Sharing God'S Love R. J. Bragg,2015-04-27 Dont you deserve love In Sharing Gods Love you will learn how easy it is to receive and it is in fact written throughout the Bible Yet somehow we miss it How many have thought that a babys purpose is to share Gods love with us How many second chances have you received so far in your life It is not nice or godly to always share your sickness and never your love to those you meet and speak with Today you can start thinking about changing what you are thinking to what is needed to get into Gods heaven Sooner or later each of us will be getting that call from God saying He is ready for you to come home right now We need to learn to say Lord I want to do Your will this day You have chosen me to do something special that only I can do

From Pentecost to the Triune God Steven M. Studebaker,2012-12-19 In From Pentecost to the Triune God Steven Studebaker puts forth a provocative Pentecostal Trinitarian theology arguing that the Holy Spirit completes the fellowship of the triune God and therefore shapes the identities of the Father and the Son The Holy Spirit Studebaker maintains is not simply a passive end product of a procession from the Father and Son but rather a dynamic person who plays an active role in the Trinity and a constitutional consummational role in the history of redemption In the course of his study Studebaker shows the theological yield of the Pentecostal experience of the Holy Spirit and uncovers the biblical narratives of the Spirit from creation to Pentecost A constructive and ecumenical contribution to Trinitarian theology From Pentecost to the Triune God also engages major historical and contemporary figures such as Augustine the Cappadocians Weinandy and Zizioulas as well as representatives from the evangelical and charismatic traditions Finally Studebaker applies his Pentecostal Trinitarian theology to the theology of religions and creation care proposing that

Christians embrace an inclusive posture toward people of other religious traditions and have an earth orientation that sees creation care as Christian formation
