Shape Shifters:

The Shape Shifters John L. Mariotti, 1997-10-10 The Shape Shifters offers a unique set of new tools keeping readers ahead of fast moving curves The simple analytical and teaching tools in this book can make any business nimbler and more decisive The author provides hundreds of examples of how companies have redefined the shapes of their businesses shape shifting faster and more often to match the changing shape of customer demands Shape Shifters Lily Anne Y. Welty Tamai, Ingrid Dineen-Wimberly, Paul Spickard, 2020-01-01 Shape Shifters presents a wide ranging array of essays that examine peoples of mixed racial identity Moving beyond the static either/or categories of racial identification found within typical insular conversations about mixed race peoples Shape Shifters explores these mixed race identities as fluid ambiguous contingent multiple and malleable This volume expands our understandings of how individuals and ethnic groups identify themselves within their own sociohistorical contexts The essays in Shape Shifters explore different historical eras and reach across the globe from the Roman and Chinese borderlands of classical antiquity to medieval Eurasian shape shifters the Native peoples of the missions of Spanish California and racial shape shifting among African Americans in the post civil rights era At different times in their lives or over generations in their families racial shape shifters have moved from one social context to another And as new social contexts were imposed on them identities have even changed from one group to another This is not racial ethnic or religious imposture It is simply the way that people's lives unfold in fluid sociohistorical circumstances With contributions by Ryan Abrecht George J Sanchez Laura Moore and Margaret Hunter among others Shape Shifters explores the forces of migration borderlands trade warfare occupation colonial imposition and the creation and dissolution of states and empires to highlight the historically contingent basis of identification among mixed race peoples across time and space Werewolves and Other Shape-Shifters Ruth Owen, 2013-01-01 Examines the history of werewolf lore famous incidents and possible explanations *Vampires, Zombies, and Shape-Shifters* Rebecca Stefoff, 2008 Explores the folklore and facts connected with vampires zombies and shape shifters such as werewolves *Werewolves and Other Shape-Shifters* Anita Ganeri, 2010-08-15 For thousands of years people have believed that certain humans have the ability to turn into animals particularly wolves This book describes all kinds of shape shifters from the Japanese kitsune to the Irish selkies The history of these fascinating characters is accompanied by vivid computer generated illustrations that will capture the imagination and spark the curiosity of young readers **Werewolves and Other Shapeshifters in Popular Culture** Kimberley McMahon-Coleman, Roslyn Weaver, 2014-10-01 In recent years shapeshifting characters in literature film and television have been on the rise This has followed the increased use of such characters as metaphors with novelists and critics identifying specific meanings and topics behind them This book aims to unravel the shapeshifting trope Rather than pursue a case based study the works are grouped around specific themes adolescence gender sexuality race disability addiction and spirituality that are explored through the metaphor of shapeshifting Because of the transformative possibilities

of this metaphor and its flexibility the shapeshifter has the potential to change how we see our world With coverage of iconic fantasy texts and a focus on current works the book engages with the shapeshifting figure in popular culture from the United States Canada the United Kingdom and Australia Instructors considering this book for use in a course may request an examination copy here [Amazing Animal Shape-Shifters](#) Leon Gray,2015-08 Describes the ways in which animals change their appearance to avoid predators or attract mates

Trees are Shape Shifters Andrew S. Mathews,2022-01-01 An exploration of the anthropogenic landscapes of Lucca Italy and how its people understand social and environmental change through cultivation In Italy and around the Mediterranean almost every stone every tree and every hillside show traces of human activities Situating climate change within the context of the Anthropocene Andrew Mathews investigates how people in Lucca Italy make sense of social and environmental change by caring for the morphologies of trees and landscapes He analyzes how people encounter climate change not by thinking and talking about climate but by caring for the environments around them Maintaining landscape stability by caring for the forms of trees rivers and hillsides is a way that people link their experiences to the past and to larger scale political questions The human transformed landscapes of Italy are a harbinger of the experiences that all of us are likely to face and addressing these disasters will call upon all of us to think about the human and natural histories of the landscapes we live in

Shapeshifters John B. Kachuba,2019-06-10 There is something about a shapeshifter a person who can transform into an animal that captures our imagination that causes us to want to howl at the moon or flit through the night like a bat Werewolves vampires demons and other weird creatures appeal to our animal nature our dark side our desire to break free of the bonds of society and proper behavior Real or imaginary shapeshifters lurk deep in our psyches and remain formidable cultural icons The myths magic and meaning surrounding shapeshifters are brought vividly to life in John B Kachuba s compelling and original cultural history Rituals in early cultures worldwide seemingly allowed shamans sorcerers witches and wizards to transform at will into animals and back again Today there are millions of people who believe that shapeshifters walk among us and may even be world leaders Featuring a fantastic and ghoulish array of examples from history literature film TV and computer games *Shapeshifters* explores our secret desire to become something other than human

Shapeshifters Aimee Meredith Cox,2015-08-07 In *Shapeshifters* Aimee Meredith Cox explores how young Black women in a Detroit homeless shelter contest stereotypes critique their status as partial citizens and negotiate poverty racism and gender violence to create and imagine lives for themselves Based on eight years of fieldwork at the Fresh Start shelter Cox shows how the shelter s residents who range in age from fifteen to twenty two employ strategic methods she characterizes as choreography to disrupt the social hierarchies and prescriptive narratives that work to marginalize them Among these are dance and poetry which residents learn in shelter workshops These outlets for performance and self expression Cox shows are key to the residents exercising their agency while their creation of alternative family structures demands a rethinking of notions of care protection and love Cox also uses these

young women's experiences to tell larger stories of Detroit's history the Great Migration deindustrialization the politics of respectability and the construction of Black girls and women as social problems With *Shapeshifters* Cox gives a voice to young Black women who find creative and non normative solutions to the problems that come with being young Black and female in America

Shape-Shifting Animals Natalie Lunis, 2014-01-01 Do some animals really have the power to transform themselves into something else In fact such creatures do exist In this book young readers will meet eight of these amazing shape shifting animals including a sea creature that can pretend to be a rock a caterpillar that can rise up like a snake that is about to strike and a fish that can blow itself up into a big spiky ball These animals may take on very different shapes but they do have one thing in common They all use their shape shifting abilities to scare off escape from or appear less tasty to their enemies In other words their special powers help them survive Eye popping photos and clear simple text bring these one of a kind creatures to vivid life

Shape Shifters Michele Jamal, 1987 Through profiles of fourteen present day shaman women who use alternative healing methods in their work Jamal suggests how a shamanic community can be developed into a creative empowered society

Shape-Shifters! David L. Ferrell, 2013-12-15 Nearly every culture has legends of beings who could change their shape from human to animal form and back again Sometimes these beings were worshipped and sometimes feared This illustrated text explores these legends and highlights the story of an alleged werewolf who terrorized the countryside of Talbot County Georgia in 1850

Shapeshifting Alexander Varga, *The Twilight Mystique* Amy M. Clarke, Marijane Osborn, 2014-01-10 The 13 essays in this volume explore Stephenie Meyer's wildly popular *Twilight* series in the contexts of literature religion fairy tales film and the gothic Several examine Meyer's emphasis on abstinence considering how why and if the author's Mormon faith has influenced the series worldview Others look at fan involvement in the *Twilight* world focusing on how the series avid following has led to an economic transformation in Forks Washington the real town where the fictional series is set Other topics include Meyer's use of Quileute shape shifting legends *Twilight*'s literary heritage and its frequent references to classic works of literature and the series controversial depictions of femininity

Shape-Shifting Gods Samuel Shepherd, 101-01-01 Shape Shifting Gods Proteus Maui Kali Odin What if the gods could change their forms at will What if transformation wasn't just a power but a way of life a force that shaped the universe Across mythologies certain deities stand apart not because they are the strongest or the most feared but because they are the most fluid the most adaptable the ones who refuse to be defined by a single identity Shape Shifting Gods is a journey through the myths and legends of four such divine beings each with their own mastery over transformation deception and rebirth Four Gods Four Myths One Timeless Truth Book 1 Proteus The Ever Changing Oracle of the Sea Proteus is a god of deep hidden wisdom but his knowledge is not given freely He is the Old Man of the Sea the elusive oracle who changes form to escape those who would force him to reveal the future From writhing serpents to raging lions his transformations are his greatest defense a symbol of the fluid nature of fate itself Will those who seek his wisdom have the strength to hold on or will

he slip away like water through their fingers Book 2 Maui the Trickster Hero Shapeshifter and the Creator of Islands Maui is the divine rebel the trickster whose clever mind reshapes the world itself He slows the sun steals fire from the gods and raises entire islands from the sea A master shapeshifter he turns himself into birds insects and even the wind to outwit both gods and monsters alike His transformations are not just survival they are revolution acts of defiance against the limitations placed upon him But even Maui with all his cleverness cannot escape fate forever Book 3 Kali Goddess of Destruction Transformation and Rebirth Kali is both fearsome and motherly the goddess who dances on the edge of time itself With her wild hair bloodstained tongue and necklace of skulls she is the great destroyer yet also the force that clears the way for new beginnings She shifts between forms from the nurturing mother to the unstoppable warrior reminding all who worship her that transformation is not a choice it is inevitable She does not kill for the sake of death but to awaken those trapped in illusion tearing away falsehoods until only truth remains Book 4 Odin the Wanderer The Shape Shifting Seeker of Wisdom Odin is not just a king not just a warrior but a trickster a wanderer a god of many faces He rides into battle with wolves at his side yet walks Midgard as a hooded old man whispering riddles into the ears of kings He sacrifices himself to himself hanging from the great tree Yggdrasil to steal the wisdom of the runes He becomes a bird a snake a shadow slipping through the nine realms knowing that the true key to power is never remaining the same Why Read This Book Explore the most powerful shape shifters in mythology Experience epic battles riddles trickery and transformation Discover how these gods mirror the human journey of change A perfect read for lovers of mythology legend and ancient wisdom Own the Power of Transformation If you are drawn to tales of divine rebellion wisdom won through sacrifice and the untamed power of gods who refuse to be bound Shape Shifting Gods is your guide into a world where nothing stays the same Order your copy today and step into the realm of transformation

Mila's Shift Danielle Forrest, 2019-09-15 Nothing is as Deadly as a Secret Mila's dream of being a pilot was ripped away from her the moment she shifted for the first time leaving her only two options the shifter camps or going on the run She chose the latter Then ten years later her best friend is killed right before her eyes and making either the best or worst decision of her life she decides to steal her friend's identity so at least one of them can live their dream Both terrified and grieving she steps into her new life as an NSS pilot But when the captain starts giving her a little too much attention she's convinced he can see right through her to her deepest darkest secrets Conversely her new friend is convinced the captain is attracted to her but she finds that hard to believe So when an assassin sets his sights on Mila can she trust in the captain's feelings for her or will she be in for the fight of her life alone Mila's Shift is a low heat Military Sci Fi Romance involving shape shifters an unattainable love interest conspiracy and lots of action
