remote corners of the globe But once she turns thirty her roaming begins to feel less like freedom and more like running away so she returns to face the history that shaped her family Extensively researched and gorgeously rendered *Feeding Ghosts* is Tessa s

homecoming a vivid journey into the beating heart of one family set against the dark backdrop of modern Chinese history By turns fascinating and heartbreaking inventive and poignant *Feeding Ghosts* exposes the fear and trauma that haunt generations and the love that holds them together *Visualising China, 1845-1965* Christian Henriot, Wen-hsin Yeh, 2012-11-09 In *Visualizing China* the authors launch a broad inquiry aimed at a synergistic understanding of the story of visuality in modern China The essays cluster around several nodal points including photographs advertising posters and movies from the 1840s to the 1960s **Beyond the Neon Lights** Hanchao Lu, 2023-07-28 How did ordinary people live through the extraordinary changes that have swept across modern China How did peasants transform themselves into urbanites How did the citizens of Shanghai cope with the epic upheavals revolution war and again revolution that shook their lives Even after decades of scholarship devoted to modern Chinese history our understanding of the daily lives of the common people of China remains sketchy and incomplete In this carefully researched study Hanchao Lu weaves rich documentary data with ethnographic surveys and interviews to reconstruct the fabric of everyday life in China s largest and most complex city in the first half of this century How did ordinary people live through the extraordinary changes that have swept across modern China How did peasants transform themselves into urbanites How did the citizens of Shanghai cope with the epic upheavals revolution war and again revolution t **Street Criers** Hanchao Lu, 2005 This is a rich and comprehensive study of beggars culture and the institution of mendicancy in China from late imperial times to the mid twentieth century with a glance at the resurgence of beggars in China today Generously illustrated the book brings to life the concepts and practices of mendicancy including organized begging state and society relations as reflected in the issues of poverty public opinions of beggars and various factors that contribute to almsgiving the role of gender in begging and street people and Communist politics Panoramically the reader will see that the culture and institution of Chinese mendicancy which had its origins in earlier centuries remained remarkably consistent through time and space and that there were perennial and lively interactions between the world of beggars and mainstream society *The Shanghai Alleyway House* Gregory Bracken, 2013-03-05 As a nineteenth century commercial development the alleyway house was a hybrid of the traditional Chinese courtyard house and the Western terraced one Unique to Shanghai the alleyway house was a space where the blurring of the boundaries of public and private life created a vibrant social community In recent years however the city s rapid redevelopment has meant that the alleyway house is being destroyed and this book seeks to understand it in terms of the lifestyle it engendered for those who called it home whilst also looking to the future of the alleyway house Based on groundwork research this book examines the Shanghai alleyway house in light of the complex history of the city especially during the colonial era It also explores the history of urban form and governance in China in order to question how the Eastern and Western traditions combined in Shanghai to produce a unique and dynamic housing typology Construction techniques and different alleyway house sub genres are also examined as is the way of life they engendered including some

of the side effects of alleyway house life such as the literature it inspired both foreign and local as well as the portrayal of life in the laneways as seen in films set in the city The book ends by posing the question what next for the alleyway house Does it even have a future and if so what lies ahead for this rapidly vanishing typology This interdisciplinary book will be welcomed by students and scholars of Chinese studies architecture and urban development as well as history and literature *China's Republic* Diana Lary,2007-02-08 Twenty first century China is emerging from decades of war and revolution into a new era Yet the past still haunts the present The ideals of the Chinese Republic which was founded almost a century ago after 2000 years of imperial rule still resonate as modern China edges towards openness and democracy Diana Lary traces the history of the Republic from its beginnings in 1912 through the Nanjing decade the warlord era and the civil war with the Peoples Liberation Army which ended in defeat in 1949 Thereafter in an unusual excursion from traditional histories of the period she considers how the Republic survived on in Taiwan comparing its ongoing prosperity with the economic and social decline of the Communist mainland in the Mao years This introductory textbook for students and general readers is enhanced with biographies of key protagonists Chinese proverbs love stories poetry and a feast of illustrations *Retrofitting Leninism* Dimitar D. Gueorguiev,2021 Retrofitting Leninism explains through the lens of China how open governance and modern information technology come together to sustain a tightly controlled but socially responsive system of authoritarianism When closed authoritarian regimes reform and open up they often fail most eventually breakdown The People s Republic of China stands as a notable exception How has the ruling Chinese Communist Party maintained power throughout decades of reform and rapid development Drawing inspiration from the CCP s Leninist origins Dimitar Gueorguiev offers a novel and empirically grounded explanation The key to the CCP s staying power he argues is its ability to integrate authoritarian control with social inclusion a combination that is being facilitated by modern telecommunications technology Relying on statistical data media reports and a series of original opinion polls Gueorguiev explores how public input feeds into political oversight and policy planning To unpack how public preferences are acquired processed and prioritized he analyses bottom up representation and coordination in local Chinese legislatures Finally to evaluate the impact of inclusion he shows that public engagement contributes to both policy stability and public satisfaction Although public inclusion is instrumental to the CCP s hold on power Gueorguiev underscores that inclusive authoritarianism greatly depends on the voluntary participation of Chinese citizens which is far from guaranteed A trenchant exploration of the Leninist model today Retrofitting Leninism will reshape our understanding of the authoritarian approach to government and its prospects for the future Twentieth Century China: An Annotated Bibliography of Reference Works in Chinese, Japanese and Western Languages James H. Cole,2019-07-23 This bibliography of reference works from Chinese Japanese and Western language sources covers the 1911 Revolution the Republic of China 1912 1949 the People s Republic of China 1949 onwards post 1911 Hong Kong and Macau and post 1911 overseas Chinese Filled with helpful checklists charts and suggestions for further reading this practical
