**Shanghai's Dancing World** Andrew David, 2010-11-03 Drawing upon a unique and untapped reservoir of newspapers magazines novels government documents photographs and illustrations this book traces the origin pinnacle and ultimate demise of a commercial dance industry in Shanghai between the end of the First World War and the early years of the People s Republic of China Delving deep into the world of cabarets nightclubs and elite ballrooms that arose in the city in the 1920s and peaked in the 1930s the book assesses how and why Chinese society incorporated and transformed this westernized world of leisure and entertainment to suit its own tastes and interests Focusing on the jazzage nightlife of the city in its golden age the book examines issues of colonialism and modernity urban space sociability and sexuality and modern Chinese national identity formation in a tumultuous era of war and revolution

**Hong Kong Management Cases in Hotel Management** Management Development Centre of Hong Kong, 1996 Until recently very few case books are written about Hong Kong s hotel management Most case books have drawn their materials from North America

and Europe There are very few which reflect the local situation familiar to readers in Hong Kong To remedy this situation the Case Clearing House of Hong Kong encouraged local authors to write cases based on true to life Hong Kong situations Managers in the hospitality industry will find the situations presented in the book similar to those they face in their work and will be able to learn from the discussions of the cases presented Students will find the cases a useful means of enhancing their understanding of hospitality management practice in Hong Kong

*Biopharma in China* Sven Agten, Ben Wu, 2024-04-16 This book provides an insider's overview of the emerging Chinese biopharma sector its dynamics and trends first bust and boom cycle long term perspectives and how as a foreign company or investor to tap into this China has gone from a country with no innovation in drug discovery to a country which starts to out license its biopharma technology to the rest of the world The Chinese biopharma sector is only a decade old but it already has become a new driver of growth and value The book takes a closer look at what drives Chinese innovation in the biopharma sector how to deal with this innovation and what opportunities and challenges this provides for foreign companies The book also takes a deep dive into its first biopharma boom and bust cycle and what it means for the sector It also explains what deals Chinese biopharma companies and investors are looking for what works and what doesn't and how as a foreign company can tap into the world's second largest healthcare market

**Chinese Film Stars** Mary Farquhar, Yingjin Zhang, 2010-04-27 This volume of original essays fills a significant research gap in Chinese film studies by offering an interdisciplinary comparative examination of ethnic Chinese film stars from the silent period to the era of globalization Whereas studies of stars and stardom have developed considerably in the West over the past two decades there is no single book in English that critically addresses issues related to stars and stardom in Chinese culture Chinese Film Stars offers exemplary readings of historically geographically and aesthetically multifaceted star phenomena An international line up of contributors test a variety of approaches in making sense of discourses of stars and stardom in China and the US explore historical contexts in which Chinese film stars are constructed and transformed in relation to changing sociopolitical conditions and consider issues of performance and identity specific to individual stars through chapter by chapter case studies The essays explore a wide range of topics such as star performance character type media construction political propaganda online discourses autobiographic narration as well as issues of gender genre memory and identity Including fifteen case studies of individual Chinese stars and illustrated with film stills throughout this book is an essential read for students of Chinese film media and cultural studies

**Tourism and the Branded City** Stephanie Hemelryk Donald, John G. Gammack, 2016-02-24 Comparing the major Pacific Rim cities of Sydney Hong Kong and Shanghai this book examines world city branding Whilst all three cities compete on the world's stage for events tourists and investment they are also at the centre of distinct film traditions and their identities are thus strongly connected with a cinematic impression Using an interdisciplinary approach this book not only analyses the city branding of these cities from the more widely researched perspectives of tourism marketing and

regional development but also draws in cultural studies and psychology approaches which offer fresh and useful insights to place branding and marketing in general The authors compare and contrast qualitative and quantitative original data as well as critically analyzing current texts and debates on city branding In conclusion they argue that city branding should contribute not only to regional development and identity but also to sustainable economic well being and public happiness

*China's Economic Reforms: Successes And Challenges* Peter Koveos,Yimin Zhang,2023-01-19 In the last 40 years of China s economic reforms the country has made unprecedented progress in its economic development and its position in the global stage As a result interest in China has resulted in numerous books focusing on the world s second largest economy A single volume however cannot possibly explain the complex nature of China s economic system and its relationship with the rest of the world China s Economic Reforms Successes and Challenges contributes to the understanding of China s reforms by offering a detailed analysis of critical components of the country s economic architecture Within the context of the global economy the book illustrates the performance of the Chinese economy at both the aggregate and individual sector levels before and after reforms Comparisons and contrasts are made with the economies of the US Japan South Korea India and Russia The book presents the challenges facing the Chinese reform process and explain how these challenges affect the domestic economy the rest of the world and the overall success of China s reforms Perpetually Cool Anthony B. Chan,2007-02-08 Anna May Wong was an extraordinary Asian American woman who became the country s most famous film actress of Chinese descent From small parts in silent films to starring roles in Hollywood and across the Atlantic Wong made an impression on audiences of all persuasions In *Perpetually Cool* Anthony Chan takes the reader on a compelling journey through Wong s early years in Los Angeles and her first Hollywood pictures Chan also examines the scope and nature of race gender and power and their impact on Wong s personal growth as a Chinese American *Perpetually Cool* is not only the captivating story of a cinematic career but also of roots and identity as it recounts Wong s desire to connect with her heritage in the United States and in China Chan provides extensive textual analyses of Wong s signature films especially *The Toll of the Sea* 1922 *The Thief of Bagdad* 1924 with Douglas Fairbanks and her most famous role as Hui Fei in *Shanghai Express* 1932 opposite Marlene Dietrich *Perpetually Cool* is a fitting tribute to the influence of this Chinese American icon

*Chinese Movie Magazines* Paul Fonoroff,2018-09-25 Showcasing an exotic eclectic and rare array of covers from more than five hundred movie publications from a glamorous bygone age *Chinese Movie Magazines* sheds fresh light on China s film industry during a transformative period of its history Expertly curated by collector and Chinese cinema specialist Paul Fonoroff this volume provides insightful commentary relating the magazines to the times in which they were created embracing everything from cinematic trends to politics and world events along with gossip fashion and pop culture The cover designs reflected the diverse contents of the publications ranging from sophisticated Art Deco drawings by acclaimed artists to glamorous photos of top Chinese and Hollywood celebrities including Ruan Lingyu Butterfly Wu Ingrid Bergman and

Shirley Temple Organized thematically within a chronological structure this visually extraordinary volume includes many rare illustrations from the Paul Kendel Fonoroff Collection in Berkeley's C V Starr East Asian Library the largest collection of Eastern movie memorabilia outside China     British Chamber of Commerce Journal ,1915     China's Provinces in Reform

David Goodman,2002-11 Explores the impact of social and political change on China's provinces during the reform era Offering an in depth comparative analysis of a number of major provinces it challenges generalizations over the nature of change in China     **The London and China Telegraph** ,1864     *The Political Economy of Property Rights* David L. Weimer,1997-04-13 Originally published in 1997 The Political Economy of Property Rights reports on comparative research into the transformation of property rights in post communist countries and China Two important theoretical questions unify the contributions what aspects of political systems give credibility to systems of property rights What can be learned from the transformation of property rights in post communist countries about the large scale change of economic institutions The contributors consider the credibility of property rights as arising from the strategic interaction of political and economic actors and they apply this perspective and test its implications using a variety of qualitative and quantitative methods Overall the volume demonstrates the value of coordinated cross national research by area specialists sharing a common focus on questions of political economy     **Understanding Audiences and the Film Industry** Roy Stafford,2019-07-25 Brings together an introduction to academic study of audiences as readers of films and an investigation into how the film industry perceives audiences as part of its industrial practices The approach draws on ideas from film media and cultural studies to present an insight to what makes the biggest box office films attractive to audiences     **Changing Clothes in China**

Antonia Finnane,2023-05-30 Historians have long regarded fashion as something peculiarly Western In this surprising sumptuously illustrated book Antonia Finnane challenges this view which she argues is based on nineteenth and twentieth century representations of Chinese dress as traditional and unchanging Fashions she shows were part of Chinese life in the late imperial era even if a fashion industry was not then apparent In the early twentieth century the key features of modern fashion became evident particularly in Shanghai and rapidly changing dress styles showed the effects The volatility of Chinese dress throughout the twentieth century matched vicissitudes in national politics Finnane describes in detail how the close fitting jacket and high collar of the 1911 Revolutionary period the skirt and jacket blouse of the May Fourth era and the military style popular in the Cultural Revolution gave way finally to the variegated globalized wardrobe of today She brilliantly connects China's modernization and global visibility with changes in dress offering a vivid portrait of the complex subtle and sometimes contradictory ways the people of China have worn their nation on their backs     *Encyclopedia of Contemporary Chinese Culture* Edward Lawrence Davis,2005 First Published in 2009 Routledge is an imprint of Taylor Francis an informa company     *Diseases and Diagnoses* Sander L. Gilman,2017-09-08 Diseases and Diagnoses discusses why such social problems as addiction sexually transmitted diseases racial predisposition for illness surgery and beauty and

electrotherapy all of which concerned thinkers a hundred years ago are reappearing at a staggering rate and in diverse national contexts In the twentieth century such problems were viewed as only historical concerns Yet in the twenty first century we once again find ourselves confronting their implications In this fascinating volume Gilman looks at historical and contemporary debates about the stigma associated with biologically transmitted diseases He shows that there is no indisputable way to measure when a disease or therapy will reappear or how it may be perceived at any given moment in time Consequently Gilman focuses on the socio cultural and political implications that the reappearance of such diseases has had on contemporary society His approach is to show how culture embedded in cultural objects both feeds and is fed by the claims of medical science as for example the reappearance of race as a cultural as well as a medical category If the twentieth century was the age of physics in the latter part of the past century and certainly in the twenty first century biological concerns are recapturing central stage Achievements of the biological sciences are changing the public s sense of what constitutes cutting edge science and medicine None has captured the public imagination more effectively than the mapping of the human genome and the promise of genetic manipulation which fuel what Gilman calls a second age of biology Although not without controversy the role of genetics appears to be key Gilman puts contemporary debates in historical context showing how they feed social and cultural concerns as well as medical possibilities

**The Last Empress** Hannah Pakula,2009-11-03 With the beautiful powerful and sexy Madame Chiang Kai shek at the center of one of the great dramas of the twentieth century this is the story of the founding of modern China starting with a revolution that swept away more than 2 000 years of monarchy followed by World War II and ending in the eventual loss to the Communists and exile in Taiwan An epic historical tapestry this wonderfully wrought narrative brings to life what Americans should know about China the superpower we are inextricably linked with the way its people think and their code of behavior both vastly different from our own The story revolves around this fascinating woman and her family her father a peasant who raised himself into Shanghai society and sent his daughters to college in America in a day when Chinese women were kept purposefully uneducated her mother an unlikely Methodist from the Mandarin class her husband a

military leader and dogmatic warlord her sisters one married to Sun Yat sen the George Washington of China the other to a seventy fifth lineal descendant of Confucius and her older brother a financial genius This was the Soong family which along with their partners in marriage was largely responsible for dragging China into the twentieth century Brilliantly narrated this fierce and bloody drama also includes U S Army General Joseph Stilwell Claire Chennault head of the Flying Tigers Communist leaders Mao Tse tung and Chou En lai murderous warlords journalists Henry Luce Theodore White and Edgar Snow and the unfortunate State Department officials who would be purged for predicting correctly the Communist victory in the Chinese Civil War As the representative of an Eastern ally in the West Madame Chiang was befriended before being rejected by the Roosevelts stayed in the White House for long periods during World War II and charmed the U S Congress into giving China billions of dollars Although she was dubbed the Dragon Lady in some quarters she was an icon to her people and is certainly one of the most remarkable women of the twentieth century
